BIKE RACKS

Bike Racks are available on The Town of Davie Blue Route Community Bus. Bike Racks are designed to carry two bikes only. It is important to have the operator's attention before loading and unloading your bike. As the bus approaches, have your bike ready to load. Remove any loose items that may fall off.

LOADING
• Always load your bike from the curbside of the street.
• Lower-Squeeze the handle and pull down to release the folded bike rack.
• Lift your bike into the rack, fitting the wheels into the slots of the vacant position closest to the bus.
• Latch-Pull and release the support arm over the front tire, making sure the support arm is resting on the tire, not on the fender or frame.

UNLOADING
• Before exiting, notify the operator you are removing your bike.
• Pull the support arm off the tire. Move the support arm down and out of the way. Lift your bike out of the rack. If your bike is the only one on the rack, return the rack to the upright position.
• Move quickly to the curb.
