TOPS! provides transportation to eligible individuals. Service provided in accordance with the Americans with Disabilities Act of 1990 (ADA) and the Commission for the Transportation Disadvantaged (TD) guidelines. Paratransit service provides transportation service to individuals who have a functional disability and/or are financially disadvantaged and cannot travel fixed-route bus service.

- TOPS! requires a fare
- TOPS! does not provide emergency or stretcher transportation
- TOPS! does not provide Personal Care Attendants (PCA)
- TOPS! does not provide wheelchairs or other mobility aids

**Service Hours**
TOPS! operates during the same days and hours as the County's fixed-route bus service, early morning until late at night. Please contact Customer Service for specific hours and holiday schedules.
Origin to Destination Service
Door-to-Door service is the standard for all passengers. Door-to-Door refers to main entrance locations only. Passengers are not escorted beyond the ground floor lobby of any public building or threshold of a residence. Drivers do not go upstairs, into houses, nursing homes or doctor's offices, etc. to locate riders. If the pick-up address is located inside a gated community or requires special access, it is the rider's responsibility to arrange entry for the vehicle.

Reservations and Scheduling by Telephone
To make a telephone reservation, contact the Call Center. Reservations accepted a maximum of three (3) days prior to the travel date. Next day reservations must be completed before 5 p.m.

Same day service is not available. Contact the Call Center and inquire if they can accommodate your request on a "space-available" basis.

A minimum sixty (60) minute wait is required between your appointment time and your next pick-up time.

When reserving a ride, provide the following information:

- Client ID Number
- First and Last Name
- Telephone Number
- Requested appointment or pick-up time
- Complete pick-up address (apartment/suite number, gate/security code, building identification and zip code)
- Complete destination address (apartment/suite number, gate/security code, building identification, zip code and telephone number)
- Indicate if rider will be accompanied by a PCA and/or companion (see Personal Care Attendant/Companion sections)

After you provide reservation information, the reservationist will enter your trip request into the scheduling system. You will be informed your reservation has been accepted. A Service Window is not assigned at this time (see “Service Window” section).

Reservation – On-line
Reservations can be completed online at:
  http://www.broward.org/bct/pages/paratransit.aspx

Look for “To Make a Reservation” and select “My TOPS! Trips.” You are presented with your account Dashboard. From here, book a trip, view your past trip information or account details.

Select “Schedule a New Trip” and prompts guide you through the reservation process. The system tracks your trips so future reservations to the same locations will be faster and
easier to schedule. You will **not** be given a Service Window at this time (see “Service Window” section). Next day reservations **must be completed before 5 p.m.**

If you need assistance, contact the Call Center.

**Subscriptions**

Subscriptions (also known as “standing orders”) are trips provided **at least twice a week**, to and from the same locations, at the same time, on the same days of the week. Examples of subscription trips: work, school, dialysis, therapy, etc. Subscription trips are scheduled for a **minimum of one (1) month**. Once arranged, subscription trips are automatic and additional telephone calls are not necessary. To place a subscription order, **contact the Call Center.**

*It is the rider’s responsibility to cancel specific subscription trips not needed*

**Subscription trips are cancelled on Federal holidays**

Riders needing service on Federal holidays must make a reservation with the Call Center. Contact the Call Center for a list of observed holidays.

Subscription service is a privilege and may be discontinued for due cause

**Travel Time**

TOPS! travel time should be comparable to fixed-route travel times, including the time necessary to travel to the bus stop, wait for the bus, ride time, transfers and travel from the final stop to the ultimate destination. Travel times may increase due to inclement weather, traffic or diverting to pick up another customer who missed a return pick-up.

**Service Window**

The Service Window is the **thirty (30) minute time-period when your ride will arrive.** For example, if your Service Window is 9:00 to 9:30, the earliest time your ride will arrive will be 9:00 and the latest is 9:30. It may arrive any time in between, so you must be ready and waiting for the vehicle’s arrival.

*You will receive your Service Window for each trip the night before travel, between 5 p.m. and 9 p.m., through an automated system.* If the Service Window provided is not convenient and you would like to negotiate a different time or you wish to cancel the trip, you must contact the Call Center. The system will call you via the most current phone number(s) on file; therefore keep your telephone number(s) current. If you have an answering machine or voice mail, the system will leave a message.

On the day of travel, your ride will arrive within the Service Window. When the vehicle is approximately ten (10) minutes away from your location, you will receive an automated Advanced Arrival Reminder Notification call.

Drivers operate on a schedule allowing a **maximum** five (5) minute wait after arriving at the pick-up location in the Service Window.
Riders are not required to board a vehicle prior to the start of the Service Window.

If the vehicle did not arrive during the scheduled Service Window, contact the Call Center for assistance.

**Using TOPS! Service**

**Paratransit Fares**

Fare is required **UPON** entering vehicle. Failure to pay may result in loss of transportation privileges

- One-way fare per trip is currently $3.50 (Subject to change)
- One-way fare per trip for honorably discharged veterans to VA clinics is $1.75 (Subject to change)
- Riders going to/from designated nutrition sites for **nutrition purposes only** may qualify for reduced fares

It is recommended all wheelchair and scooter devices are WC-19 compliant to ensure proper securement in the vehicle.

TOPS! vehicles are equipped with lifts accommodating wheelchairs or scooters less than 52 inches **long** and 33 inches wide. The combined weight of the rider and mobility aid **cannot** exceed 1,000 lbs.

*Mobility devices exceeding these standards may not be transported*

Riders without mobility devices may board the vehicle using the lift upon request. Only drivers may operate the lift.

**Companions**

One (1) companion may accompany an ADA paratransit rider. Both must be picked-up and dropped-off at the same address, at the same time. TOPS! must know in advance that a companion is traveling with you. When making your reservation indicate a companion will accompany you. **Companions pay full fare.**

**Personal Care Attendants**

A PCA is a person designated or employed specifically by the rider, traveling as an aide to assist with life-functions, facilitate safe travel or meet the rider’s personal needs. PCAs must be approved to be eligible to travel with a rider. If your PCA has not been approved, they may travel as a companion (see “Companions” section). Both must be picked-up and dropped-off at the same address, at the same time. TOPS! must know in advance that a PCA is traveling with you. When making your reservation indicate a PCA will accompany you. **Approved PCAs do not pay a fare.**
Transporting Children
Children younger than four (4) years of age must be transported in an appropriate child safety seat. All clients and companions, including children, must pay the one-way fare. TOPS! does not provide child safety seats.

Transporting Packages
Drivers are not required to assist with rider’s packages or personal belongings. Other riders share vehicles: many of whom travel with large mobility devices such as power scooters. Space is not available for bulky or numerous items. Riders may not transport explosives, illegal substances, flammable liquids or materials hazardous to themselves, driver or other riders. Riders may transport self-carrying portable oxygen containers. Riders possessing or using illegal drugs will be denied paratransit transportation.

Transporting Service Animals
All service animals must be properly controlled. Service animals must ride on the floor or, if appropriate, in the lap of the rider and may not use vehicle seats. Riders are responsible for behavior and hygiene of service animals. Service may be refused or discontinued if a service animal is disruptive. All other animals may travel only in a properly secured cage or travel container. There is no additional charge for animals.
