Logistics

The Logistics section distributes equipment and supplies to 40 service locations including both internal and external users. This section has successfully formed 24 municipal partnerships, providing cost effective and expeditious products and services, which are customer-driven utilizing economy of scale pricing structures. This approach has established Fire Rescue Logistics as a market leader within the fire rescue support sector as evidenced by a 92% market share.

Airport-Seaport Regional

This unit is currently providing regional Battalion supervision.

HAZMAT

This highly trained unit provides support countywide during emergency hazardous materials operations and other large scale incidents as requested in order to minimize the environmental impact and fire hazard due to the unplanned release of hazardous materials. This regional response team responds as requested to large scale incidents anywhere within Broward County, as well as works closely with municipal fire departments to provide needed training in hazardous materials response.

The Broward Sheriff's Office also contracts with the cities of Fort Lauderdale, Hollywood and Sunrise to provide coverage along with the Sheriff's Office for hazardous material response throughout Broward County.
