APPLICATION INFORMATION FOR ELECTRICAL PERMITS

1. You are required to have two (2) complete sets of building plans that include a riser diagram and load calculations.
2. Both sets of plans are to be submitted to Building Code Division for plan review. For eligible [ePermits](#), only one set is required. Your submittal shall include:
 - **A complete current version of the Broward County Uniform Building Permit Application** which must show the total job value for Electrical construction for the entire job including labor and material.
 - If you are a contractor applying for a permit you will be required to submit proof of **Worker's Compensation Insurance**. Such proof of compensation must be evidenced by a certificate of coverage issued by the carrier, a valid exemption certificate approved by the department, or a copy of the employer's authority to self-insure and shall be presented each time the employer applies for a building permit.
 - If you are a homeowner applying for a permit, you will be required to complete an **Owner-Builder Affidavit**, in the presence of Permitting staff.
3. After your plans have been reviewed, which can take up to 15 business days, you will be contacted to either, pick up your plans and address the corrections/changes that are required, or you will be informed that your permit is ready to be issued.
4. If your job is valued at \$5,000.00 or more, upon issuance of your permit you will be required to file a **Notice of Commencement**. The Notice of Commencement must be filed with **Records, Taxes and Treasury Division (RTT)** located at 115 South Andrews Avenue, Room #114, Ft. Lauderdale. A certified copy of the current recorded Notice of Commencement containing the filing stamp from RTT must be submitted to Building Code Division, prior to the scheduling the first inspection. For further information, please call (954)831-4000 or send an email to records@broward.org.
