

BUILDING PERMITTING E-PERMIT PRESENTATION

Environmental Protection and Growth Management Department
Broward County Building Code Service Division (BCSD)

BACKGROUND

- Broward County Building Code Services Division's Building Permitting office has permitting jurisdiction for properties in Unincorporated Broward County.
- The prior version of BCSD ePermits did not filter Parcel ID/Folio which would allow permit applications for locations for which our office does not have permitting jurisdiction.
- Currently, ePermits is not available for Owner-Builder permits, Elevator Permits, and permit applications for Fort Lauderdale Airport.
- Development and Environmental Review approval or exemption is required prior to submitting the permit application and plans to our office (BCS Master Permit). Please contact DERPlans@Broward.org for questions.

PRESENTATION OVERVIEW

- Create User ID and Password
- Confirm permitting jurisdiction with Broward County Property Appraiser's office.
- Fill Out the ePermit application (Select “BCS Master Permit”)
- Upload plans (IMPORTANT: All pages on Architect/Professional Engineers plans must be signed and sealed. If the digital signature cannot be verified by our office, a corresponding SHA-1 affidavit must be generated by the Architect/Professional Engineer. Otherwise, the permit application will not be accepted)
- Respond to emails from our office requesting follow-up.
- Pay online
- Print permit card (**Note: 8.5"x 14" size paper needed to print permit card**)

WHAT YOU NEED TO KNOW

- For job values, that are equal to or more than \$2,500.00, a Notice of Commencement (NOC) must be recorded prior to the first inspection. The certified copy of the recorded Notice of Commencement must be submitted to our office prior to scheduling the first inspection. It is recommended that the certified copy of the recorded Notice of Commencement is uploaded with supporting documents and construction plans.
- Prior to submitting the ePermit application to our office (BCS Master Permits), Development and Environment review approval or exemption may be required. Please contact DERPlans@Broward.org.
- Please check your emails for important messages regarding the status of your ePermit application.
- When you are ready to schedule inspections, the physical approved plans and permit card must be on the job site.
- For applicable permits, the building permit will not be issued prior to proof of payment for impact fees and copy of the final Development and Environmental Review approval has been submitted to our office.

Per Florida statute 107.3.5.1:

Plans and/or specifications completely defining the work for each discipline (Electrical, Mechanical, Plumbing, Roofing, and Structural) shall be submitted. Plans shall be electronically or mechanically reproduced prints on substantial paper showing completely all foundation, wall sections, floor plans, roof plans and elevations at a scale no less than 3/16-inch equals one foot, and the main details at a scale not less than 3/4-inch equals one foot or equivalent metric scale. Electrical plans shall be drawn at a minimum scale of one-quarter inch (1/4") equals one foot for all buildings of less than 5,000 square feet or equivalent metric scale, except that an isometric or riser diagram need not be to scale. Designated Electrical Equipment Rooms and Meter Rooms shall be drawn at a minimum scale of one-half inch (1/2") equals one foot or equivalent metric scale
