Appearing Before the Board

The Board highly recommends that if you have any concerns about your application – such as a low credit score, inability to supply references, lack of relevant work experience, etc. – you should request to appear before the Board when submitting your application. This will help reduce delays and expedite your application.

Affidavits

Please advise anyone preparing an affidavit that they may be contacted by Broward County to verify information provided. Affidavits must be submitted to substantiate the aforementioned required experience. Affidavits must be completed by your present or former licensed contractor employer.

Types of affidavits accepted:

- One notarized affidavit from a State of Florida or Broward County licensed contractor of equal or higher category of license than the one for which you are applying for; or
- One notarized letter from a licensed architect or engineer verifying required experience for the specific type of work performed; or
- Three notarized affidavits from out-of-state licensed contractors, with license numbers included, verifying the required experience for the specific type of work performed.

References

Please provide at least three credit references as follows:

- At least one from a local financial institution stating your accounts are in good standing.
- Two letters from supply houses or other similar business entities you have done business with.

All letters of reference should be **notarized**, include a contact number and, if applicable, a certificate of competency number. Providing more than the minimum number of required letters of reference will only **enhance** your application. The Board may or may not consider, at its discretion, letters of reference from homeowners you have performed work for.

Personal Credit Report

The Board highly recommends that you pull your credit report just prior to submitting your application. This will ensure the Board is presented with the most current information pertaining to your credit history. However, reports dated within 12 months or less may be used. If your report is over 90 days old, it must be accompanied by a notarized affidavit stating no material change has occurred since its preparation and that is substantially represents your current financial condition. **Your personal credit report must include your credit score.** If the credit score is less than **550**, you will have to appear before the Board to explain any area(s) of concern.

Business Credit Report

If you already have an active corporation, you should also provide a credit report for your business – also including the credit score.

Personal Financial Statement

If you have a personal financial statement, please include it with your application. If you do not, please include copies of your most recent bank statements.

Corporate Financial Statement

If you already have an active corporation, please provide a comprehensive financial statement – notarized by your accountant. The financial statement should not be over 180 days old. If over 90 days old, it needs to be accompanied by a notarized affidavit stating that no material change has occurred since its preparation and that it substantially represents your current financial condition and the business organization.

Fictitious Corporate Name

If the firm is not incorporated but is operating under a **trade name** – other than your proper name – the company must conform to Florida Statute §865.09 and must be properly registered with the Florida Division of Corporations.

Business Organization

If you are qualifying a corporation, you are required to provide:

- A copy of the front page of your Article of Incorporation
- A copy of the page listing the corporate officers
- A written statement from the Secretary of State certifying the corporation is current
