SATISFACTION SURVEYS

Ms. Johnson was really helpful and I'm so grateful for the sessions that was talked with her. Today was my last session and overall looking back things are so much better

I am mad that we left the school, I looked forward to seeing her every week.

Mrs. Elizabeth has helped me find my confidence to be the person I've dreamed to be, she has helped me overcome my challenges through tough love and positive encouragement. i feel better with myself and happier than I've ever been. I would definitely recommend this therapist to anyone.

I really enjoyed doing these sessions with Mr. Torres, I never once felt judged in the sessions, and I feel good knowing that these practices I worked on will help me better myself.

My therapist helped me bring my grades up and keep me focused she worked with me for months to keep me on track and always there when I needed her I am forever grateful of her services.

Julie Metevia was extremely helpful with giving advice with my daughter to help for anxiety and panic attacks. She is an amazing therapist. Whenever I have a question she was there to answer it either by phone, in person or email.

SATISFACTION SURVEYS

The services we receive are invaluable. My child has had the opportunity to improve her mental health due to this program. The services received helped us identify a diagnosis and establish a treatment plan that has allowed her to get better and continues to help her work thru ongoing issues.

Dr. Johanna Logarzo was a positive impact on my daughter as she struggled and bottled feelings. My daughter needed a compatible, reliant, trustworthy therapist and I believe that Dr. Lagarzo was able to treat and assist my daughter.

Stephanie Macguire was wonderful with Layla and she felt very comfortable and supported by her. It's a great program and we are thankful for it.

We really like the services received.

That Miss Augustin is very helpful, nice, sweet and funny. And she was very great for me.

Ms. Augustin is an amazing counselor. She is fun, she helps you deal with your problems in the cutest way and understands how you are feeling. She is amazing.
