

# Climate Change Task Force Social Equity Subcommittee

## Sept 2019 Meeting Notes

### Task Force Members:

Sasha Forbes, NRDC  
George Cavros, SACE  
Ilan Kaufer, FPL

### Invited Guests:

Nancy Metayer  
Craig Cox

### BC Staff Support:

Jill Horwitz

### Goals for meeting were to discuss:

1. Aug presentation to CCTF
2. How to engage CCTF in future
3. Next steps for group (research/action/education/recommendations)

### Discussion:

- August presentation on equity to CCTF catalyzed conversation, introduced general terms and definitions. Case studies were from Miami Dade County. Examples from Broward neighborhoods on vulnerabilities would be helpful to advance conversation in future.
- Regarding a program or policy recommendation, there is interest in exploring opportunities in energy efficiency. Energy burden data would help to inform decision-making.
- Group expressed interest in understanding top priorities and vulnerabilities in Broward's LMI communities.
- Possible future step: reach out to universities for support in establishing a baseline understanding of equity + climate change for various sectors in Broward.

### Next Steps:

1. Group agreed to look for data gaps in existing studies, analysis & maps.
2. Jill Horwitz will send links to a few websites and resources for the group to review.
3. Jill Horwitz will send meeting notes and a doodle poll and for next meeting.
