Green Infrastructure - Food Deserts

Goal is to decrease food deserts, places where there is little access to healthy fresh food.

USDA FARA Food Desert (2013)
(1/2 mile criteria for urban tracts)
Data source: Anthony Olivieri, MURP

Percentage of City that is a Food Desert
- 51% to 100%
- 31% to 50%
- 0% to 30%
