Architect

Board Attorney
Charles M. Kramer, Esq.

Board Administrative Director
Dr. Ana Barbosa

—ESTABLISHED 1971—

At its meeting of October 13, 2022, the Board approved an interpretation of Section 1512.2.1 of the FBC Building, 7th Edition (2020).

Formal Interpretation:

The intent of FBC 1512.2.1 is that when a proposed permitted roofing system utilizes a current and valid product approval, these product approvals may contain multiple pages describing a multitude of various roof systems. The Board has determined that it is not necessary to submit the entire product approval package with the roofing application submittal.

In an effort to reduce paperwork, it has been deemed only the necessary pages are required for permit submittal. Please select the system that matches your installation criteria and include only those pages that apply. (i.e. Cover Pages, Product Data Sheets, Specific Installation Pages, General Limitations, etc.)

EFFECTIVE DATE: October 24, 2022

*** PLEASE POST AT YOUR PERMIT COUNTER ***
