City of Tamarac  
7525 NW 88<sup>th</sup> Avenue  
Tamarac, Florida 33321-2401

Dear Mr. Cernech:

**Subject: Follow-up from City Commission Workshop on Radio Tower Site**

On August 21, 2017, County staff presented information at your commission workshop regarding the need for a radio tower site in the City of Tamarac. As discussed during the workshop, the County specifically highlighted the overall benefits of a radio tower being placed at the Police Station located at 7515 NW 88<sup>th</sup> Avenue. The presentation is attached for your reference.

As a follow-up, the city commission requested a copy of the map that illustrates the radio tower sites throughout Broward County. This map shows the existing radio tower sites as well as the locations under contract for the new sites that are needed to enhance the public safety radio system.

County staff is developing a draft agreement for your consideration. This agreement will address the concerns raised by the City, including maintenance and repairs of the tower.

As time is of the essence, we look forward to working expeditiously with the City to finalize any actions necessary to secure this site. If you have any questions, please contact me or Alphonso Jefferson, Jr., Assistant County Administrator at 954-357-7352 or via email at [ajefferson@broward.org](mailto:ajefferson@broward.org).

Sincerely,

A handwritten signature in blue ink, appearing to read "Bertha Henry".
