Tamarac, Florida 33321-2401

Dear Mr. Cernech:

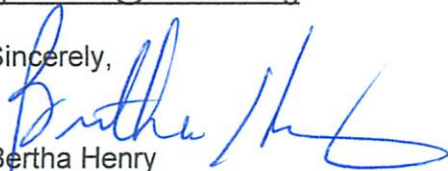

Subject: Follow-Up on Radio Tower Site in the City of Tamarac

On July 19, 2017, County staff met with you to discuss finalizing a radio tower site in the City of Tamarac. It is our understanding that your preferred location for the tower site is now the Police Station located at 7515 NW 88th Avenue.

Also, during the meeting, County staff briefly discussed findings from your consultant, Pallans Associates, regarding the radio tower site. Please find attached a response from the County's consultant, Mission Critical Partners.

We look forward to working with the City of Tamarac on finalizing any actions necessary to secure a tower site within the City. We will be in attendance at your city commission workshop on August 21, 2017, to present the information you have requested. If you have any questions, please contact me or Alphonso Jefferson, Jr., Assistant County Administrator at 954-357-7352 or via email at ajefferson@broward.org.

Sincerely,

Bertha Henry
County Administrator
