2024 ANNUAL VEHICLE INSPECTIONS

Once the Consumer Protection Division has processed your permit renewal fees and verified that all the information has been submitted and is complete, you will be eligible for your annual vehicle inspection. **No inspection will be conducted unless the Division has received all required documents and fees.**

Annual Vehicle Inspection Schedule

Location:	Port Everglades, Terminal 2 Ground Transportation Area (located inside the Northport Convention Center Garage, 1 st floor)	
Dates:	June 04 - June 06	8:30AM – 11:30AM
	June 12 & June 13	8:30AM – 11:30AM
	June 18 & June 20	8:30AM – 11:30AM
	June 26 & June 27	8:30AM – 11:30AM

Directions to Terminal 2 GTA

1. *From points I95 North or South, connect with I595 and proceed East.*
2. *Take the exit for US1 North and head to SE 17th Street.*
3. *Turn right on SE 17th Street and head east to Eisenhower Blvd.*
4. *Turn right on Eisenhower Blvd and proceed to SE 20th Street.*
5. *Turn left on SE 20th Street and proceed to the inspection area.*

Requirements at time of Inspection

- ⇒ **Copy of the company’s paid receipt for its permit(s).**
- ⇒ ***Current vehicle registration***

Any vehicle in line as of closing time will be inspected if the Division has the required information on the vehicle. Any vehicle that arrives after closing time will not be inspected.

Please be advised that any vehicle with a Certificate of Public Convenience and Necessity (Taxi or LS permit) that fails to complete and pass inspection by the last date listed above, will result in a \$50.00 late inspection fee. Further, any vehicle that fails to pass inspection by the last date listed above, will be required to schedule an inspection appointment at Government Center West (GCW) by downloading the QLess app, using the monitors in the GCW lobby or using the inspection link on our website.

If you have any questions or require additional information regarding this matter, please contact the Division at (954) 765-1700.

Broward County Consumer Protection (CPD) Vehicle Inspection Standards Checklist

Please use the enclosed Consumer Protection Division Vehicle Inspection Standards Checklist to prepare your vehicles prior to inspection.

- ✓ **Vehicles must be clean and presentable.**
- ✓ **Painted surfaces** must be free of grease and ground-in dirt (door jambs, door pillars, door sills, hood, exterior and interior of trunk lids).
- ✓ **Body** should be free of significant dents, creases, nicks, and other types of damage, including both bumpers, the front spoiler/shroud and windshield (free of cracks or chips).
- ✓ **Trunk interior** should be covered, clean and presentable, with an intact weather seal.
- ✓ **Equipment in the trunk** must be covered (spare tire, jack, and other).
- ✓ **Tires** should have sufficient tread, at least to a depth of 2/32".
- ✓ **Mechanical equipment**, listed below, must be in proper working order:

<ul style="list-style-type: none">▪ Headlights/high beams▪ Dash indicator lights work as to manufacturer specifications.▪ Front and rear directionals▪ Emergency flashers▪ Tail lights▪ Reverse lights▪ Brake lights – including center-mounted (“high-hat”) lights▪ Tag lights	<ul style="list-style-type: none">▪ Interior (dome) lights – must operate automatically when doors open or close.▪ Horn▪ Windshield wipers (with blades free of tears or excess wear)▪ Air conditioning (front and rear in luxury limousines and transport vans)▪ Window and door operators▪ No excessive smoke
--	--
- ✓ **Vehicle’s interior** should be clean and presentable, including the following:
 - Seat covers, headliners & floor covering: No rips, tears, holes, and cigarette burns, and secured under the door thresholds (sill plates)
 - Door weather seals: Intact
 - Seat belts: Properly working (one pair for each passenger the vehicle can accommodate)

Taxicabs ONLY:

- ✓ **Vehicle’s interior** must include a mechanism for displaying the driver’s chauffeur’s registration (hack license).
- ✓ **Exterior surfaces** must be painted based on the color scheme the Consumer Protection Division has approved for each taxicab company. This includes the vehicle’s door jambs and door sills.
- ✓ **Meter** must be:
 - Operational, properly sealed, and clearly visible to passengers.
 - Connected to a properly functioning tell-tale light on the roof of the vehicle.
- ✓ **Rate decals** must be posted on the inside of the windshield and on the inside of the rear passenger windows.
- ✓ **Vehicle number** must be the same as the permit number (on the rear outside panels, hood, and in the vehicle’s interior).
