Broward County
Phase 1 Openings Expansion

**BEACHES**
- Open sunrise to sunset
- Groups should not exceed 10 people
- Permitted activities: ocean activities like surfing, swimming, kayaking, and paddle boarding and recreational activities such as walking, running, and walking
- Prohibited activities: picnicking, sunbathing, sitting, lying on the beach, and group sports like volleyball, soccer, or football
- Must maintain a minimum of six feet of separation, except between members of the same household or group
- No umbrellas, canopies, chairs, loungers, or coolers allowed

**VACATION RENTALS**
- Suspended – only available for those exempted under the Governor’s Executive Order 20-87, which includes persons performing military, emergency, governmental, health, or infrastructure response

**HOTELS, MOTELS AND COMMERCIAL LODGING ESTABLISHMENTS**
- Establishments must impose capacity limits to ensure guests maintain physical distance in all common areas including check-in areas and elevators
- Guests must wear facial coverings in all common areas; employees must also wear facial coverings for all customer-facing activities and use gloves for activities such as cleaning guest rooms and carrying luggage
- Ballrooms and other special function spaces remain closed
- Guest rooms, courtesy shuttles, and other hotel areas must be deep cleaned
- Permitted amenities must comply with applicable Broward County guidelines

**COMMERCIAL GYMS AND FITNESS CENTERS, INCLUDING BUT NOT LIMITED TO DANCE, MARTIAL ARTS, YOGA, SPINNING AND PERSONAL TRAINING STUDIOS**
- Maximum 50% occupancy capacity
- Employees must have their temperature taken prior to commencing work each day and must wear facial coverings
- Patrons, including any children exercising or entering a childcare program, must have their temperature taken upon entrance
- Patrons must wear facial coverings except when physically exercising or during post-exercise cool down
- All persons must maintain social distancing and follow hygiene guidelines
- Exercise stations must be ten feet part (or six feet if protective barriers are placed)
- Fitness classes must restrict occupancy to ensure at least ten feet between persons
- Remove any unnecessary chairs, tables, or other furniture and all magazines and similar shared items
- Discontinue providing heart monitors, mats, blocks, bolsters, or similar equipment to customers
- Shower facilities must be closed, except for showers at facilities with pools but only for use to shower prior to entering the pool

**ALL OPEN ESTABLISHMENTS**
- Essential businesses may continue to operate
- Teleworking is encouraged
- Maintain social distancing
- Comply with CDC health and safety guidelines
