

ATTACHMENT 13
HOTELS, MOTELS, AND COMMERCIAL LODGING ESTABLISHMENTS

For the safe reopening of lodging and accommodations, it is important that employers and employees respect the myriad of protective measures to ensure the comfort and safety of guests and staff.

A. Operations Requirements

1. All establishments must comply with the applicable attachments to Emergency Order 20-21, as it relates to the specific uses within the hotel, motel, or other commercial lodging establishment.

2. Ballrooms and other function spaces must remain closed, except as permitted to operate in Section 7 below.

3. Guests must wear facial coverings in check-in areas, elevators, and all other common spaces, but not in rented rooms. The facial covering requirements applicable to the specific use areas (such as restaurants and fitness centers) shall be required in the specific use areas.

4. Establishments must impose capacity limits for common areas to adhere to the 6 feet social distancing requirements.

5. Maintain records of guest registration, staff work assignments, and facility usage for a minimum of 90 days to enable contact tracing. This includes maintaining guest registration records, employee work assignments, documentation of key control procedures including the electronic lock records, and security camera closed circuit tapes/files.

6. Create a page on your website or blog that outlines what you are doing to clean, sanitize and disinfect, and otherwise keep guests safe.

7. Ballrooms and other function spaces may be utilized only as follows: for meeting space in a classroom or similar meeting/training type setting, with facial coverings worn by all persons in accordance with Emergency Order 20-21, social distancing of at least six feet (6') between persons maintained at all times, and any consumption of food or beverage limited to single-person servings delivered by staff or designated personnel to attendees at their seats and consumed only while seated and socially distant. Occupancy of such spaces must not exceed fifty percent (50%) of the maximum occupancy of the applicable space. The function space, including all touch points and all meeting equipment (such as A/V equipment) and supplies to be utilized within the space, must be sanitized prior to being occupied. Social events or gatherings such as weddings and parties are prohibited. Except when operated pursuant to these limitations, ballrooms and other function spaces must remain closed.

All establishments must provide local COVID-19 guidance for guests. Broward County has a dedicated webpage that includes local information at broward.org/coronavirus. If the establishment is pet friendly, CDC guidance must be provided to guests regarding COVID-19 and animals.
