POOL DECKS, POOLS, AND OTHER RESIDENTIAL
RECREATIONAL AMENITIES IN HOUSING DEVELOPMENTS

Housing developments may impose more stringent requirements beyond those required by a Broward County Emergency Order.

Pool decks or pools in multifamily housing developments, condominium developments, condominium hotels, or single-family homeowner associations (collectively, "housing developments") may operate, subject to the following requirements:

1. Such pools and pool decks are used only by current residents of the housing development, their families, and their guests.
2. Six feet (6') foot social distancing CDC guidelines are adhered to;
3. Pool deck and pool occupancy are limited to no greater than fifty percent (50%) capacity; and
4. The housing development ensures that pool chairs, railings, gates, tables, showers, and other equipment at the pool and pool deck are sanitized on a regular basis.

Except as otherwise expressly allowed by any applicable Broward County Emergency Order, any use of these pool decks or pool areas that deviates from the CDC Guidelines or these requirements remains prohibited.
