

## Broward County Percent of Residents Vaccinated by Zip Code

Map shows the percentage of Broward County residents 12 and over who received at least one dose of COVID-19 vaccine by zip code as of Tuesday, August 17, 2021. Current and future vaccination sites are overlaid and represented by a syringe icon. Overall, 77% of Broward residents 12+ have received at least one dose. **Note:** This map does not include school-based vaccinations.
