Small Business Development Advisory Board Mission

The Broward County Board of County Commissioners established the Small Business Development Advisory Board in August 2001. The purpose of the Small Business Development Advisory Board is as follows:

- Identify and evaluate issues distinctive to Broward County businesses.
- Provide recommendations to the Board of County Commissioners and other government officials concerning enhancements to the County's procurement activities and practices.
- Enhance communication with, increase opportunities for, improve the economic viability of, and enrich the overall business climate for Small and Disadvantaged Business Enterprises within Broward County.
- Promote, to the greatest extent possible, the participation and use of Broward County businesses in the procurement activities of Broward County government with respect to the purchase of a variety of government services including construction, architectural/engineering services, commodities, professional services, and business services.
