Bank of America: <https://www.bankofamerica.com/smallbusiness/business-financing/>

The Bank of America Paycheck Protection Program application process is a completely automated and online process. Bank of America is accepting PPP applications in anticipation of additional SBA funding but restrictions apply. In order to apply, borrowers must have a checking account with bank of America effective February 15, 2020 and must be an online banking customer. Bank of America offers additional helpful tips and frequently asked questions on their website at:

<https://about.bankofamerica.com/promo/assistance/faqs/small-business-paycheck-protection-program>

SunTrust (Now Truist): <https://www.truist.com/coronavirus-response/help-center/business>

Truist is not currently accepting new SBA Paycheck Protection Program applications but continues to process and review applications already received. While Truist does not have a PPP point of contact, they are encouraging existing clients and applicants to check with the Loan Officer they have been previously working with and to check their website frequently. They are also keeping in contact with applicants via email to keep them updated on the process. Truist does offer tips and frequently asked questions at their website: <https://www.truist.com/coronavirus-response/help-center/business>.

PNC Bank: <https://www.pnc.com/en/customer-service/paycheck-protection-program.html>

PNC Bank is a participant in the Paycheck Protection Program but is not currently accepting applications in anticipation of re-funding of the program. PNC indicates that the backlog of unapproved applications from Round 1 is extensive and no decision has been made regarding accepting new applications, pending resolution of existing backlog. Application information is not available through individual branch locations and Loan Officers are working to process and prepare existing applications in the event that additional funding is approved. PNC had no restrictions on applicants with respect to existing banking relationships, etc. PNC does offer tips and frequently asked questions on their website at:

<https://www.pnc.com/en/customer-service/paycheck-protection-program.html#faq>

Iberia Bank: <https://www.iberiabank.com/business/business-loans/sba-loans/loan-assistance/>

Iberia is participating in the Paycheck Protection Program but focusing on their Iberia Bank clients at this time. Iberia does offer tips and frequently asked questions at their website:

<https://www.iberiabank.com/business/business-loans/sba-loans/loan-assistance/loan-faqs/>

Wells Fargo <https://update.wf.com/coronavirus/paycheckprotectionprogram/>

Wells Fargo does participate in the PPP and the website provides details about the application process and how small business owners can access PPP as a bank customer. The website homepage also contains helpful Frequently Asked Questions.

Black Business Investment Fund (BBIF) <https://bbifflorida.com/covid19resiliency/>

BBIF is accepting SBA PPP applications in anticipation of re-funding of the program. BBIF is also offering one-on-one technical assistance to potential applications to ensure strong applications, proper documentation, etc. Clients are encouraged to contact BBIF for application information and technical assistance at: ppploans@bbif.com. BBIF also offers tips and frequently asked questions at:

<https://bbifflorida.com/covid-19/>

Bank OZK (formerly Bank of the Ozarks): <https://www.ozk.com/business/lending/>

Bank OZK is allowing non-clients to apply. Don't have a dedicated person to call but, customers can go to their loan website (<https://www.ozk.com/business/lending/>) and complete an interest form online and they will respond and provide application technical assistance.

- 600 S, Andrews Avenue
Fort Lauderdale, FL 33301
1-800-274-4482

Technical Assistance

National Development Council (NDC)

NDC expects to participate in the Paycheck Protection Program in the event that it is re-funded and will have an open application process.

NDC is providing technical assistance to potential borrowers through a new webinar: “Helping Entrepreneurs complete strong PPP Applications” (visit at: <https://ndconline.org/2020/04/17/recording-helping-entrepreneurs-complete-strong-ppp-applications-an-overview-of-the-ppp-application-requirements/>)

For more information on assistance for borrowers interested in applying, contact Joe Gray, Director at: 561-537-0933. Website: <https://ndconline.org/technical-assistance/staff/>

Urban League of Broward County

The Entrepreneurship Center at the Urban League of Broward County is providing consulting assistance to potential SBA PPP applicants. Assistance includes necessary documentation, application overview and other application issues. For one-on-one assistance, clients are encouraged to contact the Center at: smallbiz@ulbcfl.org. You may also contact Bryan Cunningham, Certified Paycheck Protection Program Technical Assistance Provider at: 954-630-5107 or bcunningham@ulbcfl.org.

Black Business Investment Fund (BBIF): <https://bbifflorida.com/covid19resiliency/>

In addition to accepting SBA PPP applications in anticipation of re-funding of the program, BBIF is also offering one-on-one technical assistance to potential applications to ensure strong applications, proper documentation, etc. Clients are encouraged to contact BBIF for application information and technical assistance at: ppploans@bbif.com. BBIF also offers tips and frequently asked questions at: <https://bbifflorida.com/covid-19/>
