### **Broward County Board of County Commissioners Human Services Department, Elderly and Veterans Services Division Community Care for the Elderly (CCE), Alzheimer's Disease Initiative (ADI) and CCE Wait List Reduction (WLR) Programs In-home Services Application**

**Fiscal Year 2023**

The Broward County Human Services Department, Elderly and Veterans Services Division (BCEVSD) will be accepting electronic applications through 5:00 p.m. on Friday, November 4, 2022, to become a provider for in-home services under the Community Care for the Elderly (CCE), Alzheimer's Disease Initiative (ADI) and CCE Wait List Reduction (WLR) Programs.

BCEVSD provides case management directly to clients and enters into Referral Rate Agreements (RRA) with local vendors to serve elder residents who have been referred to us by the Area Agency on Aging of Broward County. Our clients and their caregivers require supports and services to maintain the elder client in the community. We are interested in contracting with additional vendors to provide in-home services to serve clients more effectively and efficiently in all geographical areas of Broward County.

A virtual workshop for all vendors interested in submitting applications will be held on Friday, October 21, 2022, at 10:30 am. The virtual workshop can be accessed via BCEVSD Website and by clicking on the Join the Workshop link located at <https://www.broward.org/ElderlyAndVeterans/Pages/Default.aspx>. A recording of the workshop will also be accessible at the above website. All applicants are required to certify that they viewed the Workshop on Exhibit A In-Home Standards Questionnaire.

Please be advised that mail-in applications and incomplete applications will not be processed and will be returned to vendors.

Please contact Francisco Munoz or Damarley Wallen at 954-357-6622 or email [EVSDVendors@broward.org](mailto:EVSDVendors@broward.org) for questions regarding ADA accommodations.
