Broward County Tree Preservation Trust Fund Application for Funding Instructions

Tree Preservation Trust Funds can be used for tree planting projects on public property and approved licensed childcare facilities. Funding can be used for trees and up to 20% of ancillary costs such as irrigation, landscape design, etc. If approved for funding, all projects (*except County projects*) are funded on a reimbursement basis subject to an approved agreement between the applicant and Broward County. No trees required by code will be funded. Approval is subject to the availability of funds.

All requests for funding are reviewed by the Tree Preservation Trust Fund Committee. The Committee reviews and approves projects based on the following criteria:

- Proposed project enhances tree canopy coverage in Broward County
- Percent native species utilized (*at least 50% required*)
- Low maintenance species utilized
- Watering and maintenance provisions included in the request
- Project follows proper arboricultural principles

You must include the following with your application:

1. A legible planting or landscape plan indicating the proposed locations, species and size of all trees proposed for funding
2. A cost estimate which indicates the total cost of the project
