**Application for Environmental Resource General License
 for Floating Vessel Platforms (FVP)**

To apply: dpep.broward.org/EPermits/ or mail to address above.

Application Fee: \$100.00 (payable to the Broward County Board of County Commissioners)

1. Address of proposed work: _____

2. Applicant: _____

Street: _____ City: _____

State: _____ Zip: _____ Telephone: _____

Email: _____

3. Agent processing application: _____

Street: _____ City: _____

State: _____ Zip: _____ Telephone: _____

Email: _____

4. Please provide the following documentation: proof of property ownership or consent of the property owner, a sketch showing the estimated FVP location and size (with dimensions of all existing FVPs) and a description of the proposed FVP (manufacturer's website info is adequate for this purpose).

5. I hereby attest that my FVP will at all times meet all the following criteria:

- Float at all times in the water for the sole purpose of supporting a vessel so that the vessel is out of the water when not in use;
- Either (i) be wholly contained within a boat slip previously permitted under Sections 403.91-403.929, or Part IV of Chapter 373, Florida Statutes; (ii) will not exceed a combined total of five hundred (500) square feet, or two hundred (200) square feet in an Outstanding Florida Water, or (iii) when associated with a dock that is exempt under Section 403.813(1)(s), Florida Statutes or is associated with a permitted dock with no defined boat slip or attached to a bulkhead on a parcel of land where there is no other docking structure;
- Will not be used for any commercial purpose or for mooring vessels that remain in the water when not in use, and does not substantially impede the flow of water, create a navigational hazard, or unreasonably infringe upon the riparian rights of adjacent property owners, as defined in Section 253.141, Florida Statutes;
- Will be constructed and used so as to minimize adverse impacts to submerged lands, wetlands, shellfish areas, aquatic plant and animal species, and other biological communities, including by locating such structures in areas where seagrasses are least dense adjacent to the dock or bulkhead; and,
- Will not be constructed in areas specifically prohibited for boat mooring under conditions of a permit issued in accordance with Sections 403.91-403.929, 1984 Supplement to the Florida Statutes 1983, as amended, or Part IV of Chapter 373, Florida Statutes, or other form of authorization issued by a local government.

I attest the above is true and correct: _____
