

BROWARD COUNTY AND MUNICIPAL HISTORIC PRESERVATION PROGRAMS

CLG Historic Preservation Programs - November 2021

1. Broward County CLG

Effective November 15, 2021, Broward County's Historic Preservation Ordinance, Historic Preservation Board (HPB), and program expands to cover 24 municipalities and the BMSD ⁽¹⁾. Eleven (11) of these municipalities (shown underlined) were not previously included in the Broward County CLG for historic preservation and archaeology.

Notes:

(1) *"This article shall be effective countywide except in any municipality that is designated as a Certified Local Government (CLG) and has an ordinance that preserves historical sites and structures and that prohibits ground disturbance of archaeological historic resources. Any municipality that has enacted a local historic resource ordinance prior to November 15, 2019, but that is not designated as a CLG shall have two (2) years from such date to obtain CLG status. In the event a municipality with a local historic resource ordinance does not obtain CLG status within the two (2) years set forth in this subsection, this Ordinance shall control in said municipality."* Sec. 5-530 (c) Broward County Code of Ordinances as amend by ordinance 2019-28.

(2) CLG application pending State approval.
