## **Old Business**

### **CAC Mission/Purpose:**

Committee Chair Reniese McNeal stated that the Committee needs an understanding of what it was created for and what the Committee is tasked to do.

Patrice Paldino suggested that the Committee that members should think about what they envision and how they want to impact the community to help design the mission/vision.

An attachment was given to Committee members that was previously created with a mission/vision. The Committee will take time to review the document and come back with suggestions.

### **2025 Homeless Symposium:**

The Committee discussed potentially having a Homeless Symposium in June of 2025 in South Broward then in 2026 having it in North Broward. The goal is to target areas outside of Ft. Lauderdale so that individuals experiencing homelessness are provided with information and services. The location for the 2025 Homeless Symposium will most likely be in Hollywood but is still being discussed.

There was a brief discussion regarding the Homeless Symposium questions and the need for them to be strategic.
