Henderson Central Receiving System CRS System:

William King informed the Committee that a report was given showing that the City of Plantation Police have had a significant increase in of the number of individuals being entered into the CRS System. William King explained that the CRS System is a center that police officers in the 31 municipalities can take an individual to instead of them being arrested for trespassing or a misdemeanor. There are four locations that the individuals can be taken to for assessment and treatment services. William King stated that a Henderson representative meets with the police departments to inform them of this service.

Housing Action Committee new membership

William King stated that the Committee is looking for new members.

AHF Project

Nick Pascucci gave the Committee a brief update on the new project that the county has started with the Aids Health Foundation.
