Broward County Housing Finance and Community Redevelopment Division (HFCRD) intend to apply to the Florida State Department of Economic Opportunity’s (DEO) Rebuild Florida Critical Facility Hardening Program. The HFCRD will apply for approximately $450,000 to harden the facility located at 110 NE 3rd Street, Fort Lauderdale, Florida. The HFCRD intend to replace all windows, doors and blocks fixtures with impact windows and doors. The purpose of hardening the HFCRD’s facility is to ensure continued operations of the facility in the aftermath of a disaster. The HFCRD is the lead agency in maintaining and implementing the Disaster Housing Strategy. The Disaster Housing Strategy is intended to be used a guide for post disaster housing and applies to the unincorporated areas in Broward County, and a template for incorporated municipalities. The strategy is consistent with the concepts that are identified in the National Disaster Housing Strategy and the State of Florida Disaster Housing Plan.
