ARTICLE 3

MANAGEMENT RIGHTS

It is understood that the County has the right to operate the department and divisions of Port Everglades and this Agreement shall not be construed to limit in any way the right of the County to manage and operate its business.

In order to fulfill this commitment and responsibility, management shall have the right, subject to the terms and conditions of this agreement, to:

1. Hire, promote and evaluate employees.
2. Discipline, demote, suspend or discharge employees for just cause.
3. Determine unilaterally the purpose of each department, division or operation.

ARTICLE 4

GRIEVANCE PROCEDURE

Section 1 Grievance Procedure

A grievance shall be defined as any controversy or dispute arising between the parties involving questions of interpretation or application of the terms and provisions of this Agreement and other conditions of employment. Having a desire to create and maintain labor relations harmony between them, the parties hereto agree that they will promptly attempt to adjust all complaints, disputes, controversies or other grievances arising between them involving questions of interpretation or application of the terms and provisions of this Agreement and other conditions of employment. A class action grievance is a grievance that involves more than three (3) specifically named employees (who all must sign the grievance form). Class action grievances may be initially filed at Step 2 of the grievance procedure.

Section 2

Thus, should differences or disputes arise between the parties to this Agreement or between the employees covered herein and the County, other than cases of discharge and/or suspension, the aggrieved party to this Agreement or employee, or employees, as the case may be, shall use the following procedures:

- Step 1.** In the event that an employee believes there is a basis for a grievance, said employee and/or a Union representative shall present a formal grievance in writing to the employee's division head within five (5) working days of the date of the occurrence of the event giving

rise to the grievance. The Formal Grievance shall be presented on the designated form, signed by both the grievant (s) and a representative of the Federation, which shall contain all known facts supporting the alleged grievance and the specific Article(s) and Section(s) which is alleged to be violated. Upon presentation of this written grievance to the division head, and within five (5) working days thereafter, the division head, the employee and the Union's representative shall attempt to resolve the same dispute and, within five (5) working days thereafter, the division head shall render a decision in writing to both the employee and to the Union.

Step 2. In the event the aggrieved employee and/or the Union is not satisfied with the written answer to Step 1 above, the said grievance shall be presented within five (5) working days after the written answer above to the Port Director, or his/her designee, who will, within five (5) working days of the receipt of same, meet with a representative of the Federation in an attempt to resolve the said grievance. At this meeting, the employee and/or the on-site Federation representative may also be present. Within five (5) working days after this meeting, the Port Director or his/her designee shall render a decision in writing.

Section 3

In the event an employee is discharged and/or suspended by the County, the aggrieved party to this Agreement or employee or employees shall, within five (5) working days of written notice of discharge and/or suspension grieve his/her discharge and/or suspension to the Port Director, or his/her designee who shall, within five (5) working days of the receipt of the same, meet with a representative of the Federation in an attempt to resolve the grievance. At this meeting the employee and/or the on-site Federation representative shall also be present. Within five (5) working days after this meeting, the Port Director shall render his/her decision in writing.

Section 4

With respect to discharge and/or suspension, the County shall notify the affected employee no later than ten (10) working days from the date the County fixes the responsibility for the incident upon which the discharge and/or suspension is based. The County's failure to comply with the ten (10) working day period shall constitute a waiver of its rights to take any disciplinary action against the employee or employees, including, but not limited to, oral reprimand, written reprimand, suspensions or discharges, for the incident.

Section 5

The time limitations provided in this Article shall be strictly observed and shall be extended only by written agreement of the parties. In the event that the County fails to comply with any of the aforesaid time limitations in Steps 1 and 2 of the grievance procedure or Sections 3 and/or 4 of this Article, the grievant may file to the next level in the grievance procedure, prior to arbitration. In the event that the Federation fails to

comply with any of the aforesaid time limitations in Steps 1 and 2 of the grievance procedure or Sections 3 and/or 4 of this Article, the grievance shall be deemed denied and no relief granted. If a grievance meeting is re-scheduled at the request of either of the parties, the time frames will be automatically extended to allow for re-scheduling of the grievance meeting.

Section 6

Application to this procedure shall foreclose the grievant from appealing to any other available County procedure or vice-versa.

Section 7

Nothing in this Article shall require the Federation to process grievances for employees who are not members of the Federation, in conformity with Florida law.

ARTICLE 5

ARBITRATION

Section 1: Arbitration

In the event any disputes and/or differences, including discharges and suspensions, have been properly processed through the grievance procedure without resolution, the Federation may demand arbitration and this demand, in writing, shall be presented to the Port Director, or his/her designee, within ten (10) working days from the receipt of the decision of the previous step.

The Arbitrator shall be appointed by mutual consideration of the parties. Either party may petition the Federal Mediation and Conciliation Service (FMCS) and request a list of five (5) qualified arbitrators and from said list the parties shall alternately strike and select a single arbitrator to preside as a neutral at the hearing involving the grievance. Such written petition to FMCS must be mailed (certified, return receipt requested) or sent via facsimile, with a copy simultaneously sent to the other party, within twenty (20) working days after arbitration is demanded.

The decision of said arbitrator shall be final and binding upon both parties. The arbitrator shall not be empowered to alter, amend, add to, or eliminate any provisions of this Collective Bargaining Agreement. The losing party in an arbitration will pay the expenses of the Arbitrator. Each party shall be responsible for any additional expense (included but not limited to representatives, attorneys, transcripts, witnesses) it chooses to incur.

Section 2

In the event that any employee has been suspended and that suspension is upheld, that employee, upon the expiration of that suspension, shall be fully reinstated to his or her former position with no loss or impairment of any of his or her rights under this Collective Bargaining Agreement or other rules and regulations of the County.

ARTICLE 6

IMPASSE RESOLUTION

In the event that there is an impasse in negotiations concerning the negotiation of a new collective bargaining agreement or the mutual amendment of an existing collective bargaining agreement, the parties agree that the resolution of any impasse issues shall be governed by the provisions of Florida Statutes Chapter 447, as amended.

ARTICLE 7

ON-SITE REPRESENTATIVE

Section 1

The Federation shall have four (4) on-site representatives and four (4) alternates, and shall notify the County of those representatives by mail. The Federation shall then designate from among the four (4) on-site representatives a chief on-site representative.

Section 2

The on-site representative will be given up to fifteen (15) minutes with pay to discuss any grievance with a unit member. If a grievance is filed and processed, the on-site representative will be permitted to attend any grievance meeting called by the County without loss of pay.

Section 3

The chief on-site representative shall have the right to attend any and/or all meetings, conferences, etc., between the Authority and the Federation concerning rates of pay, rules and/or working conditions affecting employees within the designated unit at no loss of pay.

Section 4

The chief on-site representative will be permitted two (2) days off per year and the alternate one (1) day off per year without loss of pay to attend an officially sanctioned Federation seminar, meeting or convention.

Section 5

For purposes of reduction in work force, the on-site representative shall be entitled to super seniority.

ARTICLE 8
BULLETIN BOARDS

The County shall provide the Federation with reasonable space and access to existing Port Everglades Department bulletin boards in those Divisions where members of the Federation are employed and the Federation may erect bulletin boards where none exist. Space designated for the Federation shall not be used for County notices or bulletins. All notices or bulletins of the Federation that are to be posted must be submitted to the Port Director or his/her designee for approval prior to posting with a copy for the County. There shall be no other general distribution or posting by employees of pamphlets, advertising or political matter, notices, or any kind of literature upon County property other than as herein provided. The bulletin boards, authorized by the County for use by the Federation, may be used by the Federation, under terms of this Article, only for the purpose of posting the following notices and announcements:

- A. Notice of Federation meetings and minutes of meetings;
- B. Notices of Federation elections;
- C. Notices of Federation appointments to office;
- D. Notices of Federation recreational, social affairs, benefits, and other Federation activities.

Approval of the above-enumerated notices shall be granted by the Port Director or his/her designee unless the material violates the provisions of this Agreement or is harmful to employee labor relations.

Any document that is posted without prior approval as required in this Article shall be removed and repeated posting of non-approved documents may result in the privilege of such use of the bulletin boards being withdrawn.

ARTICLE 9

PROMOTIONS AND VACANCIES

It shall be the policy of Broward County to encourage promotion from within, whenever feasible, consistent with qualified staffing and affirmative action goals. A promotional system will be maintained encompassing merit principles which will recognize County service, including related experience with Port Everglades as a major factor in promotions along with qualifications and work records. It shall be the objective of the County to encourage promotion from within, free of political considerations, nepotism or other forms of favoritism or unlawful discrimination. Promotional appointments shall not be grievable except in cases where the party (s) can substantiate that one of the above considerations resulted in such appointment.

ARTICLE 10

WORKING OUT OF CLASS

Section 1

Whenever an employee is requested to perform the tasks of a higher graded position that employee shall receive the rate of pay of that higher graded position or five percent (5%) above his/her regular rate of pay if the rate of pay for the higher graded position is less than five percent (5%) over and above that employee's regular rate of pay and his/her regular position whichever is greater for each and every hour worked in any higher grade during that contract year.

Section 2

An employee temporarily assigned to a lower graded position shall be compensated at the rate of pay received in his/her regularly assigned job grade.

ARTICLE 11

SAFETY

Section 1

The County agrees that the Port Director shall establish a Safety Board which shall convene monthly during normal business hours. The County further agrees that one representative from this bargaining unit shall serve on the Board at no loss of pay and/or other fringe benefits. The business of the Board shall consist of periodic review of occupational and safety standards at the Department of Port Everglades and review of all safety complaints made by employees. Any resolution and/or recommended action by the Board shall be directed, in writing, to the Port Director or his/her designee to be acted upon immediately.

Section 2

Employees in classifications/positions where it is warranted will receive one pair of safety shoes per fiscal year. The County Safety Coordinator will be responsible for deciding what positions receive safety shoes and the Safety Coordinator's decision will be based on the recommendation of the Division Safety Committee representative and the Safety Coordinator's interpretation of OSHA requirements. Management shall determine the type and quality of such shoes.

Those employees designated to receive shoes will be reimbursed one hundred percent of the price of safety shoes up to \$ 100.00 annually.

ARTICLE 12

WORK WEEK

Section 1

The work week of all employees shall be five (5) consecutive days followed by two (2) consecutive days off. In the event that there is any change in any of the employee's work schedule, the County shall give notice to both the employee and the Federation, in writing, two (2) weeks prior to any change. When an emergency exists, the two (2) week notice requirement may be waived.

ARTICLE 13

OVERTIME

Section 1

All hours authorized and worked in excess of forty (40) hours in a seven (7) days work period shall be compensated at one and one-half (1½) times the employee's straight time base hourly rate of pay. Additional hours worked under forty (40) hours in a week to make up for time adjustment or other non-worked hours will be paid at straight overtime (not time and a half). There shall be no compensatory time in lieu of overtime pay. Overtime will be paid in fifteen (15) minute increments. The following hours shall be computed as hours worked for the sole purpose of computing eligibility for the overtime rate:

- A. Hours off for workers' compensation;
- B. Sick leave bonus hours;
- C. Call back pay as defined in Section 2, shall only be computed as time worked for determining overtime eligibility, the intent being to help toward making the work week whole, in either of two cases:
 - 1. Where an employee has utilized authorized sick leave during the scheduled work week; or
 - 2. Where an employee receives a time adjustment of up to 2.5 hours per week (for example, the adjustment between the normal work week of 37.5 hours to 40 hours), however, not more than 2.5 hours of call back pay per week shall cause the time adjustment to be considered hours worked.

- D. Holiday pay, as defined in Article 15, shall be computed when the designated holiday is an employee's normally scheduled workday and the employee is given the day off in observance of the holiday;
- E. Annual leave hours shall be computed only when such leave is prescheduled and approved according to the vacation schedule provisions of Article 16; or when annual leave hours are requested and approved prior to the employee's knowledge that overtime has been scheduled during the week the annual leave is requested/approved.
- F. Bereavement Leave Hours;
- G. Jury Duty Leave hours paid;
- H. Emergency Working Condition Hours as described in Section 3 of this Article.

All other hours paid but not worked shall not be computed as hours worked.

Section 2: Call Back Pay

Any employee who is called back to work at a time other than his/her regularly scheduled hours of work/shift shall be granted a minimum of four (4) hours compensation at one and one-half (1 1/2) times his/her regular rate of pay regardless of time actually worked.

Section 3: Emergency Working Conditions

Due to conditions beyond the control of the Employer, including but not limited to things such as hurricanes, windstorms and tornados, if the County Administrator declares

an emergency and directs the County to begin Emergency Operations, bargaining unit members shall be compensated as described below:

- A. Any employee regularly scheduled to work during the declared emergency who is ordered by the Employer's management not to report or to go home prior to the completion of their shift will suffer no loss of pay. Any employee who is on pre-approved sick leave, annual leave or personal day before the declared emergency will suffer no loss of pay and the applicable leave bank shall not be deducted. Such hours paid but not worked will not count as hours worked for computing premium (time and one-half) overtime eligibility.
- B. Any employee who is ordered, or assigned as a result of volunteering, by the Employer's management to work during the declared emergency shall be compensated at double their straight time base hourly rate for all hours actually worked. This compensation is in lieu of any other compensation.

ARTICLE 14

WAGES AND PAY PLAN

Section 1

The County and the Federation recognize and agree that the wage and pay plan provided in Appendix A-1 of this Article shall constitute the official pay plan governing all persons employed in classifications included in this bargaining unit.

Section 2

For FY 2010/2011, there shall be no step movements of any type for eligible employees as described below in this section or else in this agreement. Individuals hired into a position included in this unit shall assume the first step in the grade to which that position is assigned. Upon successful completion of a six-month probationary period, the employee's pay step shall be adjusted upward one step at the conclusion of one year of service in grade and upon the annual anniversary, the employee will be advanced two (2) pay steps until such time as the employee has reached the maximum pay step in the grade to which he/she is assigned. Such adjustments are, however, subject to satisfactory performance.

Section 3

When an employee is promoted to a position assigned to a higher grade, his/her wage rate shall be adjusted to the minimum pay step in the higher grade. If the employee's current pay step exceeds the minimum pay step in the higher grade, the employee's wage rate shall be increased by two (2) steps provided it does not exceed the maximum of the new grade. The employee shall then be eligible for step increases as provided in Section 2 of this Article.

Section 4

When an employee is demoted to a position assigned to with a lower grade, his/her pay step shall be decreased by three (3) pay steps provided that the decrease is not below the minimum of the new grade. If the adjustment would place the employee's pay step below the minimum step for the lower grade, the employee will assume the first step in the lower grade.

Section 5 **Fiscal Year 2010/2011**

1. Effective October 1, 2010, all pay range minimums and maximum rates of the pay grade will remain the same, as reflected in Appendix "A-1".

2. Eligible bargaining unit employees shall not receive a wage increase for FY2010/2011.

3. Eligible bargaining unit employees that have previously received step movement(s) upon anniversary date since October 1, 2010 as described in Section 2 of this Article, shall have their base hourly rate revert back to their base hourly rate on September 30, 2010. Furthermore, these employees that have received monies from the step movement or from a one-time gross lump sum amount as a result of being at or above the top step of the range, shall reimburse the County for the total amount of the wage increase.

Section 6

In addition to the straight time base hourly rate, effective the first full pay period in October 2006, (October 8, 2006) bargaining unit employees will be paid a shift differential of seventy cents (\$0.70) per hour for hours actually worked on the third shift and one

dollar and ten cents (\$1.10) per hour for hours worked on the first shift. Employees will receive the shift differential if they work a full eight (8) hours on first shift.

For purposes of this article, shifts shall be defined as:

Second Shift: All work shifts which begin between 4:00 a.m. and 11:59 a.m.

Third Shift: All work shifts which begin between 12:00 noon and 7:59 p.m.

First Shift: All work shifts which begin between 8:00 p.m. and 3:59 a.m.

HOLIDAYS

Section 1

The following holidays will be observed as holidays for County employees of this bargaining unit:

New Year's Day	Veteran's Day
Martin Luther King's Birthday	Thanksgiving Day
Memorial Day	Day After Thanksgiving
Independence Day	Christmas Day
Labor Day	

Any holiday adopted by the Board of County Commissioners shall be incorporated by reference as a holiday with respect to the employees covered by this Agreement.

Section 2

In the event that any of the aforementioned holidays fall within an employee's regular work week, the employee shall be compensated at his/her regular rate of pay and shall receive the day off.

Section 3

If the observed holiday falls on the employee's regular scheduled day off, the employee will be given holiday pay as defined in Section 6 in addition to the normal scheduled work week at straight time rate of pay; or if the employer gives the employee another day off with pay, the day off will be in lieu of the holiday pay as defined in Section 6 below and shall be taken within sixty (60) days.

If the employer gives an employee who works the designated holiday another day off, the day off will be in lieu of the holiday pay as defined in Section 6 below and shall be taken within sixty (60) days. Section 6 would apply to actual hours worked on the

designated holiday.

Section 4

If a holiday(s) falls on a weekend for employees who are regularly scheduled to work Monday through Friday, said employee shall receive the Monday following the weekend or the last working day prior to the holiday to replace that holiday. The County shall designate the day to be taken off in lieu of said holiday.

Section 5

Whenever a holiday listed in this Article falls on a Saturday or Sunday, and the County designates a Friday or Monday as the holiday that designated day will apply only for employees working Monday through Friday schedules. For all other employees only, the actual holiday will be applicable for purposes of this Article.

In no case will any employee be entitled to consider both the actual and the designated holiday as a "holiday" for the purposes of compensation and time off in the application of this Article.

Section 6

Any employee who works on a designated holiday shall receive eight (8) hours holiday pay at the employee's regular rate of pay plus one and one-half (1 1/2) times his regular rate of pay for all hours worked on the holiday.

Section 7

The employee shall not be entitled to pay for any holiday falling during a layoff or unpaid leave of absence. If a holiday falls during an employee's vacation, the employee will be entitled to extend his/her paid vacation by one day for each holiday observed

during the vacation provided the employee's supervisor is advised in writing and approves such vacation extension before the employee begins his/her vacation leave.

Section 8

In order to receive holiday pay, an employee must have worked the scheduled shift on the day preceding and the day following the holiday.

Absence from work on the day preceding or following the holiday will not deprive an employee of holiday pay only if due to previously scheduled vacation, death in the employee's immediate family, illness substantiated by physician's certificate, or job related injuries. However, if an employee is not on approved paid leave and does not work their scheduled shift on the day before and the day after a holiday, he/she will not be paid for the holiday.

Section 9

An employee who fails to work his/her scheduled work day on the holiday forfeits the holiday pay for that holiday unless the employee provides a physician's certificate as to his/her physical condition being incapacitated on the actual day missed. If, however, an employee provides a physician's certificate, the employee shall receive holiday pay plus sick leave pay for that day. An employee who does not provide a physician's certificate and is otherwise eligible to use sick leave, will be compensated for the sick leave only.

Section 10

Employees will be granted sixteen (16) hours paid leave per calendar year to be utilized for personal business. Personal days shall be in the form of Annual Leave, credited to the employee's annual leave accrual balance effective on the first full pay period in January.

Section 11

In the event the Board of County Commissioners for Broward County, Florida designates a paid holiday, other than those listed in Section 1, for employees of other bargaining units, the parties agree that the employees covered by this Agreement will likewise enjoy said holidays, on the same terms and conditions set forth in this article.

ARTICLE 16
ANNUAL LEAVE

Section 1: General

Annual leave may be requested for personal or emergency reasons or for vacation. Vacations are for the purpose of rejuvenating both physical and mental faculties and all employees are urged to avail themselves of vacation periods. No employee shall receive pay in lieu of annual leave unless recommendation is made by the Division Director and specific approval is given by the Port Director, and such payment is in accord with the provisions of this collective bargaining agreement.

Section 2: Eligibility and Rate of Leave Accrual

All employees in the bargaining unit shall be entitled to earn and accrue annual leave. Employees begin to accrue leave immediately upon employment. Annual leave shall be earned as follows:

<u>YEARS OF EMPLOYMENT</u>	<u>HOURS EARNED PER YEAR</u>
Less than five (5) years	Eighty (80) hours
Five (5) through nine (9) years	One hundred twenty (120) hours
Ten (10) years and over	One hundred sixty (160) hours

An employee's annual leave pay will be based on the employee's bi-weekly pay rate in effect at the end of the pay roll period completed just prior to the beginning of annual leave.

Section 3: Requests for Leave

A request for annual leave shall be submitted to the employee's immediate supervisor on an approved form designated by the Human Resources Division. Leave may be taken only after approved by the employee's division director so that the department/division can function smoothly and efficiently. Annual leave will be granted, when practicable, in line of department/division seniority and in accordance with employee preference, but it is understood that the efficient operation of the Department shall be the first consideration.

Leave may only be used as earned and annual leave with pay shall not be allowed in advance of being earned. If an employee has insufficient leave credits to cover a period of absence, no allowance for leave shall be granted in advance or in anticipation of future leave credits. In such cases, payroll deductions for the time lost shall be made for the period during which the absence occurred.

Employees may request annual leave after six months of full time regular employment with the County.

In the event that an employee's scheduled annual leave must be canceled due to operational needs of the Department, the employee shall be given at least thirty (30) days notice, except in the case of emergencies.

Employees must submit a written request for annual leave dates prior to March 1 of each calendar year on a form that will be distributed to all employees no later than January 2 of each calendar year. Once approved, any changes in an employee's annual leave schedule must be approved by his/her division director. No such change shall be

unreasonably denied.

Section 4: Minimum Charge

One hour is the minimum charge for either annual or sick leave, and additional leave is charged in multiples of one hour. Absences on separate days are not combined. If, for example, an employee is absent a half hour on two separate days, the minimum charge is two hours.

Section 5: Use of Annual Leave

Annual leave shall be granted in accordance with Section 3 for the following purposes:

- (a) Vacation.
- (b) Absences due to illness of members of employee's family.
- (c) Absences for transaction of personal business which cannot be conducted during off-duty hours.
- (d) Religious holidays other than those designated by this collective bargaining agreement as official holidays or designated by the County as holidays.
- (e) For uncovered portions of sick leave, once such leave has been exhausted through illness. However, employees may not use sick leave for annual leave.
- (f) Any absences from work not covered by other types of leave provisions established by this collective bargaining agreement.

Section 6: Accumulation of Annual Leave

The maximum annual leave that may be carried over from one calendar year to the

next shall not exceed a total of 280 hours accrued leave. The date for computation of excess leave for each year shall be the end of the last pay period in December.

It is the intent of this agreement that employees take their annual leave yearly for the period in which it was earned. Employees carrying excess annual leave should be given the opportunity to use the excess leave. Any deviation from the authorized maximum accumulation must be documented and must be approved by the County Administrator.

If for extraordinary circumstances, an employee is unable to use sufficient accrued annual leave to reduce his/her annual leave balance to below the maximum level by the last pay period in December of any calendar year, the County Administrator may allow the employee to take the excess annual leave by March 31 of the following calendar year. In such cases, excess leave not used by March 31 shall be forfeited.

Section 7: Payment of Unused Annual Leave Upon Separation

When an employee is separated in good standing from service with the County, he/she shall be paid for all accrued and unused annual leave on a one hour pay for each hour accrued leave basis.

Section 8: Compassionate Annual Leave

Employees covered by this Agreement may participate in the County's Compassionate Annual Leave Donation Program and are subject to the same guidelines and eligibility requirements as non-represented employees.

ARTICLE 17

SICK LEAVE

Section 1

Employees, including probationary employees, will earn credit of eight (8) hours of sick leave for each month of service. Such credit will be accumulated from the date of employment and shall be unlimited. An employee who does not use sick leave for a period of thirteen (13) pay periods will have one (1) bonus day added to his/her annual leave.

In order to qualify for sick leave, employees must notify their job site of their illness as soon as practicable, but not later than one (1) hour after the start of their scheduled shift, except in cases of emergency such notification shall not exceed two (2) hours after the shift starts.

Section 2

Employees who have successfully completed an initial probationary period and who are otherwise eligible to earn and use sick and annual leave may be allowed to use up to a maximum of forty (40) hours of their accrued sick leave in any one calendar year to care for an ill immediate family member. Immediate family shall be defined as the employee's spouse, registered domestic partner, father, mother, son, daughter, stepson/daughter if domiciled in the employee's household, and persons determined "in loco parentis" (in the place of the parent) by the Human Resources Director.

Section 3

When an employee is disabled because of an occupational injury or illness incurred while performing assigned duties for the County, for which he/she is eligible to receive

Workers' Compensation payments, he/she will be subject to the Broward County Risk Management Division policies and procedures. All bargaining unit employees will be entitled to supplemental disability payments from the County, in accordance with the provisions of Chapter 14 of the Administrative Code and without charge to sick or annual leave.

In addition, such employee may elect to receive additional supplementary salary payments during the time such Workers' Compensation is paid which will provide him/her with approximately the same net pay as he/she had received prior to the disability. If he/she so elects sick leave credits in hours accumulated as of the beginning date of the disability will be used to provide such supplement. The credits will be valued according to the employee's daily rate of pay at the time the disability began and the amount of the supplement will be charged against such credits when paid bi-weekly.

Section 4

Employees covered by this Agreement may participate in the County's Sick Leave Donation Program subject to the same guidelines and eligibility requirements as non-represented employees.

Section 5

Accrued sick leave credits can be used during the probationary period. A permanent employee who is absent from work and disabled because of a job related injury or a job related illness will continue to accrue sick leave hours during such period of paid leave of absence.

Section 6

All employees hired or transferred into a bargaining unit position prior to January 1, 2005 and have continuously served in said position, will be paid thirty percent (30%) of the value of the sick leave accumulated to his/her credit at the time of separation, provided the employee leaves employment in good standing. If an employee retires under the provisions of the Florida Retirement System he/she will be paid one hundred percent (100%) of the value of the sick leave accumulated to his/her credit at time of separation. Upon death of employee one hundred percent (100%) of the value of accumulated sick leave will be paid to the employee's beneficiary as named on the employee's group insurance policy. The maximum pay out for employees hired or transferred into the bargaining unit prior to January 1, 2005, shall be one hundred forty (140) days of sick leave credit.

All employees hired or transferred into a bargaining unit position on or after January 1, 2005, shall be paid twenty-five percent (25%) of the value of their sick leave accumulated to his/her credit at the time of separation, provided the employee leaves employment in good standing. If an employee retires under the provisions of the Florida Retirement System he/she will be paid fifty percent (50%) of the value of the sick leave accumulated to his/her credit at time of separation. Upon death of employee, fifty percent (50%) of the value of accumulated sick leave will be paid to the employee's beneficiary as named on the employee's group insurance policy. The maximum pay out for employees hired or transferred into the bargaining unit after January 1, 2005, shall be nine hundred sixty (960) hours of sick leave credit.

Section 7

Except where amended in this contract, the sick leave provisions of Chapter 14 of the Administrative Code shall apply to bargaining unit employees.

ARTICLE 18

LEAVE OF ABSENCE WITHOUT PAY

Section 1

Leaves of absence without pay may be granted only when the employee has exhausted all applicable paid leave at the sole discretion of the Port Director or his/her designee. Leave of absence without pay shall be granted only when it will not adversely affect the interests of, or the efficient operations of the County and the Department of Port Everglades. The term of the leave of absence shall be in writing and the leave will not be for more than three (3) months. However, a leave may be approved by the Director of Human Resources in accordance with the Family and Medical Leave Act for a period not to exceed four (4) months. Leave of absence without pay exceeding the periods described above may be granted with the approval of the County Administrator. However, in no case shall the total period of a leave of absence without pay exceed one year.

Parenting Leaves of Absence without pay, shall be granted in accordance with the provisions of the Broward County Benefit Program.

Section 2

Leave of absence without pay, including any extension, shall not affect an employee's continuous service providing there has been no impairment of his/her ability to perform the available work but if an employee fails to return to work within the term of leave, the employee's continuous service shall be broken and employment shall be terminated.

Section 3

At the end of the leave of absence, an employee will be entitled to employment at a rate of pay not less than that which he/she received immediately prior to his/her leave of absence. The employee, upon return, shall return to his/her old job or the equivalent.

An employee granted leave of absence without pay and who wishes to return before the leave period has expired, shall be required to give his/her division head at least two (2) weeks notice. Upon receipt of such written notice, the employee must be permitted to return to work.

Section 4

ARTICLE 20

The Federation recognizes the right of the County to establish reasonable rules and regulations, including rules and regulations regarding drug and alcohol abuse, for the safe and efficient conduct of County business and reasonable penalties for violation of such rules provided said rules and regulations do not conflict with any provisions of the Collective Bargaining Agreement or any terms and conditions of employment. Established rules, regulations and penalties shall be posted within the department/division. The Union shall be provided with all pertinent material provided to outside contractors. The Union shall have the right to meet with management to discuss the proposed action, and the Union shall have the right to submit alternate proposals for management review. Through the meetings, the parties shall attempt to limit the adverse impact that any possible contracting of services might cause. In the event that an employee no longer is employed by the County or any other government entity due to abolishment of the Department of Port Everglades, a division or, and/or job classification and/or an employee who is laid off in excess of twelve (12) months and is no longer subject to being recalled by the County, said employee, in addition to any other benefits to which that employee may be entitled under the Collective

Employees with service in excess of ten years who are entitled to benefits under this Article shall receive one (1) additional week of salary for each five (5) years of completed service.

- (b) One (1) week's pay shall be calculated by multiplying the employee's regular rate of pay at the time of termination by forty (40) hours.

Any employee who is affected by the above shall have the option of displacing any junior employee in an equal or lower job classification employed by the Department of Port Everglades provided the employee is able to perform the duties of that job classification. Any employee whose employment is affected by any of the circumstances contained above, shall, for a one (1) year period, have the right to fill any subsequent vacancy in the work force provided he/she has the ability to perform the duties of that position. The County shall notify, by certified mail, any affected employee of any vacancy.

Proof of death must be furnished by the employee if considered necessary in the opinion of the employee's division director.

Section 4

The parties agree that in the event a death occurs pursuant to the standards set forth in Section 1, above, for a family member outside the state of Florida, an employee, upon request, shall be granted an additional two (2) days' leave which shall be deducted from the employee's earned sick leave. The use of said sick leave for this purpose shall not affect the Bonus Day computation provided for in Article 17, Section 1.

ARTICLE 30

DRUG AND ALCOHOL TESTING

Section 1

In consideration of the legitimate concerns and interest the Employer and the Union both have in workplace safety and job performance and that both parties recognize that drug and alcohol abuse may have an adverse impact on County government, the image of County employees, and the general health, welfare and safety of the employees and the general public at large; and in consideration of the fact that both parties also recognize that drug and alcohol abuse are treatable illnesses that will be treated, where feasible, with emphasis on rehabilitation and education. The Employer and the Union hereby agree:

- A. The Employer will not take action against an employee based on the employee's off-duty conduct unless the employer can demonstrate that the employee's off-duty conduct is impairing the employee's on-the-job performance.
- B. That cooperation with the employees and their representative offers the best solution to ensuring workplace safety and job performance, while at the same time assisting those individuals suffering from drug and alcohol addiction.

- C. All aspects of this substance abuse program will be fully explained to all employees to whom it will apply to and any dispute evolving from this program will be subject to the grievance arbitration procedures. Employees covered by the Agreement will have the right to union representation through all stages of the procedures defined in this Article. However, in no event will the test be delayed by more than two (2) hours.

Section 2

The County may require any employee to submit to a blood and/or urine analysis when it has a reasonable belief that an employee is impaired in the performance of their duties because the employee is under the influence of alcohol, drugs or narcotics. To permit testing, the County must have reasonable belief based upon the observations of two (2) or more supervisors, if possible, establishing reasonable belief to believe that an employee is impaired by illegal drugs or alcohol. The employee shall be provided, upon request, with a separate container for a portion of the sample which is collected.

Section 3

Random substance tests will be strictly prohibited except as provided in Section 5 and 7 below.

Section 4

All tests shall be conducted in a reputable hospital or laboratory selected by the County. The laboratory must follow guidelines for procedures and standards as established by Health & Human Services (HHS) and the National Institute of Drug Abuse (NIDA) at a minimum. There shall be a two step initial screening process run concurrently, i.e., consisting of TLD (Thin Layer Chromatography) and EMOT (Enzyme

Multiplied Immunoassay Technique). The confirmation step of all samples testing positive during initial screening shall consist of a GC/MS (Gas Chromatography/Mass Spectrometry) test.

Section 5

- A.** At the conclusion of the drug and/or alcohol testing, the County may discipline an employee subject to the just cause standard of this Agreement. However, in the case of an employee who has not previously tested positive and/or acknowledges a substance abuse problem, and except in cases involving moderate or major property damage, personal injury or gross misconduct by the employee, the employee shall be permitted to enter a County approved chemical dependency program.
- B.** Upon successful completion of rehabilitation (as determined by the County physician) the employee shall be returned to their regular duty assignment or the equivalent thereof. If follow-up care is prescribed after treatment, such may be imposed by the County as a condition of continued employment. Moreover, the parties agree that entry into such a chemical dependency program shall be deemed to constitute reasonable belief that the employee is under the influence of or using drugs, narcotics, or alcohol, and that, accordingly, the employee may be subject to unlimited drug and/or alcohol testing procedures as outlined in Section 4 of this Article as required by management for a period not to exceed one (1) year from the date that the employee successfully completes the prescribed treatment plan. Should an employee refuse to submit to drug or alcohol testing in accordance with the

provisions of this Section, to voluntarily enter a County approved chemical dependency program, to successfully complete or to otherwise comply with the requirements of such program, to comply with the requirements of any follow-up care, or should the employee test positive for drugs, narcotics or alcohol during the aforesaid one (1) year period, the employee shall be immediately dismissed.

Section 6

An employee's refusal to submit to drug or alcohol testing in accordance with the provisions of this Article may result in disciplinary action being taken against the employee up to and including dismissal subject to the just cause standard of this Agreement.

Section 7

- A. An employee will be allowed to voluntarily enter a County approved chemical dependency program, assuming that the employee has had no history of substance influence or use. Should the employee be shown to have a history of substance influence or use, during his/her employment with the County, the County will be under no obligation to offer a second chance to enter a County approved chemical dependency program. However, nothing herein shall be construed to prevent the County from offering a second chance to enter a County approved chemical dependency program, should the County deem it warranted. This does not preclude the County from taking any disciplinary action for any infraction other than the chemical dependency for which the employee is seeking assistance.

- B.** Upon successful completion of rehabilitation (as determined by the County physician) the employee shall be returned to their regular duty assignment or the equivalent thereof. If follow-up care is prescribed after treatment, such may be imposed by the County as a condition of continued employment. Moreover, the parties agree that entry into such a chemical dependency program shall be deemed to constitute reasonable belief that the employee is under the influence of or using drugs, narcotics, or alcohol, and that, accordingly, the employee may be subject to unlimited drug and/or alcohol testing procedures as outlined in Section 4 of this Article as required by management for a period not to exceed one (1) year from the date that the employee successfully completes the prescribed treatment plan. Should an employee refuse to submit to drug or alcohol testing in accordance with the provisions of this Section, to voluntarily enter a County approved chemical dependency program, to successfully complete or to otherwise comply with the requirements of such program, to comply with the requirements of any follow-up care, or should the employee test positive for drugs, narcotics or alcohol during the aforesaid one (1) year period, the employee shall be immediately dismissed.
- C.** Two (2) years after treatment is completed, the records of such treatment and positive drug test results shall be retired to a closed medical record. Retired records shall not be used against the employee for the purposes of progressive discipline, but may be used to show that the employee has a

history of substance influence or use during his/her employment with the County.

Section 8

The Union, upon request, shall have the right to observe any aspect of the drug testing program, with the exception of individual test results. The Union may inspect individual test results only if the release of such information is authorized by the employee involved.

Section 9

NO WAIVER OF LEGAL RIGHTS: The Employer and the Union agree that this program shall not diminish the rights of individual employees under State and/or Federal laws relating to drug and/or alcohol testing.

ARTICLE 31

EDUCATIONAL REIMBURSEMENTS/LEAVE

Section 1

Employees covered by this Agreement may participate in the County's Educational Reimbursement Program as established by Section 26-3 of the Broward County Code of Ordinances. The eligibility requirements and the amount, type and condition precedent to obtaining reimbursement, will be established by the County.

Section 2

To improve the quality of personal service rendered to the public and to aid employees in equipping themselves for advancement, any permanent full-time employee may request Educational Leave for the purpose of taking occupationally related courses or training. The following procedures shall apply:

- A.** The immediate supervisor shall determine the feasibility of excusing the employee from work by examining the work schedule and arranging for adequate coverage and/or redistribution of work assignments during the employee's absence.
- B.** The Division Director or designated Section Head shall then determine whether the courses or training are occupationally related and whether leave shall be granted with full pay subject to review by the Human Resources Director if denied.
- C.** Request for educational leave must have final approval in advance by the Human Resources Director and shall not exceed a total of twenty (20) working days or one hundred sixty (160) work hours in any one (1)

calendar year per employee, except as may be approved by the County Administrator.

- D.** An employee will be advised as whether his/her request is approved or denied within thirty (30) calendar days of the date on which the employee's written request is received by the Human Resources Division. Such requests shall not be unreasonably denied.

ARTICLE 32

PERSONAL PROPERTY DAMAGE

Section 1

Section 2

The County will reimburse the employee if:

- A.** The damage occurred while in the performance of County business on County property or elsewhere if under the direction of the employee's supervisor.
- B.** The damage occurred during the employee's working hours.
- C.** The damage was caused by an object, piece of equipment, material or another employee where all persons involved were legitimately carrying out the duties of their jobs.
- D.** The employee was wearing protective equipment where prescribed for a given job.

Section 3

The County will not reimburse the employee if:

- A.** During lunch, break and refreshment period.
- B.** While breaking normal rules of conduct expected in a business environment or violating safety rules.

Section 4

The claim must be presented on a prescribed form to the Director of Administration at Port Everglades. The form must be approved by the employee's supervisor and department head and submitted within two (2) working days after damage occurs. A witness to the accident should be included whenever possible.

Section 5

The County reserves the right to require documented proof of loss, including proof of ownership, and to conduct investigations of any claim made against the County under the terms and conditions of this Article.

Fraudulent claims made by an employee(s) shall constitute just cause for disciplinary action up to and including termination of employment.

ARTICLE 33

POLITICAL ACTIVITY

There shall be no restrictions placed on employees with regard to political activity. Employees may hold membership in or support any political party, run for political office, vote as they choose, express their opinions and wishes on political issues and candidates, maintain partisan neutrality and attend political functions as long as these activities do not take place during the employees working hours.

ARTICLE 34

In the event of the foregoing, the parties agree to renegotiate a replacement provision.

Any benefit which accrued to any employee prior to the effective date of this Agreement, which has been approved by the Port Director and which is not specifically mentioned in this Agreement shall continue.

ARTICLE 38

RE: Letter of Understanding – Furloughs for FY 10/11 for Port Supervisory and Non-Supervisory Units

Dear Mr. Reynolds:

The purpose of this letter is to document our mutual understanding and agreement between the County and the Federation of Public Employees regarding the implementation of the furlough program for Port Supervisory and Non-Supervisory employees.

As part of the tentative one (1) year agreements, the parties have agreed that the Port Supervisory and Non-Supervisory employees shall observe five (5) unpaid furlough days for FY2010/11. See the attached Furlough Program Summary for FY2011 for specific information. Due to the operational nature of the Port, it is understood and acknowledged that some employees may have to observe alternate furlough days.

Further, in the event that employees at the Aviation Department and/or Water and Wastewater Services do not participate in the Furlough Program for FY2010/11, then employees in the Port Supervisory and Non-Supervisory bargaining units will not be required to participate in the Furlough Program for FY2010/2011. This provision shall not apply if either the Aviation Department or Water and Wastewater Services provide cost savings in lieu of serving furlough days as approved by the County Administrator.

Should the content of this letter accurately reflect our mutual understanding and intent of our agreement, please indicate your concurrence by signing below and returning to my attention.

Sincerely,

Allen Wilson, SPHR, Labor Relations Manager

Furlough Program Summary – Fiscal Year 2011

As with the prior Fiscal Year, five Furlough days have been scheduled during Fiscal Year 2011; four of which coincide with County observed holidays, the fifth will be on President's Day which the County does not observe as a holiday, but is a national holiday that many other governments observe. With the exception of mission critical required services, County operations and services will be closed on the following furlough days.

1. Friday, January 14, 2011 (Friday before the Monday, Martin Luther King, Jr. holiday);
2. Monday, February 21, 2011 (President's Day);
3. Friday, May 27, 2011 (Friday before the Monday, Memorial Day holiday);
4. Friday, July 1, 2011 (Friday before the Monday, Independence Day holiday); and
5. Friday, September 2, 2011 (Friday before the Monday, Labor Day holiday)

All regular benefit eligible staff (Salaried and Hourly) under the County Administrator will participate in the furloughs. Only non-benefit eligible Temporary, Part-Time 19, Seasonal and Will-Call staff will not participate. Agencies with such staff will schedule these employees accordingly.

Furlough hours will be prorated to the employee's regular scheduled hours (i.e. Full-Time - 8 hours per furlough day; Part-Time 20 - 4 hours per furlough day; those employees on a 4/10 work schedule would serve four 10-hour furlough days unless their work schedule is changed to a five 8-hour day schedule during the furlough week).

Consistent with the provisions of the Fair Labor Standards Act (FLSA), salaried (FLSA-Exempt) employees lose their salary basis during the workweek in which a budget-related furlough occurs. As such, "salaried" employees become "hourly" during the furlough workweek and must be paid for all hours actually worked. Salaried staff will be accordingly advised that they are not to work beyond 30 hours during the furlough workweek, and will be required to sign documents acknowledging their understanding of the same. This work restriction includes no cell phone, e-mail or working from an alternate location during their off duty hours. The only exception would be an Emergency Call-out for a staff member that is authorized by the supervisory authority. If such call-out results in the individual working more than 30 hours in the furlough week, the County would be obligated to pay the individual for each additional hour worked.

For 24/7 mission critical operations and required services, to accommodate agency specific scheduling needs and avoid overtime, staff who are scheduled and must report to work on a designated furlough day and/or a holiday will forfeit their holiday pay (which will be counted as a furlough day) or be assigned an alternate furlough day as necessary.

**RE: Letter of Understanding – Cost Savings to Offset Unpaid Furloughs
Port Supervisory and Non-Supervisory Units**

Dear Mr. Reynolds:

The purpose of this letter is to document our mutual understanding of an agreement between the County and the Federation of Public Employees – Port Supervisory and Non-Supervisory Unions, to afford an opportunity to the Federation to present to the County identified cost savings realized from contract provisions and/or process improvements in order to offset unpaid furloughs for FY 2010/2011. Such savings must be recurring, documented and approved by the County Administrator.

On or before February 7, 2011, the Federation may provide the County with a list of contractual provisions and/or process improvements, along with documentation justifying the amount of estimated savings. The County agrees to consider any and all information provided. In addition, the County also agrees to meet with the Federation in the form of a focus group, and discuss the ideas presented and possible implementation upon approval by the County Administrator. However, such discussions are not subject to negotiations or the statutory impasse procedures.

Should the content of this letter accurately reflect our mutual understanding and intent of our agreement, please indicate your concurrence by signing below and returning to my attention.
