PREAMBLE

It is the intention of this Agreement to provide for salaries, fringe benefits and other terms and conditions of employment of employees covered by this Agreement except as otherwise provided by Federal and State Constitution, State Statute, or County Charter. It is further the intention of this Agreement to prevent interruption of work and interference with the efficient operation of the County and to provide an orderly, prompt, peaceful, and equitable procedure for the resolution of grievances and the promotion of harmonious relations between the County and the Association.

ARTICLE 1 - RECOGNITION OF THE ASSOCIATION

The County recognizes the Government Supervisors Association of Florida, OPEIU, Local 100, ("Association") which has been certified, by the Florida Public Employee Relations Commission, Certification Number 1289, as the sole and exclusive representative of the employees within the Bargaining Unit, as described pursuant to PERC Case No. EL-2000-013, and as amended by mutual agreement of the parties for the purpose of collective bargaining with respect to wages, hours of employment, and other terms and conditions of employment. References to "Supervisory" in this Agreement will include all Bargaining Unit members.

INCLUDED: All full-time regular supervisory employees of the Broward County Board of County Commissioners in the classifications set forth in Appendix A.

EXCLUDED: All other employees including temporary, part-time 19,"will call" employees, supervisory employees with the level or position of section head, assistant directors and division and department directors, all employees presently represented by a certified bargaining representative, managerial and confidential employees as defined by Chapter 447, Part II, Florida Statutes, and supervisory professional and non-professional employees (as listed in attachment A and B to EL-2000-013.)

Whenever the County establishes a new job classification which it believes is appropriately included within this Bargaining Unit, the County will advise the Union of the official class title and pay range. If the Union disagrees with the inclusion of the classification in the Bargaining Unit, that classification will not be included in the unit and either party may refer this issue to the Public Employees Relations Commission.

ARTICLE 2 - NON-DISCRIMINATION

It is agreed that there shall be no discrimination against any employee covered by this Agreement because of race, color, gender, creed, national origin, marital status, age, disability, sexual orientation, political affiliation or belief, religion or religious belief, membership in the Association, or engaging in any lawful Association activities, or lack of Association membership or activity.

ARTICLE 3 - MANAGEMENT RIGHTS

It is understood that the County has the right to operate County Government. In order to accomplish the mission of Broward County Government, management will necessarily accomplish the following, subject to provisions of this Agreement:

- A. discipline, demote, suspend, or discharge an employee or class of employees for just cause;
- B. hire, promote, retain, and evaluate employees;
- C. layoff employees because of lack of work or other legitimate reasons; determine what reasonable work activities are performed;
- E. supervise and direct its employees consistent with the mission of Broward County Divisions of County Government;
- F. hold employees of the Bargaining Unit to a high standard of conduct consistent with their positions as professionals and agents of the County;
- G. determine unilaterally the purpose of the Divisions;
- H. exercise control and discretion over the organization and operation of Broward County Divisions of County Government;
- I. exercise those right, powers, and authorities which the County legitimately exercised prior to this Agreement;
- J. fulfill its legal responsibilities wherever such is not inconsistent with the terms of this Agreement;
- K. set standards of service to be provided to the public, including the right to subcontract.

The County has the right to formulate, change, or modify reasonable rules, regulations, and procedures related to operations, except that no rule, regulation, or procedure shall be formulated, changed, or modified in a manner contrary to the provisions of this Agreement.

ARTICLE 4 - APPLICABILITY OF RULES

Except as otherwise provided in this Agreement, Chapter 14 of the Administrative Code (formerly referred to as the Civil Service Rules and Regulations), Administrative Orders and other Rules and Regulations of Broward County, as they currently exist or are amended or promulgated by the County Commission or Administrator, shall remain in full force and effect, from the effective date of this Agreement until otherwise mutually agreed by the parties in writing. Where Chapter 14 of the Administrative Code, Administrative Orders and other Rules and Regulations of Broward County conflict with the terms of this Agreement, this Agreement shall prevail.

ARTICLE 5 - DUES DEDUCTION

The County, where so authorized and directed in writing by an individual employee included in the Bargaining Unit on the Authorization and Deduction Form properly executed by the individual employee, will deduct that individual's Association membership dues. In the event a Bargaining Unit employee is demoted, as a result of disciplinary action, to a position outside of the Bargaining Unit and where the disciplinary demotion is being grieved as outlined in Article 6 (Grievance Procedure), deduction of membership dues may continue upon written notice from the employee to the County, which must be submitted within ten (10) calendar days of the date of the disciplinary demotion. However, if the demotion is upheld or the grievance is concluded, withdrawn, resolved or failed to proceed, and the demotion remains unchanged, the deduction will cease. Additionally, at any time during the grievance process or thereafter, the employee may request to cease the deduction of membership dues from his or her wages consistent with the provisions of this Article. Uniform assessments, defined as an across-the-board assessment levied uniformly on all Association members, will be deducted from the wages of employees as soon as possible following written authorization from the Association. The deductions are subject to the following terms and conditions:

A. The County shall deduct from employee wages on each and every pay period, the Association membership dues or defined uniform assessments.

B. The County shall not, under any circumstances, deduct from the employee's wages any fines, penalties or special assessments.

C. The Association shall indemnify and hold harmless the County including its agents and employees from any and all claims, demands, suits (including any and all court costs), or expenses and costs in connection therewith based upon the County's participation

in dues deductions or the deduction of uniform assessments.

D. It shall be the responsibility of the Association to notify the County in writing of any uniform assessments or changes in the dues structure at least thirty (30) days before said assessment or change is to take place.

E. Any Association member may request, upon thirty (30) days written notice to the Association and the County to cease deducting Association membership dues and/or uniform assessments from his or her wages. The County shall forward a copy of an Association member's request to cease deductions to the Association.

F. The County will wire the deducted Association membership dues or defined uniform assessments within ten (10) working days after each pay day.

G. The County will provide three (3) check-off blocks (i.e., in addition to dues deductions) on its form which the Union may utilize for uniform assessments and/or voluntary deductions.

ARTICLE 6 - GRIEVANCE PROCEDURE

A. In a mutual effort to provide harmonious working relationships between the parties to this Agreement, it is agreed to and understood by both parties that the following shall be the sole procedure for the resolution of grievances arising between the parties as to the interpretation of and application of the provisions of this Agreement.

B. A "grievance" shall be defined as any dispute arising concerning the application or interpretation of this Agreement. A class grievance (general grievance) shall be defined as any dispute which concerns two or more employees within the bargaining unit. Class grievances shall be filed at Step II of the grievance process below within ten (10) calendar days of the occurrence or knowledge giving rise to the alleged grievance. In grievances arising from formal disciplinary actions, the formal grievance procedure shall be initiated at Step II (Department Director).

C. In the event that an employee believes there is a basis for a grievance the aggrieved employee may first discuss the alleged grievance with the immediate supervisor within ten (10) calendar days of the occurrence or knowledge giving rise to the alleged grievance.

D. Formal Grievances shall be processed in accordance with the following procedure:

STEP 1: If, as a result of the informal discussion with the immediate supervisor, an alleged grievance still exists, the aggrieved employee and/or the Association may file a formal grievance on the form set forth in Appendix "B" signed by the aggrieved employee and/or a representative of the Association containing

all known facts supporting the alleged grievance and specifying which part of this Agreement is alleged to be violated with his/her Division Director within ten (10) calendar days after the informal discussion with the immediate supervisor or after the occurrence or knowledge giving rise to the alleged grievance, if no informal discussion is held. The Division Director shall respond in writing to the employee with a copy to the Association within ten (10) calendar days.

STEP 2: If the grievance has not been satisfactorily resolved in Step 1, the aggrieved employee and/or the Association may appeal the grievance by submitting a copy of the grievance on the grievance form contained in Appendix "B" to the appropriate Department Director within ten (10) calendar days after the Division Director's response is received or is due. The Department Director shall respond in writing to the employee with a copy to the Association within ten (10) calendar days.

STEP 3: If the grievance has not been satisfactorily resolved in Step 2, the aggrieved employee and/or the Association may appeal the grievance by submitting a copy of the grievance on the grievance form contained in Appendix "B" to the County Administrator or designee within ten (10) calendar days after the Department Director's response is received or is due. The County Administrator or designee shall respond in writing to the employee with a copy to the Association within fourteen (14) calendar days.

E. At any step in the grievance procedure, the individual charged with responding to the grievance, may elect to conduct a meeting to gather more information prior to responding to the grievance. Employees may have a representative present, if requested by the employee, at any step of the Grievance Procedure. An Association representative may be present at a meeting scheduled with a grievant to resolve a grievance. If a meeting is conducted, the time frame to respond to the grievance shall begin from the date the meeting is completed.

F. The time limits provided in this Article shall be strictly observed, unless extended by written agreement of the parties. Failure by the employee or the Association to observe the time limits for submission of a grievance at any step will automatically result in the grievance being considered abandoned. Failure by the County to respond to a grievance within the prescribed time limits will allow the aggrieved employee to advance the grievance to the next step.

G. All responses required in Steps 1, 2, and 3 above shall be directed to the aggrieved employee with a copy furnished to the Association. In class grievances, the response will be directed to the Association.

H. Adjustment of any grievance as described herein shall not be inconsistent with the provisions of this Agreement.

I. Prior to the issuance of a decision by an arbitrator, the Association may request a meeting with the Division of Human Resources in an attempt to reach a settlement to any grievance. The parties agree that the settlement of any grievance by the parties prior to the rendition of a decision by an arbitrator shall not constitute an admission that the contract has been violated nor shall such settlement constitute a precedent for the interpretation or application of the provisions of this Agreement.

J. Nothing in this Article shall require the Association to process grievances for employees who are not members of the Association.

K. Chapter 14 of the Administrative Code grievance procedure shall not be available to unit members for processing grievances arising under this Agreement. Further, grievances may be filed concerning subjects which apply to and only to the extent they apply to members of the bargaining unit.

L. A grieving employee may not partially accept and partially reject a disposition of his/her grievance. The employee must either accept or reject the disposition of his/her grievance, in its entirety. Thus, for example, if an employee grieves a termination, and is ordered reinstated without back pay at one of the steps of the grievance procedure, he/she may not accept the reinstatement and continue to grieve the loss of back pay, his/her only choices would be to accept the disposition of his/her grievance, or remain discharged and pursue the grievance further.

M. Employees serving an initial probationary period shall have no right to utilize this grievance/arbitration procedure for any matter concerning discharge or other discipline. Employees who have completed an initial probationary period and are serving a promotional probationary period shall have no right to utilize this grievance/arbitration procedure for any matter concerning the rejection of their promotional probationary period.

N. Separations due to reduction in force, complaints involving appeals from examination ratings, and classification decisions are not subject to review through this grievance procedure. Performance evaluations shall not be subject to the grievance procedure. However, allegations regarding a violation of established procedures governing performance evaluations shall meet the definition of a "grievance" as defined in this procedure. Such performance evaluation grievances may not proceed to Arbitration as

provided for in Article 7.

O. If the grievant or the Association notifies the County's Employee/Labor Relations Manager that a grievance is being filed on a formal written reprimand and that the grievant wants the written reprimand not to become part of the official personnel file until completion of the contractual grievance procedure, the Division of Human Resources, Employee/Labor Relations Section will not cause a formal written reprimand to be placed in that employee's official personnel file until completion of the contractual grievance process. Such notification shall be in writing within ten (10) calendar days from receipt of the formal written reprimand.

ARTICLE 7 - ARBITRATION

A. If the decision of the County Administrator or designee has not satisfactorily resolved the grievance, the grievance may be submitted to arbitration by the Association for the grievant or by a non-member when the Union declines to process the grievance on the basis of non-membership alone, by filing a Request for Arbitration Panel with the Federal Mediation and Conciliation Services (FMCS) within fifteen (15) working days after the rendering of the decision, or the expiration of the time limit for rendering the decision by the County Administrator or designee, whichever occurs first with a copy furnished simultaneously to the County. The arbitrator shall be selected from a list of seven (7) provided by FMCS by the method of alternate striking, unless the parties otherwise mutually agree to an arbitrator. Once the list is received from FMCS, the parties shall have fifteen (15) working days to select the arbitrator in the manner described above, unless the parties mutually agree in writing to extend the time frame to select the arbitrator. Failure by either party to observe the time limits for selection of the arbitrator will automatically result in the selection of the Arbitrator by the FMCS based on the submission of the complying party. The FMCS rules shall govern the arbitration proceedings.

B. The parties shall bear equally the expenses of the arbitrator. Each party shall bear the expense of its own witnesses, representatives, attorneys and all other individual expenses, including court reporting. Grievant(s) and employees testifying during working hours will be made available for the period of their testimony without loss of pay. Grievant(s) and employees will be called in such a fashion so as to limit their time away from work and not to disrupt the normal business of the department.

C. The Arbitrator shall render his decision no later than thirty (30) days after the conclusion of the final hearing unless otherwise agreed by the parties. Such decision shall be final and binding when in accordance with the jurisdictional authority under this Agreement. Copies of the award shall be furnished to both parties.

D. The arbitrator shall be prohibited from modifying, changing, adding to or subtracting from the terms of this Agreement or any supplementary written approved amendment entered into mutually by the parties.

ARTICLE 8 - LABOR MANAGEMENT COMMITTEE

A. Labor Management Committee meetings within each Department may be held in accordance with this Article to promote communications and cooperation between the Association and the County, to explore avenues to improve quality and efficiency and to seek objectives of mutual concern. Time off without loss of pay, as necessary, shall be granted to employees designated as Committee members for attendance at scheduled Labor Management Committee Meetings. Meetings under this Article shall be scheduled at the request of either party at a mutually agreeable time and location during normal working hours (Monday through Friday, 8:30 a.m. - 5:00 p.m.), unless otherwise agreed by the Committee. Employees shall not be compensated for off-duty attendance.

B. The composition of Departmental Labor Management Committees shall consist of up to three (3) members designated by the Association and three (3) members designated by the County including a representative of the Human Resources Division. The Association shall notify the County of the three (3) designated members for attendance of the Labor Management Committee meeting. Additional Committee Members, resource people and subject matter experts may attend Committee meetings upon the mutual agreement of the Association and the County.

C. The Labor Management Committee is not an employee organization under Florida Statute Chapter 447. The Committee shall not serve in a representative capacity nor as an extension of the collective bargaining process. Committee meetings are not a substitute for collective bargaining. However, the Committee is free to discuss any subject except any pending disciplinary actions, grievances or subjects of collective bargaining.

D. The Committee may make recommendations, however, it shall have no independent authority to implement or amend policies, rules, procedures or practices. Before any recommendations can be made by the Committee, the Committee must reach a consensus and reduce the recommendation to writing. Written Committee recommendations shall be submitted to the Director of Human Resources who will be responsible for reviewing the recommendation with the appropriate County authority.

ARTICLE 9 - ASSOCIATION REPRESENTATIVES

A. The County agrees to recognize eight (8) Bargaining Unit Employee Representatives including one (1) Chief Bargaining Unit Representative for the purpose of contract administration as set forth in this Article. These Employee Representatives shall be allowed to represent the Association throughout County government with no limit on departmental jurisdiction.

The County also agrees to recognize five (5) Alternate Representatives from different departments in which bargaining unit employees work for the exclusive representation within the department. In no event, shall more than two Employee Representatives or Alternates combined be from any one division of the County (excluding the Chief Bargaining Unit Representative).

Specific to the Transit Division of the Transportation Department, the County also agrees to recognize a total of three Employee Representatives: one (1) on-site Employee Representative at Copans Maintenance, one (1) on-site Employee Representative at Ravenswood Maintenance, and one (1) on-site Employee Representative for Transit Operations. The Association will designate one (1) of the three (3) as the Transit Division Chief Job Steward.

B. The names of employees selected as Employee Representatives and Alternate Representatives shall be certified, in writing, to the County's Division of Human Resources and the appropriate Department Director by the Association.

C. It is agreed to and understood by the parties to this Agreement that Employee Association Representatives or Alternate Representatives may, without loss of pay, and with prior approval of their supervisor, attend pre-disciplinary meetings, disciplinary meetings, grievance meetings, and labor - management committee meetings which arise

from within the Representative's assigned Department. Only one Employee Representative or Alternate Representative will be present at any such meetings, with the exception of Labor Management Committee. Employee Representatives or their alternates may also participate in collective bargaining negotiations. The supervisor's approval to attend any such meetings shall not be unreasonably withheld.

D. It is agreed to and understood by the Association that Association Representatives shall process grievances and conduct their other duties in such a manner as to not disrupt normal County activities, work production and services. The Employee Representatives or Alternate Representative should make conscientious and good faith effort to reasonably accommodate a request of their supervisor to modify specific time away from work needs to aid the Division or Department in accomplishment of its mission without due disruption.

E. Conducting Association business or distributing Association literature shall not be done in work areas during work time. However, Association business may be conducted or literature may be distributed and/or posted on the bulletin board space provided herein during lunch periods.

F. Association Representatives, i.e., Non-employee Association Business Representatives, shall be certified, in writing, to the County Division of Human Resources by the Association. Non-Employee Association Business Representatives shall, upon arrival at a County Division or premises, report to the Division Director or the supervisor in charge. The Association agrees that activities by the Association Representatives shall be carried out in such a manner as not to disrupt normal Departmental activities, work production and services.

G. The County shall provide bulletin board space in each Division for the

posting of Association notices and newsletters. All notices or newsletters of the Association that are to be posted must be submitted to the appropriate Division Director for approval.

H. The County agrees to post an “electronic link” to the Union’s designated website in each edition of the County’s monthly news publication distributed to its employees. Additionally, the County agrees to post an “electronic link” to a “Notice of Ratification” prepared and provided by the Union when Collective Bargaining Agreements are scheduled for a vote of the bargaining unit as contemplated by Chapter 447, Florida Statutes. The language in the announcement shall state as follows: “Notice of Ratification of Proposed Collective Bargaining Agreement for the Government Supervisors Association, Supervisory Unit. Click link for a complete Notice of Ratification.”

I. The County, upon written request of the Association, shall provide up to four (4) times per year, at no cost to the Association, up to two (2) computer generated Bargaining Unit membership rosters.

J. Within thirty (30) days of the complete execution of this Agreement, the County shall provide the Association with one copy of the final Agreement on a computer disk format as normally maintained by the County.

K. Employee Representatives will be precluded from representing employees from outside their Bargaining Unit.

ARTICLE 10 - DISCIPLINARY ACTION

A. Non-probationary, permanent employees may be disciplined only for just cause.

B. The County supports the utilization of a progressive disciplinary system, when applicable, which uses both informal and formal methods. Nothing herein precludes the County from taking severe formal disciplinary action including termination on the first offense based on the severity of the violation. Informal methods such as verbal and written counseling, warnings, and reprimands shall not be grievable. Formal disciplinary action, including formal written reprimands (BC102-111), suspension without pay, demotion for cause, or dismissal for cause, are appealable under the provision of Article 6 (Grievance Procedures). Only appeals of suspensions without pay, demotions, or dismissals may be arbitrated under the provisions of Article 7 (Arbitration).

C. Whenever the County believes that an employee has violated any rule, regulation, or policy, or is otherwise subject to disciplinary action, the County will conduct a pre-disciplinary meeting with the employee to discuss the possible violation. The employee shall have the right to representation in discussions during pre-disciplinary inquiries. If necessary the pre-disciplinary meeting will be delayed up to 48 hours in order for the employee to obtain a representative, if requested.

D. A pre-determination investigatory meeting shall be conducted by the manager responsible for making the disciplinary recommendation. Prior to any pre-disciplinary meetings and upon request of the employee or Association, the County shall provide to the employee and/or the Association all documentation in the County's possession and reasonably known relating to the potential disciplinary matter. Nothing herein shall be construed to limit the County from raising additional information relating to the matter.

E. All disciplinary actions must be issued to the employee or the Association no more than sixty (60) calendar days after the date management became aware, or reasonably should have become aware of the incident constituting the cause for discipline. If a pre-disciplinary meeting is re-scheduled at the request of the Union, employee, or the County, the sixty (60) calendar day period will be automatically extended by the same number of days by which the pre-disciplinary meeting is delayed.

F. The County agrees to furnish the employee and the Association with a copy of any disciplinary action notification at the time the notice is issued. The notice of disciplinary action shall contain allegations of specific rules or regulations allegedly violated by the employee. The County agrees that notices of disciplinary action for which there have been no recurrences of the same nature in twenty (20) months, shall not be used to support more severe progressive disciplinary action. However, the notices remain a part of the employee's permanent employment history, consistent with Florida Statutes.

G. To the extent practicable, pre-disciplinary meetings, disciplinary meetings, and grievance meetings shall be scheduled during the employee's normal work hours and held in their work location when feasible.

H. The concerned Department/Division may grant, at its sole discretion, the request of an employee to forfeit accrued annual leave in lieu of serving a disciplinary suspension. Employees who are offered this option and accept, shall waive their right to file a grievance through the process described in Article 6.

I. In the case of an investigation by the County's Office of Intergovernmental Affairs and Professional Standards, the sixty (60) day period set forth in paragraph E will begin on the date the affected County agency was notified of the investigation results.

ARTICLE 11 – WAGES

A. Fiscal Year 2024/2025

1. Effective 10/13/2024, minimum and maximums of the pay ranges will be extended by 3%.

2. For Fiscal Year 2024/2025, effective on the first full pay period in October of 2024 (October 13, 2024), eligible bargaining unit employees, who on their most recent annual performance review or other performance-based evaluation program received a rating of “Meets Overall Expectations” or “Exceeds Overall Expectations” will receive a 3% base salary increase (within the salary range). Those current employees recently hired and who have yet to receive their annual performance review for their current position as of October 12, 2024, shall also receive the 3% base salary increase. To be eligible, employees must be employed in a Bargaining Unit position as of the effective date and be employed by the County as of October 12, 2024.

3. Eligible employees below the maximum of the pay range and limited to an increase of less than 3% to their base hourly pay due to the maximum of the pay range, shall receive a one-time, gross lump sum amount equal to the difference between 3% and the percentage increase received (such gross lump sum payments shall be rounded to the nearest dollar).

4. Eligible employees whose base hourly rate is at or above the maximum rate of their pay range as of October 12, 2024, will not be eligible for a base hourly adjustment as provided in Section A.2. above. Those employees will receive a one-time, gross lump sum amount equal to 3% of the employee’s base annual salary.

5. For Fiscal Year 2024/2025, effective on the first full pay period in October of 2024 (October 13, 2024), eligible bargaining unit employees, who on their most recent annual

performance review or other performance-based evaluation program received a rating of “Meets Overall Expectations” or “Exceeds Overall Expectations” will receive \$2,600 added to their base annual salary (within the salary range). Eligible employees below the maximum of the pay range and limited to an increase of less than \$2,600 to their base annual pay due to the maximum of the pay range, shall receive a one-time, gross lump sum amount equal to the difference between \$2,600 and the increase received (such gross lump sum payments shall be rounded to the nearest dollar). Eligible employees whose base annual rate is at or above the maximum rate of their pay range as of October 12, 2024, will not be eligible for a base \$2,600 adjustment as provided above. Those employees will receive a one-time, gross lump sum amount equal to \$2,600.

6. All current employees who on their most recent annual performance evaluation received a rating of “Does Not Meet Overall Expectations” will not be eligible to receive the annually determined percentage increase at this time. However, in accordance with County Policy, such employees should be placed on a formal Performance Improvement Plan with a time duration of 90 days and receive a “Special Performance Evaluation”. At the conclusion of the Performance Improvement Plan time frame, those employees with a performance rating that at least “Meets Overall Expectations” will receive the 3% and the \$2,600 base salary increases prospectively.

B. Fiscal Year 20253/2026

1. For Fiscal Year 2024/2025, either party, upon written request, can reopen Article 11, **Wages** and three (3) Articles each. Thereafter, this Agreement shall remain in effect, except for any provisions which specifically expire or are date specific, until a successor agreement is approved by the Board of Broward County Commissioners.

C. Notwithstanding the above, in the event that the County agrees to a non-

concessionary across the board, salary/wage increase greater than five percent (5%) combined over Fiscal Years 2024/2025 and 2025/2026, with the GSAF Professional Agreement, White Collar Bargaining Agreement, Blue Collar Bargaining Agreement, and/or unrepresented employees, either party may request in writing its desire to meet to explore alternatives to the agreed upon salary/wage provisions of this Article. Any such request is an informal request that does not trigger the opening of the parties' Collective Bargaining Agreement or the impasse provisions of Chapter 447, Florida Statutes. Further, the request must be received within thirty (30) days of County approval of such salary decrease/increase.

D. **Incentive Pay Supplements:** Eligible Bargaining Unit members shall receive incentive pay supplements for receipt and maintenance of certain skill-based certificates and/or licenses in the same manner as eligible employees under their supervision. To be eligible, Bargaining Unit members must be in the supervisory chain of command of employees eligible for incentive pay and the certification or license must be in addition to the established minimum qualification requirements of the Bargaining Unit position.

E. **Shift Differential:** A five percent (5%) differential pay is provided to full-time, overtime eligible, Bargaining Unit members who are regularly assigned to a work schedule in which at least seven and one half (7½) hours of scheduled work time fall between the hours of 3:00 p.m. and 8:00 a.m. In addition, full-time, overtime eligible, Bargaining Unit members regularly assigned to a weekend shift who supervise represented employees receiving a weekend shift differential shall also receive a weekend shift differential in the same manner as eligible represented employees.

F. **Salary Adjustment Authority:** The County Administrator has the authority to increase the salary of bargaining unit employees within the range of the employee's applicable salary range after the applicable agency advises the Association and offers an

opportunity to “meet and confer” about the decision. In the event the Association disagrees with the Administrator’s decision, the County may still implement the adjustment and such decision shall not be grievable. The County Administrator also has the authority to adjust the pay grades upward outside of the bargaining process based on a market review conducted by the County. Prior to implementing any pay grade adjustments, the Association will be advised and offered an opportunity to “meet and confer” about the decision. In the event the Association disagrees with the Administrator’s decision, the County may still implement the pay grade adjustment and such decision shall not be grievable.

ARTICLE 12 - PREVAILING BENEFITS

All rights and working conditions enjoyed throughout the County by unit employees at the present time and authorized by County Ordinance, Resolution, written directive of the County Administrator, or by the Division of Human Resources which are not specifically referred to in this Agreement shall not be changed by the County unless said rights and working conditions interfere with the reasonable operational needs of the County, in which case the County and the Association shall negotiate over the impact of such changes.

ARTICLE 13 - HOURS OF WORK

A. The regularly scheduled work week for County employees shall not exceed forty (40) hours in a seven (7) days period beginning each Sunday at 12:01 a.m. through the following Saturday at midnight, exclusive of scheduled unpaid lunch breaks. The County agrees to notify the Association in writing of proposed change(s) in the number of work week hours for full time employees at least five (5) weeks prior to the proposed effective date of such change(s). The Association may request within twenty- one (21) working days of receipt of such notice, to meet and discuss with the County prior to the implementation of the change(s). The County Administrator, or his/her designee will review any proposed change(s) and the input of both the Association and the County regarding the proposed change(s). After such review, the County Administrator or his/her designee will approve or disapprove the proposed change(s).

B. Permanent shift assignments shall not be changed except after two (2) weeks' notice and where feasible four (4) weeks' notice to the affected employee(s) except in emergency situations. Where operationally feasible, the County shall make every effort to schedule consecutive days off.

C. Each full-time employee regularly scheduled to work shifts of eight (8) hours per day shall be entitled to two (2) fifteen (15) minute breaks; full-time employees regularly scheduled to work shifts of ten (10) hours or more shall be entitled to two (2) paid twenty (20) minute breaks. There will be one break in the first half of the shift and one in the last half.

ARTICLE 14 - PROBATIONARY PERIOD

Consistent with the provisions of Article 4 of this Agreement, the Probationary Period provisions of Chapter 14 of the Administrative Code shall apply to Bargaining Unit members except as otherwise provided in this Article.

A. The probationary period for all new hire appointments to positions covered by this Agreement shall be one (1) year in duration subject to extension or rejection, in accordance with the Chapter 14 of the Administrative Code. This provision shall apply whether or not the selected candidate is a current County employee.

B. Any County employee who has successfully completed their initial probationary period in any position with the County and is subsequently promoted or transferred to another position in the bargaining unit shall be required to serve a probationary period of six (6) months in duration subject to extension or rejection, in accordance with the Chapter 14 of the Administrative Code.

ARTICLE 15 - INSURANCE BENEFITS

A. The County agrees to provide insurance programs for unit employees on the same terms and conditions available to other benefit eligible County employees including any required increase or decrease in employee premiums. The Association may appoint one representative to participate without loss of pay in the County's Benefits Advisory Committee and reserves the right to submit recommendations to the County's Division of Human Resources through the Committee in reference to insurance benefit plans for unit employees.

B. Bargaining unit employees, who are disabled, as defined by the Florida Workers' Compensation Act, because of an injury arising out of, and in the course of their employment with the County, will receive workers' compensation benefits in accordance with Florida Workers' Compensation Act. Bargaining unit employees will be able to supplement workers' compensation benefits by utilizing all accrued leaves to keep their salaries whole.

ARTICLE 16 - SENIORITY, LAYOFFS, RECALL, AND REEMPLOYMENT RIGHTS

A. **Bargaining Unit Seniority**: is understood to mean an employee's most recent date of continuous employment in a Bargaining Unit position so long as the employee has been carried for payroll purposes as a regular employee. Bargaining Unit Seniority will be used for the purposes of layoff and recall.

B. **Time-in-Class Seniority**: is understood to mean an employee's most recent date of continuous employment in the employee's current classification so long as the employee has been carried for payroll purposes as a regular employee. Time-in- Class Seniority within the employee's work site will be used for scheduling vacations and overtime.

C. Bargaining Unit and Time-in-Class Seniority will continue to accrue during all types of County approved leave except for leave of absence without pay or layoff, for more than thirty (30) days, which shall cause this date to be adjusted by the full length of the leave. Leave of absence without pay or layoff, for periods less than thirty (30) days, shall not cause the Bargaining Unit or Time-in-Class Seniority to be adjusted.

D. Layoff is a separation initiated when management determines it is necessary to abolish a position due to lack of work, lack of funds, organizational change, or for other reasons not related to fault, delinquency, or misconduct, as determined by the County. The County agrees to notify the Association prior to any bargaining unit employees being notified of a layoff or reassignment to another location as a result of such layoff.

E. In the event it is necessary to reduce the work force, all layoffs shall be according to seniority, except that preference eligible employees, as defined by section 55A-7.015, Florida Administrative Code, shall be credited the amount of time served on active duty in the U.S. Armed Forces as years of seniority for purposes of this Article. An employee affected by a reduction in force shall have the right to displace the employee with the least seniority

in the same classification within his/her Division to which the affected employee is deemed qualified by the County. Should such displacement not exist, then the affected employee shall have the right to displace the employee with the least seniority in a lower classification in the same class series within his/her Division to which the affected employee is deemed qualified by the County. Each level of the classification series will be reviewed for the purposes of possible displacement availability. Should such displacement not exist, then the affected employee shall have the right to displace the employee with the least seniority in the classification within his/her Division to which the affected employee has previously held within the bargaining unit, provided the employee is deemed qualified by the County for the position and capable of performing the necessary duties of the position.

F. An employee who accepts a lower paid Bargaining Unit position in lieu of layoff shall retain his/her rate of pay unless it exceeds the highest rate for the new class in which case he/she shall be paid the maximum pay rate of the lower classification.

G. All employees shall receive at least a two (2) weeks' notice of layoff, or, in lieu of notice, two (2) weeks pay at his or her regular rate of pay. The Association shall be furnished copies of all layoff notices at the same time as the laid-off employee receives notice.

H. Employees who have been laid off or employees who, in lieu of layoff, have taken a demotion to a position outside of the bargaining unit that results in a loss of base pay, will have recall rights not to exceed eighteen (18) months. Names of affected employees will be placed, in order of seniority, on a recall list for the job classification from which employee(s) were laid off. When a vacancy occurs for which there is a recall list, the Division of Human Resources will send a certified letter of notice to the most senior employee at the last address he/she filed with the Division of Human Resources. If the employee refuses to return to work in the classification for which he/she is recalled, or if there

is no response within ten (10) working days after the notice is sent, such employee's recall rights under this Agreement are lost. Such employee would still be eligible for County employment but not on a preferential basis.

I. For the purposes of layoff and recall, a vacancy is deemed to exist when the County is seeking to fill a full-time regular budgeted position.

J. Laid-off employees who are recalled to County service within the eighteen (18) month recall period as provided for in Section H shall have the option to be credited with the full sick leave accrual held at the time of layoff. In order to be credited with the full sick leave accrual held at the time of the layoff, the laid off employee must reimburse ("buy back") their sick leave payout given at the time of layoff. Regardless of the employee's decision concerning the "buy-back" of sick leave accrual, sick leave will begin to accrue on the date the employee is returned to County service. The recalled employee shall also be credited with seniority earned prior to layoff. However, the time spent on layoff, except for time spent on a layoff for less than thirty (30) days, shall not be credited in the calculation of benefits.

K. An employee covered by the collective bargaining agreement who leaves the Bargaining Unit as a result of promotion or due to reduction in force, demotion, voluntary demotion and returns to a Bargaining Unit position within six (6) month or the length of the probationary period of the higher class, whichever is greater, shall retain Bargaining Unit seniority accrued prior to the promotion. Such an employee returning to a Bargaining Unit position shall not accrue any Bargaining Unit seniority during the period of absence, and shall be considered to have Bargaining Unit seniority equal to the seniority accrued as of the date the employee was promoted. An employee who returns to a Bargaining Unit position more than six (6) months after leaving the Bargaining Unit or after the probationary period of a higher classification, whichever is greater, shall not be credited with any prior

Bargaining Unit seniority and must commence a new seniority date.

ARTICLE 17 - PROMOTION POLICY

A. It shall be the policy of Broward County to encourage promotion from within, whenever feasible, consistent with qualified staffing and affirmative action goals. Employees who are interested in being promoted or changing divisions may request to receive notification of future openings in the job classification(s) in which they are interested by using the Human Resources Division's online application/recruitment system. After an employee completes the electronic request, the online application/recruitment system will notify the employee when the classification is announced. The employee can then apply for the position. It shall be objective of the County to encourage promotion from within, free of political considerations, nepotism or other forms of unlawful favoritism or discrimination. Promotional appointments shall not be grievable except in cases where the grieving party(s) can substantiate that one of the above considerations resulted in such appointment. If the grieving party(s) pursues the grievance to arbitration and fails to prevail, the full expenses of the arbitrator shall be borne by the grieving party(s).

The amount of salary increase granted upon promotion shall be 7.5% within range or the minimum of the salary range for that new job classification, whichever is greater. However, an employee may receive a promotional increase greater than 7.5% consistent with the County's compensation methodology.

B. There shall also be a probationary period served when an employee is promoted consistent with Article 14 (Probationary Period) of this Agreement. If an employee is removed during the probationary period following a promotion for failure to perform satisfactorily the duties of the higher position, he or she shall be returned to the position held prior to the promotion or to a similar position. In cases where this occurs, the employee's rate of pay will revert to the pay rate the employee would have otherwise been entitled had

the promotion not occurred. Should an appropriate vacancy not exist, the employee shall be restored to the position held prior to the promotion and the provisions governing reduction in force shall apply. A probationary promotional appointment does not affect an employee's earned permanent status and rights in the County system acquired in another position. The promoted employee retains the right to bring a grievance under any term or condition of employment specified in this Agreement except that no grievance may be filed on his/her behalf relating to a management decision to return the employee to his/her former or substantially equivalent position during the promotional probationary period. During the probationary period the said employee will be paid the appropriate higher classification wage rate and will continue to receive said wage after completing his/her probationary period.

ARTICLE 18 - SAFETY

A. **County Safety Review Board**: In accordance with Risk Management's Internal Control Handbook, the County shall have a Countywide Safety Review Board. The purpose of the Board shall be to monitor the overall performance of the County's Safety and Loss Control programs and make recommendations to improve same. This Bargaining Unit will be entitled to three members on this Board.

B. **Division Safety Committee**: Divisions will have either a safety representative or safety committee, depending on the number of Bargaining Unit employees. The number of employees on the committee will be in proportion to the Bargaining Unit's representation of the division's work force. The purpose of the Committee will be to review, report, and make recommendations on safety deficiencies. The Committee will meet on a regular basis and Bargaining Unit committee members will suffer no loss of pay. All committee actions will be documented and the County Safety Coordinator shall receive a copy of such documentation.

Meetings shall be held once quarterly, if necessary, at times and places mutually agreed by the participants.

C. **Safety Shoes**: Employees in classifications/positions where it is warranted, will receive one pair of safety shoes per year. The County Safety Coordinator will be responsible for deciding which positions receive safety shoes and his/her decision will be based on the recommendation of the Division Safety Committee representative and his/her interpretation of OSHA requirements. Management shall determine the type and quality of such shoes.

Those employees designated to receive shoes will be reimbursed one hundred percent of the price of a pair of safety shoes up to \$100.00 per year.

Such employees may purchase the shoes anywhere they wish so long as they meet OSHA standards and they submit a receipt for proof and amount of purchase. Employees in positions designated to receive safety shoes are obligated to report to work each day in safety shoes.

ARTICLE 19 - PERSONAL VEHICLE COMPENSATION

A. The County, subject to authorization and in compliance with the rules covering the use of private vehicles, agrees to compensate employees for the use of the individual's vehicle while traveling on County business.

Such employees shall be reimbursed at the established County rate per mile or applicable state rate whichever is greater, and in accordance with County policy for use of said personal vehicle.

B. In work areas where employee parking is available on County owned or leased property, parking for Bargaining Unit employees shall be available on the same basis as it is for other County employees on the same job site. If any other County employees are directly reimbursed for parking costs, unit employees at the same job site shall also be eligible for the same reimbursement. It is also understood that the County is not obligated to furnish, or continue to provide, parking for its employees.

ARTICLE 20 - SEVERABILITY CLAUSE

If any provision of this Agreement or the application of any such provisions should be rendered or declared invalid by any court action, or by reason of any existing or subsequently enacted State or Federal legislation, the remaining parts or portions of this Agreement shall remain in full force and effect and the subject matter of such invalid provision shall be open to immediate negotiations between both parties.

ARTICLE 21 - ANNUAL LEAVE

Consistent with the provisions of Article 4 of this Agreement, the Annual Leave provisions of Chapter 14 of the Administrative Code shall apply to Bargaining Unit members except as otherwise provided in this Article.

A. For the purpose of scheduling annual leave, employees may at their option submit a first and second preference vacation schedule to the Division on or before March 1st, annually, with final adjustments submitted by March 15th, annually. Except for emergency situations, the employee with the greatest Time In Classification seniority within the job site shall be granted vacation preference subject to the operational needs of the Division. Employees will be notified of their approved vacation schedule by April 15th.

B. Any leave request submitted other times of the year will be approved/disapproved with reference to the operational needs of the Division and the existing vacation schedule. The completed vacation schedule and changes will be available for the employee's information.

C. **Payment of Unused Leave:** When an employee is separated from County Service, he/she shall be paid for all accrued and unused annual leave.

ARTICLE 22 – HOLIDAYS

Consistent with the provisions of Article 4 of this Agreement, the Holiday provisions of Chapter 14 of the Administrative Code shall apply to Bargaining Unit members except as otherwise provided in this Article.

A. All full-time employees shall receive two (2) personal days of eight (8) or ten (10) hours each in the form of Annual Leave, credited to the employee's annual leave accrual balance effective on the first full pay period in January.

B. In the event that employees supervised by members of this Bargaining Unit observe a holiday by virtue of their collective bargaining agreement on a date other than that which is designated by the County Commission for the general employee population, the professional members of the GSA shall observe the holiday on the same date as the employees they supervise in lieu of the date designated by the County Commission.

C. An employee required to work on a holiday as described in Section A above may elect to have the applicable number of hours of holiday pay added to their annual leave bank in lieu of holiday pay.

D. Full-time Bargaining Unit members assigned to a four day per week work schedule generally work four 9 ½ hour days with a ½ hour time adjustment per day or portion of a day actually worked, for a total of forty (40) hours per week. Employees so assigned shall receive ten (10) hours of paid leave for each holiday.

ARTICLE 23 - SICK LEAVE

Consistent with the provisions of Article 4 of this Agreement, the Sick Leave provisions of Chapter 14 of the Administrative Code shall apply to Bargaining Unit members except as otherwise provided in this Article.

A. An employee shall be eligible after completion of the initial probationary period to earn eight (8) hours of time off with pay (bonus day) if regularly scheduled on a 5 day work week or 10 hours of time off with pay (bonus day) if regularly scheduled on a 4 day work week, for each 13 pay period time frame in which no sick leave is used. The 13 pay period time frame begins with the last instance of sick leave. The eight (8) or ten (10) hours of time (bonus day) shall be added to the employees annual leave bank after the 13th pay period of no sick time pay. Usage of this leave time shall be subject to the Annual Leave provisions of this Agreement. The County shall notify the employee in writing within three (3) weeks after the employee has earned a bonus day.

B. If an employee is temporarily unable to perform his/her regularly assigned duties as a result of illness or injury other than Worker's Compensation related, but is still able to perform some type of restricted work, the employee may at the County's option be assigned other work duties within the employee's physical capabilities for a period up to one hundred twenty (120) days of his/her recuperation at the sole discretion of the County and subject to the operational needs of the Department/Division. Employees who may be assigned to perform restricted work must provide a medical certificate from their physician stating their limitations and releasing the employee to perform the restricted work at the current rate of pay. Such assignments are not an entitlement and, if granted, may be discontinued at any time at the sole discretion of the County.

C. Employees whose sick leave accrual balance exceeds 500 hours as of the end of the first pay period in November of a given year are eligible to participate in the Sick Leave Conversion Plan. Only those hours beyond 500 total hours of accrued sick leave are eligible for conversion. Accrued sick leave hours considered eligible for conversion may be converted to Annual Leave at a ratio of two (2) sick leave hours to one (1) annual leave hour for accrued sick leave hours up to 960 total hours or one (1) sick leave hour to one (1) annual leave hour for accrued sick leave hours beyond 960 total hours for a maximum of forty (40) hours annual leave. The converted hours shall be credited to the employee's annual leave bank during January of the following calendar year.

Employees interested in converting sick leave subject to the conditions of this section must follow the procedures as provided by the Division of Human Resources. Usage of sick leave converted to annual leave is subject to the provisions of Article 21 (Annual Leave) of this agreement.

D. Employees who are approved to utilize their sick leave under their Family Medical Leave Act (FMLA) entitlement, including sick leave usage for worker's compensation instances, shall not have that FMLA designated sick leave counted as an occurrence for purposes of the sick leave monitoring policy nor shall use of that designated sick leave disqualify an employee from being awarded a "bonus day" pursuant to Section A of this Article.

ARTICLE 24 - BEREAVEMENT LEAVE

Consistent with the provisions of Article 4 of this Agreement, the Bereavement Leave provisions of Chapter 14 of the Administrative Code shall apply to Bargaining Unit members except that employees shall be entitled to three (3) shifts off to attend the funeral of an immediate family member within the state of Florida and five (5) shifts off to attend the funeral of an immediate family member outside the state of Florida.

Any absence in excess of these amounts shall be charged to annual leave. The employee's immediate family shall be defined as the employee's spouse, father, mother, son, daughter, brother, sister, step-parent, step-child, step-sister, step-brother, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, registered domestic partner, persons determined in loco parentis (in the place of the parent) by the Director of Human Resources, or any relative who is domiciled in the employee's household. Bereavement leave shall not be charged to annual or sick leave or to compensatory time.

- A. The employee shall provide upon request of the department, division, or office director sufficient proof of a death in his/her family as defined above before compensation is approved and paid.
- B. The granting of bereavement leave for relatives not listed above shall require the specific approval of the Director of Human Resources.

ARTICLE 25 - CIVIL LEAVE

Consistent with the provisions of Article 4 of this Agreement, the Civil Leave provisions of Chapter 14 of the Administrative Code shall apply to Bargaining Unit members except as otherwise provided in this Article. An employee shall be granted Civil Leave with pay when performing jury duty, when subpoenaed to appear before any public body or commission on a job-related matter when performing emergency civilian duty in connection with national defense, or when serving as a volunteer firefighter in the employee's response area. An employee regularly scheduled to work the evening or midnight shift may receive Civil Leave, as described above, for their regularly scheduled shift when their court-ordered service occurs immediately before or after their scheduled shift. An employee subpoenaed in the line of duty to represent the County shall either be paid per diem or travel expenses by the County (and any fees received from the Court will be turned over to the County) or may retain witness fees and mileage received from the Court. Employees will be granted up to one hour off on election days when it is not feasible to vote before or after working hours.

Employees are required to submit documentation from the court with their application for leave, to receive approval on their request for Civil Leave. Employees serving on jury duty must submit proof of jury duty service issued by the court upon their return to work. Lost proof of jury duty can generally be replaced by calling the appropriate court and receiving a copy of the documentation. Any employee released from jury duty, prior to the end of the scheduled workday, is required to contact their supervisor for instructions regarding their return to work. In that employees are entitled to their regular wages while serving jury duty, employees should not accept compensation from the courts. In the event an employee receives compensation from the court for jury duty, the employee is required

to endorse payment over to the County and the employee's agency should deposit the funds and credit their salaries account.

ARTICLE 26- MILITARY LEAVE

The County agrees to allow military leave for employees in the Bargaining Unit pursuant to county, state, and federal law.

ARTICLE 27 - OVERTIME

The provisions of this Article apply only to those employees of the Bargaining Unit in job classifications subject to the overtime provisions of the Fair Labor Standards Act.

A. All hours authorized and worked in excess of forty (40) hours in a seven (7) days work period shall be compensated at the rate of one and one-half times the employee's regular rate of pay consistent with the provisions of the Fair Labor Standards Act (FLSA).

B. **Compensatory Time**: Compensatory hours may be substituted for overtime due to funding considerations at management's option with concurrence of the employee. Compensatory hours are earned at the same rate as overtime, consistent with Article 4 of this Agreement. Compensatory hours and overtime cannot be earned in the same workweek. Employees may also request substitution of compensatory hours for overtime pay, subject to the operational needs of the Division.

C. **Hours Counted as Hours Worked** - The following hours shall count as hours worked for the sole purpose of computing eligibility for the overtime rate:

1. Holiday pay, as defined in Article 22, when the designated holiday is the employee's normally scheduled workday and the employee is given the day off in observance of the holiday.
2. Bereavement Leave hours as defined in Article 24.
3. Hours of paid Standby Duty Assignment as defined in Section I below when an employee has used authorized Sick or Annual Leave during the scheduled work week. Effective the first full pay period in April (April 12, 2015), Standby Duty Assignment hours shall no longer be counted as hours worked for the computation of overtime.

4. Annual leave hours, as described in Article 21, only when such leave is prescheduled and approved prior to the employee's knowledge that overtime has been scheduled during the week the annual leave is requested/approved.

5. Emergency working conditions hours as described in Section J.2. of this Article.

All other hours paid but not worked shall not be computed as hours worked.

D. **Assignment of Prescheduled Overtime**: The County agrees to prepare a seniority list for each work site within a Department/Division. The purpose of such list is to coordinate and fairly distribute prescheduled overtime. In the event that management determines it necessary to assign prescheduled overtime, the most senior qualified employee on the work site, who is in the needed classification and who normally performs the assignment or work of the type and character of the needed overtime work, will be given the opportunity to accept or reject the prescheduled overtime. That employee will thereafter be placed at the bottom of the list and shall not be offered prescheduled overtime until all qualified employees at the work site, within the same classification, who normally perform the required duties have been asked to work prescheduled overtime. In the event that all qualified employees in the affected classification, who normally performs the assignment or work of the type and character of the needed overtime work, decline to work prescheduled overtime the least senior qualified employee in the classification shall be required to perform the overtime work.

However, the least senior qualified employee may be excused from being required to perform prescheduled overtime if they present an excuse acceptable to the employee's immediate supervisor. In such event, the above process shall apply to the next senior qualified employee, who shall be required to work the overtime.

The affected employee(s) will be advised of prescheduled overtime as soon as

practicable to allow the employee to make personal arrangements. Prescheduled overtime which is requested half way, or more, into the regularly scheduled shift for overtime needed the same day shall not cause the employee to lose their position on the overtime list whether or not the overtime is accepted.

This section does not apply to Transit Supervisor and Transit Maintenance Supervisor classifications, which classifications are assigned overtime on a strict seniority basis.

E. **Assignment of Emergency Overtime:** If the County needs an employee to work unscheduled overtime of an emergency nature, the County will nevertheless attempt to follow the procedure outline in Section D above where, at the sole discretion of the County, sufficient time exists to allow compliance with the procedure. However, said procedure shall not preclude the County from "holding over" employees to perform needed emergency overtime; employees held over shall retain their position on the prescheduled overtime seniority list.

F. When an employee is required to report to a County-approved physician for a medical examination as a condition of employment, continued employment, promotional employment, or to determine fitness for duty, such examination will take place during the employee's normal work schedule. If the examination cannot be scheduled during the employee's normal work schedule, the employee shall be compensated at straight time or overtime rate, whichever applies.

G. When an employee is scheduled to report to work on a day on which they are normally off duty and is sent home for lack of work, they shall be entitled to five (5) hours pay at straight time or overtime rate, whichever applies, as "show up" time, or actual time worked if more than five (5) hours.

H. **Emergency Call Out:**

1. Call out pay is provided to compensate off duty employees required to return to work on an unscheduled basis after completing a regularly assigned shift. Such employees shall be paid for the actual time worked with a minimum guarantee of three (3) hours pay. Should an employee receive a further assignment(s) while on Emergency call out, and in the course of completing such additional assignment(s) works beyond three (3) hours in total, they shall be paid for the actual time worked (at the overtime rate of pay, if applicable). In the context of emergency call-out only, actual time worked starts at the time of notice and ends when the employee would reasonably be expected to return home.

2. Any employee who is: (a) required to report to work within two (2) hours of his/her regularly scheduled starting time; (b) on duty and instructed and assigned to return to work; or (c) required to continue after completion of his/her scheduled shift; shall be ineligible for the call-out pay minimum described above, but eligible for compensation for the actual hours worked (at the overtime rate, if applicable).

I. **Standby:**

1. In order to provide coverage for services during off-duty hours, it may be necessary to assign and schedule employees to standby duty. A standby duty assignment determined and authorized by management requires an employee to be available for work due to an urgent situation during the employee's off-duty time which may include nights, weekends, or holidays. Employees shall be required to be on standby duty when assigned unless excused by their supervisor.

2. Employees assigned to standby duty by management are guaranteed two (2) hours standby duty pay at the straight-time base rate of pay for each regular work day of standby duty assigned and scheduled; and three (3) hours at the straight-time

base rate for regularly scheduled days off.

3. Employees while on standby duty, when called to work will, in addition to the standby duty pay provided in paragraph "2" above, be paid as follows: For the initial call for each regular work day or regular day off of standby duty, the employee will be paid for actual time worked with a minimum guarantee of two (2) hours pay. For all other calls during standby duty, the employee will be paid for actual time worked. For pay purposes, actual time worked starts at the time of notice, and ends when he/she would reasonably be expected to return to home. The employee is expected to respond to the call in a reasonable amount of time following notice. In the event any employee who is on standby duty fails to respond to a call to work he/she will forfeit the standby duty pay and may be subject to possible disciplinary measures.

4. Where operationally feasible, as determined by management, standby duty assignments will be made on a weekly basis.

J. **Emergency Working Conditions:**

Due to conditions beyond the control of the County, including but not limited to things such as hurricanes, windstorms and tornados, if the County Administrator declares an emergency and directs the closing of normal County operations, Bargaining Unit members shall be compensated as described below:

1. Any Bargaining Unit member regularly scheduled to work during the declared emergency who is ordered by the County not to report, or to go home prior to the completion of their shift will suffer no loss of pay. Any Bargaining Unit member who is on pre-approved sick leave, annual leave, or personal day before the declared emergency will suffer no loss of pay and the applicable leave bank shall not be

deducted. Such hours paid but not worked will not count as hours worked for computing premium (time and one-half) overtime eligibility.

2. Any Bargaining Unit member who is ordered, or assigned as a result of volunteering, by the County to work during the declared emergency shall be compensated at double their straight time base hourly rate for all hours actually worked. This compensation is in lieu of any other compensation.

3. Employees in the bargaining unit who are exempt from the overtime provisions of the Fair Labor Standards Act and who are ordered or assigned as a result of volunteering to work during the declared emergency shall be compensated at 1.25 times the straight time rate of pay for each hour worked during the declared emergency and 1.5 times the straight time rate of pay for hours beyond normal scheduled hours as approved by the County Administrator for significant assignments resulting from post-emergency recovery efforts.

ARTICLE 28 - RE-OPENER CLAUSE

By mutual consent of the parties, this Agreement may be re-opened with thirty (30) days' notice to discuss specific issues, which will be agreed upon mutually by both parties prior to commencement of negotiations.

If the parties are unable to agree upon an amendment to this Agreement, then the discussions shall cease and the parties will not utilize the Public Employee Relations Act (PERA) statutory impasse resolution procedure.

ARTICLE 29 - CONTINUING EDUCATION AND TRAINING

A. It shall be the responsibility of the Director of Human Resources to cooperate with the Division/Office Directors, Unit employees and others to foster and promote programs of training for County service and in-service training of employees for the purpose of improving the quality of personal service rendered to the public and of aiding employees to equip themselves for advancement in the County service. Division/Office Directors will make every effort to grant an employee's request to attend County sponsored training, based on the operational needs of the Division or Office.

B. To improve the quality of personal service rendered to the public and to aid employees in equipping themselves for advancement, any regular, full-time employee may request Educational Leave for the purpose of taking occupationally related courses or training. Requests for Educational Leave will be considered consistent with the Educational Leave procedures established by the County.

C. Employees covered by this Agreement may participate in the County's Employee Education Benefits Program. The eligibility requirements and the amount, type and condition precedent to obtaining reimbursement, will be established by the County.

ARTICLE 30 – PARENTAL LEAVE

In the event that the Commission approves a Parental Leave policy for unrepresented employees, such policy will apply to bargaining unit members under the same terms and conditions as it applies to unrepresented employees.

ARTICLE 31 - SUBCONTRACTING

Should the County enter into formal negotiations with a private entity, relative to the possible takeover by the private entity of work currently being performed by the Bargaining Unit members and which could result in the layoff or reassignment to another classification in lieu of layoff of Bargaining Unit members, the County will advise the Union of such negotiations, solicit the Union's input through a Labor Management Committee (including the possibility of internal competition regarding the future performance of the work by County employees), and shall give such input serious and good faith consideration. In no event, shall such input delay the County's pursuit of such services through the competitive bidding process. Nothing herein shall limit or restrict the County from its management rights as set forth in Article 3 (Management Rights) and permitted pursuant to State Statute.

ARTICLE 32 - JOB BASIS EMPLOYEES

A. The members of this Bargaining Unit and the County acknowledge the need for a job basis designation for employees exempt from the overtime provisions of the Fair Labor Standards Act (FLSA). It is further mutually understood that members under this designation are not subject to the overtime provisions of this Agreement (Article 27).

B. Employees in a Bargaining Unit position exempt from the overtime provisions of the Fair Labor Standards Act (FLSA) are considered salaried employees who are paid to perform the duties necessary to satisfy the requirements of their position with the County, regardless of the number of hours required to complete the job.

C. Employees in bargaining unit positions that are exempt from the overtime provisions of the Fair Labor Standards Act (FLSA) are eligible for Job Basis Leave. The determination of job basis or exempt status is the responsibility of the Division of Human Resources. Procedures for the request and approval of Job Basis Leave will be the same as those for Annual Leave. Job Basis Leave is intended to be used during the payroll calendar year in which it is available, and may not be carried over into the next payroll calendar year. Bargaining Unit employees separated from County service shall not be paid out for unused Job Basis Leave. Job Basis Leave shall be available for use as follows:

1. Current full-time employees in Job Basis eligible positions as of January 1 of a calendar year will have forty (40) hours available for use beginning in January of each year (Eligible part-time 20+ employees will have twenty (20) hours available for use).

2. Full-time employees hired into Job Basis eligible positions, or promoted from a non-Job Basis eligible position into a Job Basis eligible position, from January 1st through June 30th, will have forty (40) hours available for use following the

effective date of employment or promotion (eligible part-time 20+ employees will have twenty (20) hours available).

3. Full-time employees hired into Job Basis eligible positions, or promoted from a non-Job Basis eligible position into a Job Basis eligible position, from July 1st through December 31st, will have twenty (20) hours available for use following the effective date of employment or promotion (eligible part-time 20+ employees will have ten (10) hours available).

D. **Holiday Worked**: FLSA exempt unit employees who are required to work a full day of any of the holidays recognized under Article 22 of this Agreement may be granted at the director's discretion another workday or time off with pay. However, in order to ensure compliance with FLSA guidance, any granting of such time off (less than one (1) full work day) shall not be on an hour for hour basis.

ARTICLE 33- TERM OF AGREEMENT

A. RE: Letter of Understanding: DROP/Bonus Days/Benefits While on Leave of Absence

Dear Mr. Ellis:

The purpose of this letter is to document our mutual understanding and agreement to apply certain Administrative Code changes to the applicable portion of our labor agreement. Specifically, on June 19, 2001, the Board of County Commissioners approved a Resolution amending the County Administrative Code (see attached) regarding leave usage and accrual for employees entering the Florida Retirement System's DROP Program, Bonus Day earning, Benefit entitlement while on Leave of Absence, and Tuition Reimbursement. Also attached to this letter is a summary of those amendments to the Administrative Code. These procedures are largely ministerial, housekeeping and provide the capability to track leaves and bonus days in a more automated and efficient fashion.

The agreement in this letter is to apply these amendments to the current collective bargaining agreement between Government Supervisors Association of Florida – Supervisory Unit. Specifically, the following articles would be affected by these Administrative Code changes:

1. Article 23, Section A of the labor agreement deals with Bonus Day accruals and currently provides that an employee who has completed the initial probationary period will be entitled to earn eight (8) paid hours of time off with pay for each six (6) month period in which no sick leave is used. By applying the amended Section 14.230(h) of the Civil Service Rules to the labor agreement bargaining unit members will earn one (1) paid bonus day for any thirteen (13) consecutive pay periods in which the employee does not take any sick leave or leave without pay.
2. The current labor agreement does not specifically address an employee's eligibility for DROP (Deferred Retirement Option Program). However, to clarify any outstanding issues regarding the DROP and related leave accrual, the County and Government Supervisors Association of Florida - Supervisory Unit agree to apply the amended Section 14.229 (g)(2) and (h) of the Civil Service Rules to provide that bargaining unit members who participate in DROP and who elect to receive payout of all or any portion of accrued annual leave upon entering DROP will continue to accrue leave consistent with the accrual rates defined in the labor agreement and when the employee separates from County service, he/she shall be paid for all accrued and unused annual leave remaining in their leave bank as of the date of separation consistent with the leave pay

out terms of the contract.

3. The labor agreement does not specifically address an employee's benefit entitlement while on approved Leave of Absence without Pay. Section 14.238 of the Civil Service Rules has been amended to provide that a benefits eligible employee on approved leave without pay will continue to receive any applicable County insurance benefit funding for the first seven (7) full pay periods of leave of absence without pay. The Civil Service Rules had previously provided for payment of insurance premiums to benefits eligible employee for ninety (90) days.
4. Article 29, Section C of the Labor Agreement provides that employees who participate in the County's educational reimbursement program would be subject to the rules established by County policies. This is to acknowledge that this policy as defined in Sections 22.73 – 22.78 of the Broward County Administrative Code have been amended to eliminate the one year waiting period requirement for participation in the Tuition Reimbursement Program and allows benefit-eligible part-time 20 employees to participate in the Tuition Reimbursement Program. Part-time 20 benefit-eligible employees will receive 50% of eligible tuition.

The above referenced amendments were approved by the Commission to be effective on July 1, 2001, for unrepresented employees. I appreciate your cooperation in clarifying the application of these amendments to employees covered by our Labor Agreement and look forward to working with you on other matters which will make our dealings and administrative processes run more smoothly.

If you agree that the contents of this letter reflects our agreements, please sign below and return to me.

**RE: Letter of Understanding - Clarification of Overtime for Transit Supervisors and
Transit Maintenance Supervisors**

Dear Richard:

The purpose of this letter is to clarify contract language in the Collective Bargaining Agreement for the Government Supervisors Association - Supervisory Unit. Specifically Article 27 - Overtime, Section D - Assignment of Pre-scheduled Overtime, wherein it references that "strict seniority basis" will be used in assigning overtime for the classifications of Transit Supervisor and Transit Maintenance Supervisor.

It is understood that for the Transit Supervisors in the Operations Section of the Mass Transit Division "strict seniority basis" is described as follows:

All Transit Supervisors working either a four (4) day work week and/or a five (5) day work week shall only be entitled to work one (1) additional day during their two (2) or three (3) regular days off per week.

It is also understood that for Transit Maintenance Supervisors, "strict seniority basis" is that overtime will be offered to qualified and available Transit Supervisors in seniority order, starting with the highest amount of seniority.

An exception to the above rule occurs when no one is available to work due to everyone having already met the above obligation. Management may now offer the open work, by seniority, to the first available transit supervisor who has signed for the additional work.

If there are no Transit Supervisors and Transit Maintenance Supervisors available to work the additional hours at this facility, then a Transit Supervisor and Transit Maintenance Supervisor from the other facility may be called to work the additional hours provided the above obligation is adhered to by seniority.

RE: Letter of Understanding – Holding of Formal Written Reprimands

Dear Richard:

The purpose of this letter is to document our mutual understanding of an agreement between the County and the Government Supervisors Association – Professional and Supervisory Units regarding the processing and holding of formal written reprimands for covered employees when a grievance is filed.

As we discussed, if a covered employee or the Association files a grievance on a formal written reprimand, the grievant or the Association may request for the formal written reprimand not become part of the official personnel file until the completion of the contractual grievance procedure. Such notification shall be made, in writing, to the Division of Human Resources, Employee/Labor Relations Section with seven (7) calendar days from the filing of said grievance. Once such timely notification is received, the Division of Human Resources, Employee/Labor Relations Section will not cause for the formal written reprimand to be placed in that employee's official personnel file.

RE: Letter of Understanding – Bargaining Unit Seniority

Dear Mr. Ellis:

The purpose of this letter is to document our mutual understanding and agreement on the interpretation and definition of bargaining unit seniority for employees covered by the GSAF Professional and GSA Supervisory units.

Specifically, Article 16 – Seniority, Layoffs, Recall and Reemployment Rights, Section A. defines Bargaining Unit Seniority as “understood to mean an employee’s most recent date of continuous employment in a Bargaining Unit position so long as the employee has been carried for payroll purposes as a regular employee. Bargaining unit Seniority will be used for the purpose of layoff and recall.”

Realizing that the creation of both bargaining units, is relatively recent many employees covered by both units would have the same bargaining unit seniority date as the date the GSAF Supervisory and GSAF Professional units became certified (October 1, 1995, and May 11, 2000, respectively). This would impact the ability to implement the contractual provisions in the current and future reduction in force scenarios.

Therefore, to fairly and accurately determine the bargaining unit seniority date for employees covered by both units, it is the Parties mutual understanding and agreement that, employees will be afforded bargaining unit seniority for any continuous service in a bargaining unit position prior to and after the creation of the bargaining unit within each specific bargaining unit. Please note that Bargaining unit seniority will be separate and distinct for the Supervisory and Professional bargaining unit and seniority in the other units shall not be considered for the purpose of calculating bargaining unit seniority.

For example, an employee was hired twenty (20) years ago as a Maintenance Scheduler and occupied that position for six (6) years. Subsequently, they promoted into a Maintenance Supervisor I and worked in that position for ten (10) years; and then promoted again into a Maintenance Supervisor II position and worked in that position for four (4) years; therefore, accounting for the total of twenty (20) years of service. These were unrepresented classifications prior to the inception of the GSAF Supervisory bargaining unit on October 1, 1995. Therefore, the bargaining unit seniority calculation would include the time prior to the bargaining unit certification (8 years) and the subsequent time (12 years) for a total of twenty (20) years of bargaining unit seniority.

RE: Letter of Understanding – Seniority Tie Breaker

Dear Mr. Blackman:

The purpose of this letter is to document our mutual understanding and agreement regarding the proposed method to establish a tie-breaker in the case where several employees have the same bargaining unit seniority date for the purpose of utilizing during a reduction in force event.

The parties agree to utilize the employees' employment application date and application time stamp as the criteria in establishing a tie-breaker methodology for determining the greater bargaining unit seniority. That is, in the case of two (2) employees with the same bargaining unit seniority date (i.e., date of continuous employment in a bargaining unit position), the primary tie-breaker will be the date upon which the employee submitted the employment application for the GSAF covered job position that established their bargaining unit seniority date. The secondary tie-breaker in the case where two employees submitted their employment applications on the same date will be the time stamp for the employment application.

For example, two employees in the job class of Maintenance Supervisor I have the same bargaining unit seniority date of 11/17/2000. In this example, the employees submitted employment applications on the same day, 10/20/2000. The primary tie-breaker would not apply as it is the same date. Therefore, the secondary tie-breaker (time stamp) would apply and the employee that submitted their employment application first would have the greater bargaining unit seniority. The parties also agree that this methodology will apply to both GSAF Supervisory and GSAF Professional units.

RE: Letter of Understanding – Government Supervisors Association of Florida – Supervisory Unit
EasyPay (Time and Attendance, Pay Card Program and Enterprise Resource Project)

Dear Mr. Blackman:

The purpose of this letter is to document our mutual understanding of an agreement between the County and the Union regarding an electronic time and attendance program, payroll distribution program and Enterprise Resource Project (ERP). Collectively, these three programs are called **EasyPay**. The **EasyPay** program will apply to County employees, with the significant changes to include: (1) the replacement of manual payroll checks with direct deposit and pay cards as well as replacing check stubs and direct deposit paper slips with on-line pay stubs; (2) a fully automated time keeping system; and (3) the replacement of the County's existing Payroll/Human Resource system.

- (1) **Replacement of manual payroll checks** – The parties agree that bargaining unit employees will be paid through direct deposit with their identified banking institution. If the employee does not have a banking institution, the employee will receive a pay card and their earned wages will be uploaded to that pay card every pay period. In either event, paper pay stubs will be replaced with on-line pay stubs. These changes are anticipated to be implemented in early 2013.
- (2) **Automated Time Keeping System** – The parties agree that the County and Union have met and reviewed the new time keeping system and have validated the pay and work rules that will be programmed into the new automated time keeping system. Those rules are intended to be the parties' implementation of the collective bargaining agreement provisions and are detailed in the attachment to this letter dated November 27, 2012. If there is a conflict between the attachment dated November 27, 2012 and the collective bargaining agreement, then the bargaining agreement shall prevail. The new automated time keeping system is anticipated to be implemented on or before October 2013.
- (3) **Replacement of County existing Payroll/Human Resource System** – The County is currently exploring an Enterprise Resource Planning system that would include a new Payroll/Human Resources System. The parties agree to meet and discuss the ERP, in the event that the County contemplates said system.

RE: Letter of Understanding - Job Classification and Pay Study

Dear Mr. Blackman:

The purpose of this letter is to document the mutual understanding of the agreement between Broward County (County) and the Government Supervisors Association of Florida - Professional and Supervisory Units (Association) regarding implementation of the results of the Job Classification and Pay Study of the County conducted in 2014 by the Management Advisory Group (MAG). This letter also recognizes discussions between the Association and the County Administrator in the meeting on December 16, 2014.

As you are aware, Broward County employees, including members of both of the GSA bargaining units, were asked to complete Job Analysis Questionnaires (JAQ) detailing the responsibilities, knowledge, skills, abilities, and other related information necessary to evaluate their jobs with the County. MAG was tasked with analyzing the information obtained through the JAQ process, conducting market surveys of benchmarked classifications, and performing comparative analysis of the data. At the conclusion of the project, MAG will provide County Administration with recommendations which may modify the existing classification system and pay plans, and amend compensation policies to more accurately align with the competitive labor markets. MAG will also recommend an implementation and maintenance strategy.

Upon receipt of MAG's final recommendations of the Job Classification and Pay Study, the County will meet and confer with the Association for the purpose of sharing the results and recommendations which may be implemented by the County including any changes to classification descriptions. During this meeting, the Association is encouraged to discuss the results and offer recommendations, however, in the event the Association disagrees with the results and recommendations of the Job Classification and Pay Study, the County Administrator may still implement any or all of the recommendations at the County's discretion and such decisions shall not be grievable consistent with Article 6, Section N of the respective collective bargaining agreements. Notwithstanding the above, the Union will have the right to impact bargain over any changes to the salary ranges.

RE: Letter of Understanding – Fair Labor Standards Act – Revised Regulations

Dear Mr. Blackman:

As you are aware, the Department of Labor recently revised their regulations regarding the Fair Labor Standards Act (FLSA). Specifically, the revised regulations significantly raise the salary test threshold to \$47,476. As a result of the revised regulations and in conjunction with the results from the recent Compensation and Classification study, significant FLSA-related issues impacting the County and its employees need to be addressed.

The purpose of this letter is to document our mutual understanding and agreement between the County and the Government Supervisors Association of Florida, Professional and Supervisory Units (Association), regarding FLSA-related issues regarding the following:

1. Salary Threshold Issues

For those employees who meet one of the duties tests under the FLSA that exempt them from overtime eligibility, but do not meet the revised Salary threshold, the parties agree to adjust the salary of certain affected employees to the new salary threshold (\$47,476) in order to maintain the exempt status. The list of the affected employees is attached in Exhibit 1.

Employees who receive this salary adjustment will not be eligible to receive the negotiated wage increase for FY2016/2017, if the salary adjustment amount is greater than the wage increase (3%). Employees who receive the aforementioned salary adjustment and that adjustment is less than the three percent (3%) 2016/2017 wage increase, the employee will receive the percent difference between the three percent (3%) wage increase and the salary adjustment received, within range.

2. Change of FLSA Status for Certain Classifications

As a result of the revised FLSA regulations and the recent Classification Study, a review revealed that some classifications which are currently exempt from overtime provisions will now be non-exempt (i.e. overtime eligible) and some classifications that are non-exempt will now be exempt.

a. From Exempt to Non-Exempt – The following classifications were currently exempt and will now be non-exempt (number of current employees in parenthesis after each classification title):

- Natural Resource Specialist (61)
- Systems Network Analyst (31)
- Administrative Coordinator (64)
- Audio Visual Broadcast Specialist (1)
- Consumer Protection Inspector (4)
- Customer Service Supervisor (5)
- Marketing Development Associate (5)
- Public Communications Specialist (12)
- Publications Specialist (3)
- Quality Assurance Specialist (3)
- Transit Scheduler (4)
- Warehouse Supervisor (1)

The parties agree that as employees in the aforementioned job classifications will no longer be eligible for job basis leave, the affected employees will receive a one-time adjustment of 40 hours of annual leave added to their annual leave banks for calendar year 2017. See Exhibit 2.

b. From Non-Exempt to Exempt – The following classification was currently non-exempt and will now be exempt:

- Park Supervisor (21)
- Accountant (11)
- Airport Operations Agent, Senior (13)
- Chemist (1)
- Contract Grants Administrator (4)
- Emergency Management Specialist (1)
- Engineer Intern (6)
- Information Technology Applications Analyst (2)
- Planner (2)
- Systems Analyst (2)

The parties agree that employees in the aforementioned job classification will no longer be eligible for overtime, they now will be eligible for job basis leave effective January 2017. See Exhibit 3.

3. FLSA – Overtime Provision Review

Based on a review of the FLSA regulations pertaining to the calculation of overtime and the existing overtime language in the collective bargaining agreements, the language in Article 27, Section A. will be amended to be compliant with the FLSA overtime regulations and the County will calculate overtime pursuant to the FLSA.

Dear Ms. Green,

The purpose of this letter is to document our mutual understanding of the agreement between Broward County and the Government Supervisors Association of Florida OPEUI, Local 100, Professional and Supervisory Units ("Association"), regarding the Association's request for a case-by-case review of the Compensation Factor Form (CFF) for education, licenses, and certifications for eligible bargaining members.

As part of the tentative agreement for the Fiscal Year 2025/2026 wage re-opener, the County agrees to meet and confer with the Association, upon request and with the concurrence of the employee's agency, to discuss individual requests by unit members to use the CFF in calculating a salary adjustment based on the attainment of an educational degree, certification, or license. However, these discussions are not subject to negotiations, the statutory impasse procedures, or grievance procedures. If an adjustment is substantiated for eligible employees, these adjustments will be implemented subject to budgetary availability, at the County's sole discretion.

RE: Letter of Understanding – Membership Information Meetings

Dear Ms. Green,

The purpose of this letter is to document our mutual understanding of the agreement between Broward County and the Government Supervisors Association of Florida OPEIU, Local 100, Professional and Supervisory Units ("Association"), regarding the Association's request for space to provide new hire employees covered by the Association with membership information.

The County agrees, upon request from the Association, to provide the Onboard Broward New Hire Orientation schedule and contact information for new employees in the units for the purpose of arranging a time and location for new hires to voluntarily meet with the Association and obtain membership information. The Association will be responsible for requesting the schedule, obtaining the list of new hires, and reserving a meeting room (subject to availability). Meetings may not be held in workspaces, must not conflict with the Onboard Broward New Hire Orientation program, and employee participation will remain strictly voluntary.

Should this letter accurately reflect our mutual understanding and agreement in this matter please indicate your concurrence by signing below.

Sincerely,

RE: Letter of Understanding – Transit Skilled Trades Supervisors and Transit Supervisors

Dear Ms. Green,

The purpose of this letter is to document our mutual understanding of the agreement between Broward County and the Government Supervisors Association of Florida OPEUI, Local 100, Supervisory Unit (“Association”), regarding salary compaction for Transit Maintenance Skilled Trades Supervisors and Transit Supervisors.

To address compaction concerns, the parties agree that current Transit Maintenance Skilled Trades Supervisors whose salary is below the “Thereafter Step” for a mechanic, and current Transit Supervisors whose salary is below the “Thereafter Step” of a Bus Operator, shall receive a one-time adjustment to their annual base salary. The adjustment shall set their salary at 7.5% above the applicable “Thereafter Step,” if they have been employed as either a Transit Maintenance Skilled Trades Supervisor or Transit Supervisor with the County for more than sixty (60) consecutive months. This salary adjustment will take effect during Fiscal Year 2025/2026, beginning with the first full pay period following completion of the sixty (60) month service requirement. Thereafter, any additional salary adjustments must be negotiated.
