RE: Local Bill relating to Sunshine Drainage District elections

Dear Ms. Knowles,

The City of Coral Springs is requesting that Sunshine Drainage District ("District") have their elections administered through the Broward County Supervisor of Elections.

District is a governmental entity that gives more power to those that own more land within their district. Furthermore, the current form of elections provides for a proxy vote that we believe is not as secure as an absentee vote from the Supervisor of Elections. If enacted, this bill would amend the District's enabling legislation and require the District to conduct all future elections through the Supervisor of Elections. Such an amendment would provide for direct accountability and transparency.

Only the Florida Legislature can amend the enabling legislation of the District. Therefore, this cannot be accomplished at the local level.

The City's proposed local bill is being sponsored by Representative Dan Daley. The City's contact person is Assistant City Manager Robert Curnow with a phone number of (954) 344-1085, a mailing address of 9500 Sample Road, Coral Springs, FL 33065, and an email address of rcurnow@coralsprings.org. This bill was filed as a Local Bill by Representative Kristin Jacobs during the 2018 Regular Legislative Session as HB 893 and during the 2019 Regular Legislative Session as HB 1177.

Sincerely,

Robert Curnow
Assistant City Manager
