Robert "Bob" Mayersohn
Executive Director
Broward Legislative Delegation
115 South Andrews Avenue, Room 429
Fort Lauderdale Florida,

Re: Local Bill Lauderdale County

Dear Mr. Mayersohn,
Broward County was founded as a new county in 1915 and named after Governor Napoleon Bonaparte Broward who was the 19th governor of the State of Florida. Broward County was formed in 1915 when parts of Palm Beach and Dade Counties were combined. In 1975 the Florida legislature made Broward County a charter county.

This Local Bill will change the name of Broward County to Lauderdale County. This name change will make the county a more marketable brand, and will have a positive financial impact on the business community. This change needs to be a local bill with a referendum because Broward is a charter county. This local bill will give the people who live here an option to vote to change the name on the 2026 ballot. I will be sponsoring this bill for the 2026 legislative session. The best contact for this would be my Legislative Aide, Justin Susarchick at 954-953-2216 or email: Justin.Susarchick@flhouse.gov. Thank you for your attention to this matter.

Best regards,
