The following Transportation Considerations shall be used:

If ground transportation has easier access to SR-84/I-75 or SR-84/I-595 the patient will be transported to Broward General Medical Center.

If ground transportation has easier access to Griffin Road, the patient will be transported to Memorial Regional Hospital.

If the patient is to be transported via helicopter, the Trauma Center destination will be the same as if the patient was to be transported by ground ambulance.
