

Meet Your District Commissioners

The County Commission is comprised of nine members elected by district in partisan elections. Each Commissioner must be a resident of the district for which he or she seeks election. On the third Tuesday of each November, the Commission elects a Mayor and Vice Mayor for one-year terms. The Mayor's functions include serving as presiding officer, and as the County's official representative.

The Commission appoints the County Administrator, County Attorney and County Auditor. The Commission also appoints numerous advisory and regulatory boards. There are three Commissioners representing the Broward Municipal Services District (BMSD) unincorporated areas.
