Parks & Recreation

Broward County Parks and Recreation's sponsored events

On Friday, November 4, 2022, Samuel Delevoe Park hosted 3rd Annual Family Hayride & Campfire event. Participants enjoyed a hayride around the park with sing-along folk songs, popcorn, a marshmallow roast around a campfire to make s'mores, and other outdoor activities for the children.

NewGen Protégé Program for teenagers taught techniques of playing the game of chess at Reverend Samuel Delevoe Park, Franklin Park, and Roosevelt Gardens Parks. The classes were hosted by the National Scholastic Chess Foundation in September through November 2022. The participants learned strategic moves, how to demonstrate the working principles of using them, and a fundamental understanding of chess tactics.

The Veterans' Family Day special event was held at Reverend Samuel Delevoe Park on Saturday, November 19, 2022. Broward County Parks and Recreation Division teamed up with local county and community agencies and honored veterans and their families with a day of free food, entertainment, games, and information from various community resources. Event sponsors included CarePlus, Conviva, Humana, Fishing with America's Finest, Memorial Healthcare System, United Way of Broward County, Mission United, and the Broward County Public Library Foundation. The event was yet another success as veterans, their families, and friends were safely able to reconnect in the community!

Solid Waste & Recycling (SWRS)

The residents of the Broward Municipal Services District (BMSD) had an opportunity to participate in a community recycling rewards program designed to reduce the contamination placed in their blue recycling cart and provide public education on the type of recyclable materials accepted in today's market. As a result, the residents would be reducing the amount of solid waste disposed of at a Waste-to-Energy facility or a Landfill, as well as reducing their overall carbon footprint. By simply reaching out to Solid Waste and Recycling Services (SWRS) and requesting an inspection of their blue recycling cart, the residents were automatically entered to win a \$50 gift card. SWRS staff conducted various inspections resulting in rewards, education, and feedback for future recycling reward programs. Also, Solid Waste and Recycling mailed flyers to BMSD homeowners about their free recycled exterior paint, which was a part of the "Paint It Broward" initiative. Then in October, SWRS participated in the Wellness Jamboree.

S.O.S - Seniors on Safety

Broward County Parks and Recreation partnered with local municipalities to host the annual Seniors on Safety event. Senior residents of the BMSD, City of Lauderdale Lakes, City of Fort Lauderdale, and the City of Lauderhill enjoyed a fun, educational safety workshop. The safety workshops topics covered Social Isolation Education, Slip and Falls, Scam and Fraud Prevention, Property Fraud, Opioid Disposal, Community on Patrol with BSO, and much more. This event was held at Reverend Samuel Delevoe Park where event vendors YMCA, CarePlus, South Florida Institute on Aging, BSO, and Broward Sheriff's Fire Rescue distributed educational pamphlets, giveaways and snacks. During the event live music, trivia, and interactive games kept the seniors engaged. This event drew more than 120 seniors, and attendees were welcomed with breakfast items, T-shirts, gift bags, raffles, and boxed lunches to commemorate the event.

The Broward County Community Redevelopment Agency was created on November 19, 1980 [Ordinance 81-35.] The Agency has one (1) active Community Redevelopment Area [CRA]. Central County CRA has reported no revenue, no expenditures, and no debt under s. 189.016(9) or s. 218.32 for six (6) consecutive fiscal years. Therefore, the Department of Economic Opportunity [DEO] may declare the CRA inactive after September 30, 2022, per Section 163.3756 (2)[a], Florida Statutes. To date, DEO has taken no action to declare the CRA inactive.

OBJECTIVE 2: Increase property values and community aesthetics.

OBJECTIVE 3: Improve the health and safety of community residents.

OBJECTIVE 4: Develop active and passive recreational opportunities within the Community to support family activities and enhance quality of life.

OBJECTIVE 5: Enhance the livability of the Community.

OBJECTIVE 6: : Seek opportunities in support of successful commercial and employment based (re)development, which is compatible with the existing and future predominantly lower density residential character of the community.

OBJECTIVE 7: Provide safe, efficient and accessible transportation infrastructure and services to Community residents and businesses.

OBJECTIVE 8: Promote the Central County Community as a great place to live.

BrowardNEXT 2.0:

On March 28, 2019, the Board of County Commissioners adopted BrowardNEXT 2.0 Comprehensive Plan Update, which included a new Land Use and Community Planning Element for the BMSD [see <https://www.broward.org/BrowardNext/Pages/ComPlanDocs.aspx>.] This Plan includes specific goals, objectives and policies for Central County which were developed with input from the community through extensive public outreach and meetings in 2017-2018. Although these new goals, objectives and policies have not formally replaced the goals within the 2012 CRA Plan, they are being implemented. .
