

1

PICK A LOCATION

Identify a safe location where social distancing is possible. Monitor your health before a cleanup of any size.

2

GATHER SUPPLIES

Volunteers should wear a mask and gloves while cleaning. Additional supplies include hand sanitizer and a reusable water bottle.

3

DOWNLOAD CLEAN SWELL

Help collect important data on the types and amount of trash you remove during or after a cleanup using the Clean Swell app.

4

CLEAN UP

Safely collect trash using gloves. Never pick up sharp or dangerous items.

5

CAREFULLY REMOVE GLOVES

After you finish collecting items, carefully remove gloves. Wash hands and arms with soap and water for at least 20 seconds.

6

SUBMIT DATA

Follow steps in the Clean Swell app to review and submit your data.

7

PROPERLY DISPOSE OF WASTE

Properly dispose of items collected. Do not place trash bags in overflowing bins.

8

SANITIZE

Immediately wash hands and sanitize any materials used during the cleanup.
