The award-winning Broward County Libraries Division, founded in 1974, provides essential quality-of-life community service as well as outstanding customer service throughout Broward County. It has grown to become the ninth-largest library system in the nation. It is also one of the busiest, with more than ten million walk-in customers visiting its 37 locations throughout the year. Broward County Library provides more than three million items and 3,000 computers, and facilitates events and programs that satisfy the changing needs of Broward County’s diverse community of children, teens, and adults for information, education, and recreation. It retains a strong emphasis on literacy and after-school programs. The library’s Web site,
www.broward.org/library, continuously evolves to meet the needs of its customers and to offer information that encourages exploration of knowledge and self-expansion. In addition to providing electronic visitors with information about its locations, services, and events, the Web site has easy links to online catalogs, references, and electronic databases. Broward County Library has also become a leader in E-Communication, offering easy ways for its customers to stay electronically informed through its E-Newsletter, E-Spotlights, E-Updates, and E-Invitation.
