This shall include communicating by any form of telephonic or electronic media.
1. The disclosure shall include the lobbyist’s name; the name of the entity by which the lobbyist is employed; the name of the person or entity for whom or which he or she is lobbying; the date, time, and location of the meeting; and the specific purpose and subject matter of the meeting.

2. The disclosure shall be made within ten (10) business days of the lobbying activity, but must, in any event, be made prior to any vote on a matter that was the subject of the lobbying activity.

3. The disclosure shall be filed for public inspection.

(4) Honest Services.
   a. An Elected Official may not engage in a scheme or artifice to deprive another of the material intangible right of honest services or any activity in contravention of his or her duty to provide loyal service and honest governance for the residents of the governmental entity that he or she serves.

indirect benefit between the parties to the solicitation.

2. To promote the full and complete transparency of any such
solicitation, an Elected Official shall disclose, on a form
created by the Broward County Attorney's Office, the name
of the charitable organization, the event for which the funds
were solicited, and the name of any individual or entity that
may have promoted the solicitation. The form shall be filed
for public inspection.

3. An Elected Official may not use staff or other resources of
his or her governmental entity in the solicitation of charitable
contributions.

4. The requirements and prohibitions of this subpart shall not
apply to actions of an Elected Official in connection with
charities or fundraising events sponsored by the official's
governmental entity.

5. Salary received by a Municipal Official from a non-profit
charitable organization employing the Municipal Official shall
not be considered a quid pro quo or other special
consideration for purposes of paragraph 1 above.
Additionally, the disclosure requirement contained in
paragraph 2 above shall not apply to Municipal Officials who
are employed by a non-profit charitable organization when
soliciting charitable contributions on behalf of that organization.

b. Campaign Contribution Fundraising.

1. It is the intent of this Code to promote the full and complete transparency of campaign contributions received by Elected Officials, consistent with the disclosure requirements provided by state statute.

2. Any campaign finance disclosure that an Elected Official must submit to the Supervisor of Elections, or to the appropriate municipal election official, in accordance with the provisions of Florida Statutes Chapter 106 shall, contemporaneously, be filed for public inspection.

3. Elected Officials who solicit campaign contributions for other candidates for public office shall disclose, on a form created by the Broward County Attorney's Office, the name of the candidate for whom they are soliciting, the location and date of any associated event, and both the name and contribution amounts of any individual who provided contributions, directly or indirectly, to the Elected Official for subsequent delivery to the candidate. The form shall be filed for public inspection.

4. An Elected Official may not use any staff or other resources of his or her governmental entity in the solicitation or receipt of campaign contributions.

c. The Board of County Commissioners shall be prohibited from waiving the provisions of Section 18.63 of the Broward County Administrative Code as it pertains to the County’s acceptance of donations.

(6) Procurement Selection Committees.

a. It shall be a conflict of interest for any Elected Official to serve as a voting member of a Selection/Evaluation Committee in connection with any prospective procurement by the Elected Official’s governmental entity. Elected Officials shall not be included as members on any Selection/Evaluation Committee and shall not participate or interfere in any manner at Committee meetings or in the selection of Committee members, which members shall be appointed by the County Administrator or appropriate municipal staff, as relevant. Upon the completion of the selection process by the Committee, Elected Officials may inquire into any and all aspects of the selection process and express any concerns they may have to their Purchasing Director or, where applicable, other employee with responsibility to oversee the procurement process.

b. The prohibitions stated in the preceding paragraph shall not apply to strong mayors with a charter-prescribed strong mayor form of government or to Elected Officials who, under their charter, are required to participate in the procurement process in a manner that
would be inconsistent with such prohibitions. The prohibitions stated in the preceding paragraph shall also not apply to the hiring (or contractual procurement, in lieu of hiring) of individuals who report directly to a local governing body.

(7) Financial Disclosure.

a. Each County Commissioner, contemporaneously with the annual filing of the Form 6 Disclosure of Financial Interest with the State of Florida Commission on Ethics, shall file such form for public inspection.
