

Transportation Improvement Project

Brought to you by the Penny for Transportation

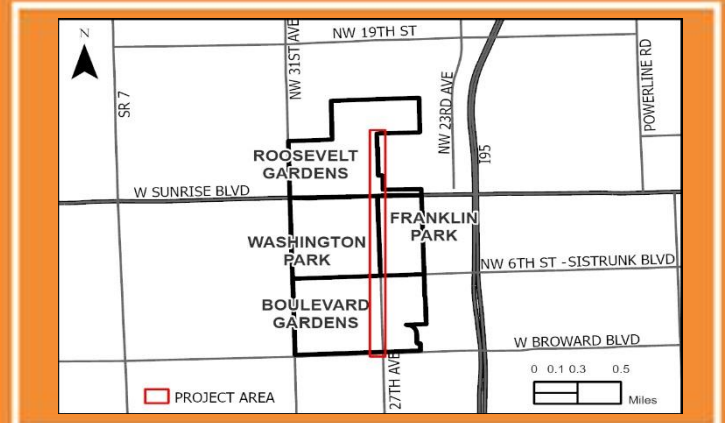

Announcing:

- Drainage system improvements along NW 27th Avenue from Broward Boulevard to north of Sunrise Boulevard in the Broward Municipal Services District.

Project Overview:

- Deteriorated pipes will be lined with impervious material that addresses issues such as cracks, holes, and leaks.
- Deficient drainage structures will be repaired or replaced.

NW 27th Avenue Drainage System Improvements

Estimated Project Schedule:

Start: August 10, 2020

End: March 31, 2021

Contractor personnel and inspection staff will work closely with residents and businesses in the construction area to minimize impacts caused by the project.

Project Management: Broward County is managing the contracting and construction of this project.
