Stirling Road & Palm Avenue Mast Arm Upgrade Project

Announcing:

Construction to begin on the Stirling Road & Palm Avenue Mast Arm Upgrade Project.

Project Overview:

Upgrade existing traffic signal from overhead span wire to mast arm structure. Refurbish pedestrian curb ramps, mill and resurface asphalt, apply thermoplastic pavement markings and install signage within the intersection.

Estimated Construction Schedule:

Start: October 28, 2019

End: September 2020

Contractor personnel & inspection staff will work closely with residents and businesses in the construction area to minimize impacts.

Project Management: Broward County is managing the contracting and construction of this project.

Contractor: Horsepower Electric Inc.

Points of Contact for Concerns or Emergencies:

Horsepower Electric, Inc.:

- Michael Martinez (305) 819-4060 or mike@horsepowerelectric.com
