Residential Rental Certificate Application Instructions Broward Municipal Services District (BMSD)

OVERVIEW

All owners of residential rental homes, buildings, and units in Unincorporated Broward County, who intend to lease, sublease, rent, or become involved in any other oral or written arrangement between a tenant/lessee, are required to have a Residential Rental Certificate **if the property is not located within a city or municipality**. Each property with an individual property identification number issued by the [Broward County Property Appraiser's Office](#) is required to have its own Certificate. Each separate lease, sublease, and/or agreement establishes a rental unit. All Residential Rental Certificates are issued annually according to [Chapter 39 ARTICLE IX ½ Broward County Code of Ordinances](#).

Residential rental unit means any residential dwelling that is leased for residential purposes, including any single-family home, multi-family dwelling (*including condominium units*), duplex, triplex, and quadruplex, mobile home, or othersimilar units.

Residential rental unit does not include any dwelling unit that is owned by a federal, state, or local housing program or the US Department of Housing and Urban Development, hotels, motels, public lodging establishments, as defined in [Section 509.013, Florida Statutes](#), or any community residential facility licensed and inspected by the state of Florida.

An exemption from this requirement may be granted by filing the Exemption Affidavit if the use of the property meets the requirements described on page 3 of this application. There is no fee to submit an exemption request.

SUBMITTING A NEW APPLICATION

You must include a nonrefundable annual fee of **\$75** with each Certificate application. Please return your completed application and payment to the address indicated at top. Make checks payable to:
Broward County Board of County Commissioners

INSPECTION PROCESS

Once we receive your application and payment, a Code Compliance officer will inspect the property's exterior condition. You will receive a copy of the inspection report indicating whether the property has any outstanding code violations, lot clearing liens or bills.

NOTICE

The annual renewal of the Certificate and **\$75** fee are the responsibility of the landlord/property owner. Failure to renew prior to the Certificate's expiration date will subject you to code enforcement action. Residential rental units and properties subject to the provisions of this article will remain under the annual Certificate requirements if the property remains occupied or an exemption has been approved. Any person, persons, or entity that has registered a property must report any change of required information contained in the Certificate application, including change of ownership, **within 30 days** of the change.
