**Subject: 2013 Broward County Evaluation and Appraisal Notification Letter**

Dear Mr. Eubanks:

In accordance with the Evaluation and Appraisal Notification Schedule 2012-2018 posted on the Department of Economic Opportunity's website, Broward County hereby provides notice to the State Land Planning Agency that it has evaluated its Comprehensive Plan and has determined that amendments are currently not necessary to address changes in state requirements, pursuant to Chapter 163.3191(1), Florida Statutes.

Even though Broward County is currently in compliance with state statutes, Broward County will be amending the Comprehensive Plan in 2014 as we continue to implement recommendations contained within the Adopted 2011 Evaluation and Appraisal Report (EAR) adopted by the Broward County Board of County Commissioners February 22, 2011, regarding the major issues of climate change and coordinating land use and transportation, as well as any subsequent changes to the Florida Statutes in 2014.

For additional information or clarification regarding this Evaluation and Appraisal Notification Letter please contact Henry Sniezek, Director, Planning and Redevelopment Division, at 954-357-6670, or [hsniezek@broward.org](mailto:hsniezek@broward.org) or Barbara Blake Boy, Executive Director, Broward County Planning Council, at 954-357-6982, or [bblakeboy@broward.org](mailto:bblakeboy@broward.org).
