- Sufficient finish will be used to fully protect the floor surface and present a uniform luster and neat, well-kept appearance.

- Place "Caution" signs at easy-to-see locations near the entrances into the area being worked on.
- Remove any items from the tile floor being maintained that can be removed.
- Use a putty knife to remove gum.
- Use a treated dust mop to remove dust and loose soil.
- Test the stripper in an inconspicuous area.
- Start in a corner farthest from your exit and work toward that exit.
- Use the mop to cover 2 feet by 4 feet area with the stripper. Cover the area thoroughly without flooding it (use enough stripper needed to break down the old wax).
- Let the stripper sit according to instructions, then use the floor pads to scrape away wax buildup (with a doodlebug and fitted piece of floor pad for a small area,

or full pad and floor machine for the larger area); while scrubbing the first area, apply the stripper to a 2nd area and let it soak to be ready when you finish the first area.

- Use the small cleaning brush for nooks and crannies, the putty knife where scraping is necessary.
- Vacuum up or squeegee the wax and stripper residue into the dustpan and deposit in a bucket.

- No stripping solution will remain on baseboards, cove moldings, doors, or other nonfloor surfaces.
- Use a scraper to test areas to make sure that the stripping is complete (leftover wax will otherwise produce an uneven finished appearance).
- Continue this process until the whole area has been stripped. Wet vac the old wax and stripping solution right away (Let the floor dry thoroughly. Apply floor fans and air movement to speed up the process (put on low to medium speed so as not to blow ceiling dust, etc. around). Do a final check of the floor with clean footwear or new booties to sweep or vac off any debris, hair, dust, etc.
- Typically, 3 coats are a good balance. Apply the finish to the floor surfaces with a clean mop.
- Sufficient finish will be used to fully protect the floor surface and present a uniform luster and neat, well-kept appearance.
- Use a liquid non-slip water emulsion type floor finish on all floor coverings cleaned according to specifications.
- Line an available mop bucket with a heavier gauge garbage bag to pour the finish into – make sure the wheels of the mop bucket are clean and do not get wet with finish that will leave marks.

- Sufficient finish will be used to fully protect the floor surface and present a uniform luster and neat, well-kept appearance.
- Use a liquid non-slip water emulsion type floor finish on all floor coverings cleaned according to specifications.

- Use the mop to cover 2 feet by 4 feet area with the stripper. Cover the area thoroughly without flooding it (use enough stripper needed to break down the old wax).
- Let the stripper sit according to instructions, then use the floor pads to scrape away wax buildup (with a doodlebug and fitted piece of floor pad for a small area,

or full pad and floor machine for the larger area); while scrubbing the first area, apply the stripper to a 2nd area and let it soak to be ready when you finish the first area.

Apply floor fans and air movement to speed up the process (put on low to medium speed so as not to blow ceiling dust, etc. around). Do a final check of the floor with clean footwear or new booties to sweep or vac off any debris, hair, dust, etc.
- Typically, 3 coats are a good balance. Apply the finish to the floor surfaces with a clean mop.
- Sufficient finish will be used to fully protect the floor surface and present a uniform luster and neat, well-kept appearance.
- Use a liquid non-slip water emulsion type floor finish on all floor coverings cleaned according to specifications.
- Line an available mop bucket with a heavier gauge garbage bag to pour the finish into – make sure the wheels of the mop bucket are clean and do not get wet with finish that will leave marks.
- Missed areas on the first coat can be covered on later coats.

**Request for Proposals, Request for Qualifications, or Request for Letters of Interest**

Vendors are instructed to read and follow the instructions carefully, as any misinterpretation or failure to comply with instructions may lead to a Vendor's submittal being rejected.

**Vendor MUST submit its solicitation response electronically and MUST confirm its submittal in order for the County to receive a valid response through Periscope S2G. Refer to the [Purchasing Division website](#) or contact Periscope S2G for submittal instructions.**

**A. Responsiveness Criteria:**

Responsive (Vendor) means a vendor who submits a response to a solicitation that the Director of Purchasing determines meets all requirements of the solicitation. As provided in Section 21.40(a) of the Broward County Procurement Code, a solicitation may only be awarded to a vendor whose submission is responsive to the requirements of the solicitation. The Director of Purchasing shall determine whether submissions are responsive. This determination shall be final and may not be changed by the Evaluation Committee, if one is appointed for the solicitation.

The required information and applicable forms must be submitted with solicitation response, electronically through Periscope SG2 by the due date and time specified in the solicitation. Failure to timely submit may result in Vendor being deemed non-responsive by the Director of Purchasing. The County reserves the right to waive minor technicalities or irregularities as is in the best interest of the County in accordance with Section 21.37(b) of the Broward County Procurement Code.

Below are standard responsiveness criteria; refer to Special Instructions to Vendors, for Additional Responsiveness Criteria requirement(s).

**1. Lobbyist Registration Requirement Certification**

In accordance with Section 21.40(b) of the Broward County Procurement Code, a solicitation may only be awarded to a vendor who is determined to be responsible to provide the goods or services requested by the solicitation. If a response to a solicitation is submitted by a joint venture, the joint venture will not be eligible to receive an award unless each member of the joint venture is determined to be responsible. A determination of responsibility shall be made only as to those vendors whose submissions have been determined to be responsive.

With respect to RFPs, RLIs, and RFQs, the Evaluation Committee, with assistance of the Purchasing Division and based on information provided by the applicable County Agencies and the Office of the County Attorney, shall determine whether vendors who have submitted responsive submissions are responsible.

Notwithstanding the foregoing, the awarding authority for a solicitation shall have the ultimate authority to determine whether vendors who have submitted responsive submissions are responsible.

When making determinations of responsibility, the Director of Purchasing or the Evaluation Committee (as applicable) may request additional information from any vendor on matters that may affect a vendor's responsibility. The failure of a vendor to provide information requested by the County may result in a determination of non-responsibility. In addition, a vendor may submit information regarding its responsibility; provided, however, that such information shall not be considered if it contradicts or materially alters the information provided by the vendor in its original response to the solicitation.

#### **R. Review and Evaluation of Responses**

An Evaluation Committee is responsible for recommending the most qualified Vendor(s). The process for this procurement may proceed in the following manner:

1. The Purchasing Division delivers the solicitation submittals to agency staff for summarization for the committee members. Agency staff prepares a report, including a matrix of responses submitted by the Vendors. This may include a technical review, if applicable. If a demonstration is required, County will appoint a Technical Review Team ("TRT") to view all Vendor demonstrations. The Project Manager will compile the results of each Vendor's demonstration into a final TRT Report. The TRT Report will be distributed to the Evaluation Committee members prior to the Final Evaluation Meeting.
2. A solicitation may only be awarded to a vendor whose submission is responsive to the requirements of the solicitation. The Director of Purchasing shall determine whether submissions are responsive. For solicitations in which an Evaluation Committee has been appointed, the Director of Purchasing's determination regarding responsiveness is not binding on the Evaluation Committee, which may accept or reject such determination but must state with specificity the basis for any rejection thereof.
3. The Evaluation Committee, with assistance of the Purchasing Division and based on information provided by the applicable County Agencies and the Office of the County Attorney, shall determine whether vendors who have submitted responsive submissions are responsible. Notwithstanding the foregoing, the awarding authority for a solicitation shall have the ultimate authority to determine whether vendors who have submitted responsive submissions are responsible. When making determinations of responsibility, the Director of Purchasing or the Evaluation Committee (as applicable) may request additional information from any vendor on matters that may affect a vendor's responsibility. The failure of a vendor to provide information requested by the County may result in a determination of non-responsibility. In addition, a vendor may submit information regarding its responsibility; provided, however, that such information shall not be considered if it contradicts or materially alters the information provided by the vendor in its original response to the solicitation.

#### **S. Vendor Protest**

Part X of the Broward County Procurement Code sets forth procedural requirements that apply if a Vendor intends to protest a solicitation or proposed award of a contract and states in part the following:

3. Calculation of Days. Unless otherwise expressly stated, all references to "days" mean calendar days between the hours of 8:30 a.m. and 5:00 p.m., excluding days that are County holidays. All references to "business days" mean Monday through Friday between the hours of 8:30 a.m. and 5:00 p.m., excluding days that are County holidays. In calculating time periods, the day of the event that triggers the time period shall be excluded from the calculation (for example, objections to a ranking must be filed within three (3) business days after the ranking is posted, so an objection to a ranking posted on a Monday must be filed no later than 5:00 p.m. on Thursday). Failure to file a written protest so that it is received by the Director of Purchasing within the timeframes set forth in

Part X of the Broward County Procurement Code shall constitute a waiver of the right to protest. A protest submitted to anyone other than the Director of Purchasing shall not be a valid protest.

Except as to any protest of the specifications or requirements of a solicitation, as a condition of initiating any protest, the protestor must, concurrently with filing the protest, pay a filing fee for the purpose of defraying the costs in administering the protest in accordance with the scheduled provided below. The filing fee shall be refunded if the protestor prevails in the protest. Failure to timely pay the required filing fee shall render the protest invalid.

| <u>Estimated Contract Amount</u>     | <u>Filing Fee</u> |
|--------------------------------------|-------------------|
| Mandatory Bid Amount up to \$250,000 | \$500             |
| \$250,000 - \$500,00                 | \$1,000           |
| \$500,001 - \$5 million              | \$3,000           |
| Over \$5 million                     | \$5,000           |

The estimated contract amount shall be the total bid amount offered by the protesting vendor in its response to the solicitation, inclusive of any contract renewals or extensions. If no bid amount was submitted by the protestor, the estimated contract amount shall be the County's estimated contract price for the procurement. The County will accept a filing fee in the form of a money order, certified check, or cashier's check, payable to "Broward County," or other manner of payment approved by the Director of Purchasing.

## **T. RIGHT TO APPEAL**

The protestor may appeal the Director of Purchasing's denial of the protest with respect to the proposed award of a solicitation in accordance with Part XII of the Broward County Procurement Code. Decisions by the Director of Purchasing with respect to the specifications or requirements of a solicitation may only be appealed to the County Administrator or their designee, who shall determine the method, timing, and process of the appeal and whose decision shall be final.

1. The appeal must be received by the Director of Purchasing within ten (10) days after the date of the determination being appealed.
2. The appeal must be accompanied by an appeal bond by a Vendor having standing to protest and must comply with all other requirements of Part XII of the Broward County Procurement Code.
3. Except as otherwise provided by law, the filing of an appeal is an administrative remedy that must be exhausted prior to the filing of any civil action against the County concerning any subject matter that, had an appeal been filed, could have been addressed as part of the appeal.

## **U. Rejection of Responses**

The Director of Purchasing may reject all responses to a solicitation, even when only one response is received, if the Director of Purchasing determines that doing so would be in the best interest of the County; provided, however, that only the Board may reject all responses to a solicitation where the issuance of the solicitation was approved by the Board.

## **V. Negotiations**

Once a ranking is deemed final, the County shall commence contract negotiations with the top-ranked vendor (or, if provided in the solicitation, with multiple top-ranked vendors simultaneously). If the negotiation does not result in mutually satisfactory contract terms within a reasonable time, as determined by the Director of Purchasing, then the Director of Purchasing may terminate negotiations with the applicable vendor and commence (or continue, if the solicitation provided for negotiation with multiple top-ranked vendors) negotiations with the next-ranked vendor(s) or issue a new solicitation, as the Director of Purchasing determines to be in the best interest of the County<sup>[FA29]</sup> <sup>[CC30]</sup>. In accordance with Section 286.0113 of the Florida Statutes, and the direction of the Broward County Board of Commissioners, negotiations resulting from Evaluation Committee Meetings are closed. Only County staff and the selected vendor and their team will be present during negotiations.

**Office of Economic and Small Business Requirements: CBE Reserve**

- A. In accordance with the Broward County Business Opportunity Act of 2012, Section 1-81, Code of Ordinances, as amended (the "Business Opportunity Act"), this solicitation is reserved for County Business Enterprise (CBE) firms (CBE Reserve).
- B. CBEs and non-CBEs may respond to the solicitation.
- C. The CBE with the lowest responsive and responsible Bid, or with the highest-ranked responsive and responsible Proposal, as compared to all other CBEs (the "CBE Presumptive Awardee"), shall be awarded the contract if the CBE Presumptive Awardee meets the following requirements, as applicable:
- (1) Monetary Differential: The total Bid or Proposal amount of the CBE Presumptive Awardee: (a)(i) does not exceed Three Million Dollars (\$3,000,000) and (ii) does not exceed the total amount of the lowest responsive and responsible Bid, or the total amount of the highest-ranked responsive and responsible Proposal, as applicable, from a non-CBE by more than ten percent (10%); or (b)(i) exceeds Three Million Dollars (\$3,000,000) and (ii) does not exceed the total amount of the lowest responsive and responsible Bid, or the total amount of the highest-ranked responsive and responsible Proposal, as applicable, from a non-CBE by more than five percent (5%); and
  - (2) Points Differential: For competitive solicitations in which the Proposals are assigned point totals, after deducting the points awarded for price from the total points awarded to each applicable Proposal, the total points assigned to the CBE Presumptive Awardee: (a) for Proposals that do not exceed Three Million Dollars (\$3,000,000), are not more than ten percent (10%) less than the total points assigned to the highest-ranked responsive and responsible non-CBE; or (b) for Proposals that exceed Three Million Dollars (\$3,000,000), are not more than five percent (5%) less than the total points assigned to the highest-ranked responsive and responsible non-CBE.
- If the CBE Presumptive Awardee does not meet the above requirements, as applicable, then the CBE with the next lowest responsive and responsible Bid, or the next highest-ranked responsive and responsible Proposal, as compared to all other CBEs, will be deemed the CBE Presumptive Awardee and awarded the contract if the CBE Presumptive Awardee meets the above requirements, as applicable. If no CBE Presumptive Awardee meets the above requirements, as applicable, the award shall be made to the non-CBE that submits the lowest responsive and responsible Bid, or the highest-ranked responsive and responsible Proposal, provided the Director of Purchasing determines the total amount of the Bid or Proposal is fair and reasonable, unless (a) the Director of Office of Economic and Small Business Development (OESBD) issues a written determination that re-solicitation with modified specifications is likely to result in one or more Bids or Proposals from CBEs that would be eligible to receive the contract award; and (b) the Director of Purchasing issues a written determination that the delay occasioned by re-solicitation would not materially harm the County's interests.
- D. If a non-CBE is awarded the contract because no CBE with capacity to perform the work submits a responsive and responsible Bid or Proposal, or because no CBE meets the applicable requirements stated above, any contract awarded to a non-CBE must include at least a twenty-five percent (25%) CBE goal (unless the CBE goal is waived or otherwise modified by Board action).
- E. It is the Vendor's responsibility to ensure compliance with the CBE requirements and adhere to solicitation deadlines. The Vendor must contact OESBD to verify current CBE status or to obtain CBE certification.
- F. The Work may only be performed by CBEs. The Vendor must perform one hundred percent (100%) of the Work as the prime Vendor or the prime Vendor may subcontract portions of Work to other CBEs. If the prime Vendor intends to subcontract any portion of the Work, the Vendor must complete a Letter of Intent (refer to Section G below).
- G. CBE Program Requirements: Vendor should submit all required forms and information with its solicitation submittal as a matter of responsibility. If the required forms and information are not provided with the Vendor's solicitation submittal, then Vendor must supply the required forms and information no later than three (3) business days after request by OESBD. Vendor may be deemed non-responsible for failure to fully comply with this solicitation and CBE Program Requirements within these stated timeframes.

<http://www.broward.org/EconDev/Documents/CBELetterOfIntent.pdf>

Section 26-125(d) of the Broward County Code of Ordinances ("Criminal History Screening Practices") requires that a Vendor seeking a contract with Broward County, in the amount of \$100,000 or more, shall certify that it has implemented, or will implement upon award of the contract, policies, practices, and procedures regarding inquiry into the criminal history of an applicant for employment, including a criminal history background check of any such person, that preclude inquiry into an applicant's criminal history until the applicant is selected as a finalist and interviewed for the position. The failure of Vendor to comply with Section 26-125(d) at any time during the contract term shall constitute a material breach of the contract, entitling Broward County to pursue any remedy permitted under the contract and any other remedy provided under applicable law. If Vendor fails to comply with Section 26-125(d) at any time during the contract term, Broward County may, in addition to all other available remedies, terminate the contract and Vendor may be subject to debarment or suspension proceedings consistent with the procedures in Chapter 21 of the Broward County Administrative Code.

By signing below, Vendor certifies that it is aware of the requirements of Section 26-125(d), Broward County Code of Ordinances, and certifies the following: (check only one below).

☒ Vendor certifies it has implemented, or will implement upon award of the contract, policies, practices, and procedures regarding inquiry into the criminal history of an applicant for employment, including a criminal history background check of any such person, that preclude inquiry into an applicant's criminal history until the applicant is selected as a finalist and interviewed for the position.

☐ Vendor is exempt from the requirements of Section 26-125(d) of the Broward County Code of Ordinances because Vendor is required by applicable federal, state, or local law to conduct a criminal history background check in connection with potential employment at a time or in a manner that would otherwise be prohibited by this section, or because Vendor is a governmental agency.
