1 – ABILITY OF PROFESSIONAL PERSONNEL

1.1 – Company Profile

Clean Freeks Janitorial Services, LLC has been in business since 2014. Our Managing Partner and the Project Manager for this contract, Dwright Daniels, has over 13 years of experience and will be your point of contact for this contract. Mr. Daniels has served as Project Manager for facilities up to 50,000+ sq. ft. across South Florida. **We are a minority-owned and a Certified Community and Small Business Enterprise with Broward County.** Throughout our 7+ years in business we have maintained contracts, both private and government, similar in size and scope to the facilities we are proposing to service in BLD2121632P1. We understand that HIPAA Privacy Training, Occupational Health and Administration (OSHA) Infection Control Training, along with 42 CFR Federal Alcohol and Drug Abuse Confidentiality Regulations Training will need to be completed by all staff before starting work. The name of our firm is unique, and it comes from the coined naming of someone who is “obsessed” with cleaning or being hygienic as a “clean freak”. We plan to exceed the quality specifications by making sure all locations always maintain the proper cleaning materials. Our staff will be properly dressed, uniformed, and a Supervisor and Team Lead will always be on sight.

Recently, we renewed our contract with the Broward County’s Traffic and Engineering Department. We are pleased to serve as an extension of the County and to help maintain the high standard of upkeep. We have maintained each municipal and private contract we’ve held for several years by committing to quality cleanings and customer service. All projects are on schedule and on budget.

Company Structure:	Limited Liability Corporation (LLC)	Point of Contact:	Dwright Daniels Owner/Managing Partner of LLC
Company Address:	240 NW 9 TH ST, #1 POMPANO BEACH, FL 33060	Contact Information:	Phone: 954-709-4821 Email: cleanfreeks77@gmail.com
Firm Size:	Certified Minority Owned and Community/Small Business 18 Full/Part-time Employees	Responsible Location for this Contract:	240 NW 9 TH ST, #1 POMPANO BEACH, FL 33060

As a small and growing business, CFJ does not currently provide staff with health benefits. It is contracting opportunities such as this that will help us to grow and provide more opportunities and benefits to our staff and we look forward to it. All CFJ staff positions require a criminal background investigation. Background investigations are usually ordered once a candidate is provisionally selected for a position. We have no temporary staff but did have some staffing fluctuations due to the Pandemic. In Section 1.3 you will find Attachment A, listing current personnel, their years of experience and recent contracts they have worked on.

3 – PROJECT APPROACH

3.1 – Agreements

Project Approach/Implementation

Our approach to each contract is simplified, so to accomplish more with less of a hassle. We have reviewed the Monthly, Weekly, and Daily scope of work listed in the RFP. We have carefully read the Specifications and Requirements for this project, paying close attention to the aforementioned sections to ensure we fully understand the various needs and that some locations require daily services, some weekly, some monthly, and there are possibly occasions of services on an as-needed basis.

At the beginning of each month a Schedule of Services will be provided to the County's Contract Administrator identifying staffing assignments by site and breaking down the monthly, weekly, and daily services for each location. We believe that communication is key to the success of any contract/project, thus, we will constantly communicate with the Contract Administrator and should any issues occur, or we stumble upon graffiti we will swiftly notify the County.

"We have carefully read the Specifications and Requirements for this project, paying close attention to the aforementioned sections to ensure we fully understand the various needs and that some locations require daily services, some 5 days a week, and there are possibly occasions of services on an as needed basis."

Clean Freek's Janitorial Service, LLC wishes to be considered for the following Groupings/Agreements:

- Agreement No. 3 Large Facilities Group 2 (5 Locations) CBE Reserve
- Agreement No. 5 Large Facilities Group 4 (4 Locations) CBE Reserve
- Agreement No. 6 Large Facilities Group 5 (5 Location) SBE Reserve
- Agreement No. 7 Large Facilities Group 6 (1 Location) SBE Reserve
- Agreement No. 8 Small Facilities Group 1 (8 Locations) SBE Reserve
- Agreement No. 10 Small Facilities Group 3 (8 Locations) SBE Reserve
- Agreement No. 11 Small Facilities Group 4 (4 Locations) SBE Reserve
- Agreement No. 12 Broward County Judicial Complex: (3 Locations) CBE Reserve

3.2 – Management and Organization of Teams

All agreements above except for No. 7 has multiple locations, if selected, we will be maintaining the designated facilities on the basis of the site's features and suggested cleaning times as indicated. Service at specified locations shall include all areas required in the RFP. Each location will have a designated Team inclusive of a Site Supervisor and Team Lead. We have serviced facilities of various sizes and multiple facilities per day, maintaining contracts for years (repeat renewals) so we know that we are capable of getting the work done each of the proposed for contracts. Our Assistant Project Manager is already both HIPPA and OSHA certified. We plan to exceed the quality specifications by making sure our site always maintains the proper cleaning materials. Our staff will be properly dressed, uniformed, and a Supervisor will be on sight at all times.

For buildings with multiple stories the site Team will be split by levels so to execute the work in a timely and efficient manner. Our Project Manager, Dwright Daniels, will be the point of contact for the County. Our Project Manager (PM) has served as PM for facilities up to 50,000 sq. ft. across South Florida. The 18 staff members we are proposing on this project will be responsible for the daily upkeep of the assigned facilities, weekly inventory control and support and monthly worksite safety & compliance inspections. The reports will be prepared by the Supervisor, submitted to Quality Control Manager for review, and finally submitted to the County by Mr. Daniels.

Why Teams?

Although most of the locations only require one cleaning a day, the cleanings are required at different times. By dividing the locations and having teams serve them we can strategically provide services in a timely and professional manner.”

“By dividing the locations and having teams serve them we can strategically provide services in a timely and professional manner.”

Once awarded the Contract we intend to meet with the Contract Administrator along with any other necessary staff to discuss work schedules, gaining access to facilities, etc. to ensure that we are all on the same page. This will allow us to function as an extension of County staff and provide for a seamless completion of work. Our PM will be responsible for sending the work schedules over both on the 1st of each month and every Monday. The specifications also note the time frames in which work should be completed. We will specify the cleaning time for each site.

3.3 Quality Control Program

Quality Services

We employ a proactive approach to janitorial services by taking preventive measures before the level of performance becomes unsatisfactory. Our aggressive quality control practices allow us to implement any operational changes needed to correct issues and improve work processes, which in turn minimize and prevent the occurrence of cleaning deficiencies. We focus on the following performance measurements to ensure the quality of our services.

“Our aggressive quality control practices allow us to implement any operational changes needed to correct issues and improve work processes, which in turn minimize and prevent the occurrence of cleaning deficiencies.”

Quality Control begins with onboarding training our staff receives. Each staff member is required to complete a day of training once joining the firm. This training includes a section on Quality Control and explains the new team member’s role in the QC process and the role of the QC Manager.

Preventive Maintenance Plan Schedule. A chart of task frequencies that the cleaning crew of each facility is expected to fulfill is developed and followed to ensure that the requirements of the contract are met or exceeded. The Preventive Maintenance Plan precludes cleaning deficiencies through optimal task frequency along with tight supervision and work monitoring, to ensure a uniform, high quality of service throughout your facility.

Quality Control Inspection Program. To ensure that the quality meets or exceeds your expectations, our team of Quality Control Manager will perform thorough, regular inspections of the cleaning quality and safety practices. Scheduled and unscheduled inspections ensure that all contract requirements are met. All inspection findings are documented and addressed with the custodial crews.

- Team Lead inspects each facility daily
- Project Manager performs monthly inspections

- Assistant Project Manager/ Quality Control Manager inspects and rates the facility a minimum of once per week

Tracking Requests and Issues. Our service call system tracks all cleaning requests and issues to determine trends, frequency of issues, and measure the performance of our on-site crew. It identifies each issue/request by date, any corrective action taken, as well as how quickly the issue/request was addressed by the appropriate personnel. This serves as a check on the quality of performance of our managers and on-site crew in conducting their day-to-day activities at your facilities.

3.4 Company Equipment

Heavy Equipment

- Truck to Haul Trash
- Mobile pressure cleaners (2)

Floor Care Machinery

- Commercial Vacuum Cleaners (3)
- Buffer
- Air Scrubber

Our staff is trained in the use of Floor Care Machinery. Proper use helps maintain that equipment is always available for use, in the event that equipment breaks will be repaired or replaced immediately. The County will not suffer a decrease in the quality of our services due to issues with equipment. Our firm has all the necessary industrial size mops, brooms, spray bottles, dusters, floor polishers and buffing equipment necessary for this project. Any additional equipment necessary will be purchased or rented as needed.

Please note that CFJ is a certified County/Small Business Enterprise. Upon being awarded this contract we are willing to purchase any additional equipment the County may deem necessary to perform services.

3.5 Company Training & Green Cleaning

Probably the most critical element of our quality control program is a comprehensive employee training program. CFJ ensures that each new employee receives extensive training to ensure that he/she is trained in the proper use of the various chemicals and equipment and that he/she performs his/her assigned tasks properly and safely. The following are the key elements of our Employee Training Program.

- Employee Orientation Training (involves shadow training)
- OSHA / Safety Training
- Product (Chemicals) and Equipment Training
- Safety Data Sheet (SDS) Training
- Security Procedures and key control/badging
- Supervisor Training
- Green Products and Procedures
- PCI Compliance

This comprehensive training program ensures that cleaning tasks are performed safely and effectively in order to prevent injuries and accidents, as well as to provide the best value to our clients.

CFJ provides a systematic and thorough safety and security training and procedures to its employees, which are strictly enforced.

Vendors are instructed to read and follow the instructions carefully, as any misinterpretation or failure to comply with instructions may lead to a Vendor's submittal being rejected.

Vendor MUST submit its solicitation response electronically and MUST confirm its submittal in order for the County to receive a valid response through Periscope S2G. Refer to the [Purchasing Division website](#) or contact Periscope S2G for submittal instructions.

A. Responsiveness Criteria:

Responsive (Vendor) means a vendor who submits a response to a solicitation that the Director of Purchasing determines meets all requirements of the solicitation. As provided in Section 21.40(a) of the Broward County Procurement Code, a solicitation may only be awarded to a vendor whose submission is responsive to the requirements of the solicitation. The Director of Purchasing shall determine whether submissions are responsive. This determination shall be final and may not be changed by the Evaluation Committee, if one is appointed for the solicitation.

The required information and applicable forms must be submitted with solicitation response, electronically through Periscope SG2 by the due date and time specified in the solicitation. Failure to timely submit may result in Vendor being deemed non-responsive by the Director of Purchasing. The County reserves the right to waive minor technicalities or irregularities as is in the best interest of the County in accordance with Section 21.37(b) of the Broward County Procurement Code.

Below are standard responsiveness criteria; refer to Special Instructions to Vendors, for Additional Responsiveness Criteria requirement(s).

1. Lobbyist Registration Requirement Certification

Refer to Lobbyist Registration Requirement Certification. The completed form should be submitted with the solicitation response. If not submitted within solicitation response, it must be submitted within three business days of County's written request. Failure to timely submit may result in Vendor being deemed non-responsive.

2. Addenda

The County reserves the right to amend this solicitation prior to the due date and time specified in the solicitation. Any change(s) to this solicitation will be conveyed through the written addenda process. Only written addenda will be binding. Vendor must follow the instructions carefully and submit the required information and applicable forms, or acknowledge addendum, electronically through Periscope S2G. It is the Vendor's sole responsibility to monitor the solicitation for any changing information, prior to submitting their solicitation response.

B. Responsibility Criteria:

Responsible (Vendor) means a vendor who is determined to have the capability in all respects to perform fully the requirements of a solicitation, as well as the integrity and reliability that will ensure good faith performance, as provided in Section 21.40(b) of this Code. In accordance with Section 21.40(b) of the Broward County Procurement Code, a solicitation may only be awarded to a vendor who is determined to be responsible to provide the goods or services requested by the solicitation. If a response to a solicitation is submitted by a joint venture, the joint venture will not be eligible to receive an award unless each member of the joint venture is determined to be responsible. A determination of responsibility shall be made only as to those vendors whose submissions have been determined to be responsive.

With respect to RFPs, RLIs, and RFQs, the Evaluation Committee, with assistance of the Purchasing Division and based on information provided by the applicable County Agencies and the Office of the County Attorney, shall determine whether vendors who have submitted responsive submissions are responsible.

Notwithstanding the foregoing, the awarding authority for a solicitation shall have the ultimate authority to determine whether vendors who have submitted responsive submissions are responsible.

When making determinations of responsibility, the Director of Purchasing or the Evaluation Committee (as applicable) may request additional information from any vendor on matters that may affect a vendor's responsibility. The failure of a vendor to provide information requested by the County may result in a determination of non-responsibility. In addition, a vendor may submit information regarding its responsibility; provided, however, that such information shall not be considered if it contradicts or materially alters the information provided by the vendor in its original response to the solicitation.

Failure to provide any of this required information and in the manner required may result in a recommendation by the Director of Purchasing that the Vendor is non-responsible.

Below are standard responsibility criteria; refer to **Special Instructions to Vendors**, for Additional Responsibility Criteria requirement(s).

1. **Litigation History**

- a. All Vendors are required to disclose to the County all "material" cases filed, pending, or resolved during the last three (3) years prior to the solicitation response due date, whether such cases were brought by or against the Vendor, any parent or subsidiary of the Vendor, or any predecessor organization. Additionally, all Vendors are required to disclose to the County all "material" cases filed, pending, or resolved against any principal of Vendor, regardless of whether the principal was associated with Vendor at the time of the "material" cases against the principal, during the last three (3) years prior to the solicitation response. A case is considered to be "material" if it relates, in whole or in part, to any of the following:
 - i. A similar type of work that the vendor is seeking to perform for the County under the current solicitation;

- f. Failure to disclose any material case, including all requested information in connection with each such case, as well as failure to disclose the Vendor's subcontractors/subconsultants litigation history against the County, may result in the Vendor being deemed non-responsive.

2. Financial Information

If not submitted with solicitation response, it must be submitted within three business days of County's written request.

- e. Any claim of confidentiality on financial statements should be asserted at the time of submittal. Refer to **Standard Instructions to Vendors**, Confidential Material/Public Records and Exemptions for instructions on submitting confidential financial statements. The Vendor's failure to provide the information as instructed may lead to the information becoming public.
- f. Although the review of a Vendor's financial information is an issue of responsibility, the failure to either provide the financial documentation or correctly assert a confidentiality claim pursuant the Florida Public Records Law and the solicitation requirements (Confidential Material/Public Records and Exemptions section) may result in a recommendation of non-responsiveness by the Director of Purchasing.

3. Vendors are required to review the applicable terms and conditions and submit the Agreement Exception Form. The completed form should be submitted with the solicitation response. If not submitted with solicitation response, it shall be deemed an affirmation by the Vendor that it accepts the contract terms and conditions stated in the solicitation.
4. If exceptions are taken, the Vendor must specifically identify each term and condition with which it is taking an exception. Any exception not specifically listed is deemed waived. Additionally, a brief justification specifically addressing each provision to which an exception is taken should be provided.
5. Submission of any exceptions to the Agreement does not denote acceptance by the County. Furthermore, taking exceptions to the County's terms and conditions may be viewed unfavorably by the Evaluation Committee and ultimately may impact the overall evaluation of a Vendor's submittal.

E. Evaluation Criteria

1. The Evaluation Committee will evaluate Vendors as per the **Evaluation Criteria**. The County reserves the right to obtain additional information from a Vendor.
2. Vendor has a continuing obligation to inform the County in writing of any material changes to the information it has previously submitted. The County reserves the right to request additional information from Vendor at any time.

For additional information, contact the Broward County Cultural Division.

The committee members appointed for this solicitation are available on the Purchasing Division's website under [Committee Appointment](#).

J. Committee Questions, Request for Clarifications, Additional Information

At any committee meeting, the Evaluation Committee members may ask questions, request clarification, or require additional information of any Vendor's submittal or proposal. It is highly recommended Vendors attend to answer any committee questions (if requested), including a Vendor representative that has the authority to bind.

Vendor's answers may impact evaluation (and scoring, if applicable). Upon written request to the Purchasing Agent prior to the meeting, a conference call number will be made available for Vendor participation via teleconference. Upon receipt, all submittals become "public records" and shall be subject to public disclosure consistent with Chapter 119, Florida Statutes. Submittals may be posted on the County's public website or included in a public records request response unless there is a declaration of "confidentiality" pursuant to the public records law and in accordance with the procedures in this section.
2. Any confidential material(s) the Vendor asserts is exempt from public disclosure under Florida Statutes must be labeled as "Confidential" and marked with the specific statute and subsection asserting exemption from Public Records.

3. To submit confidential material, three hardcopies must be submitted in a sealed envelope, labeled with the solicitation number, title, date and the time of solicitation opening to:
Broward County Purchasing Division 115
South Andrews Avenue, Room 212 Fort
Lauderdale, FL 33301
4. Any materials that the Vendor claims to be confidential and exempt from public records must be marked and separated from the submittal. If the Vendor does not comply with these instructions, the Vendor's claim for confidentiality will be deemed as waived.
5. Submitting confidential material may impact full discussion of your submittal by the Evaluation Committee because the Committee will be unable to discuss the details contained in the documents cloaked as confidential at the publicly noticed Committee meeting.

M. Copyrighted Materials

Copyrighted material is not exempt from the Public Records Law, Chapter 119, Florida Statutes. Submission of copyrighted material in response to any solicitation will constitute a license and permission for the County to make copies (including electronic copies) as reasonably necessary for the use by County staff and agents, as well as to make the materials available for inspection or production pursuant to Public Records Law, Chapter 119, Florida Statutes.

N. State and Local Preferences

If the solicitation involves a federally funded project where the fund requirements prohibit the use of state and/or local preferences, such preferences contained in the Local Preference Ordinance and Broward County Procurement Code will not be applied in the procurement process.

O. Local Preference

The following local preference provisions shall apply except where otherwise prohibited by federal or state law or other funding source restrictions.

For all competitive solicitations in which objective factors used to evaluate the responses from vendors are assigned point totals:

- a. Five percent (5%) of the available points (for example, five points of a total 100 points) shall be awarded to each locally based business and to each joint venture composed solely of locally based businesses, as applicable;
- b. Three percent (3%) of the available points shall be awarded to each locally based subsidiary and to each joint venture that is composed solely of locally based subsidiaries, as applicable; and
- c. For any other joint venture, points shall be awarded based upon the respective proportion of locally based businesses and locally based subsidiaries' equity interests in the joint venture.

If, upon the completion of final rankings (technical and price combined, if applicable) by the Evaluation Committee, a nonlocal vendor is the highest ranked vendor and one or more Local Businesses (as defined by Section 1-74 of the Broward County Code of Ordinances) are within five percent (5%) of the total points obtained by the nonlocal vendor, the highest ranked Local Business shall be deemed to be the highest ranked vendor overall, and the County shall proceed to negotiations with that vendor. If impasse is reached, the County shall next proceed to negotiations with the next highest ranked Local Business that was within five percent (5%) of the total points obtained by the nonlocal vendor, if any.

Refer to Section 1-75 of the Broward County Local Preference Ordinance and the **Location Certification Form** for further information.

P. Tiebreaker Criteria

In accordance with Section 21.42(d) of the Broward County Procurement Code, the tiebreaker criteria shall be applied based upon the information provided in the Vendor's response to the solicitation. In order to receive credit for any tiebreaker criterion, complete and accurate information must be contained in the Vendor's submittal.

1. Location Certification Form;
2. Domestic Partnership Act Certification (Requirement and Tiebreaker);
3. Tiebreaker Criteria Form: Volume of Payments Over Five Years

Q. Posting of Solicitation Results and Recommendations

The Broward County Purchasing Division's website is the location for the County's posting of all solicitations and contract award results. It is the obligation of each Vendor to monitor the website in order to obtain complete and timely information.

R. Review and Evaluation of Responses

An Evaluation Committee is responsible for recommending the most qualified Vendor(s). The process for this procurement may proceed in the following manner:

1. The Purchasing Division delivers the solicitation submittals to agency staff for summarization for the committee members. Agency staff prepares a report, including a matrix of responses submitted by the Vendors. This may include a technical review, if applicable. If a demonstration is required, County will appoint a Technical Review Team ("TRT") to view all Vendor demonstrations. The TRT will be comprised of County staff with specific subject matter expertise. The TRT will review all Vendor demonstrations for compliance with the Demonstration Script. The Project Manager will compile the results of each Vendor's demonstration into a final TRT Report. The TRT Report will be distributed to the Evaluation Committee members prior to the Final Evaluation Meeting.
2. A solicitation may only be awarded to a vendor whose submission is responsive to the requirements of the solicitation. The Director of Purchasing shall determine whether submissions are responsive. For solicitations in which an Evaluation Committee has been appointed, the Director of Purchasing's determination regarding responsiveness is not binding on the Evaluation Committee, which may accept or reject such determination but must state with specificity the basis for any rejection thereof.
3. The Evaluation Committee, with assistance of the Purchasing Division and based on information provided by the applicable County Agencies and the Office of the County Attorney, shall determine whether vendors who have submitted responsive submissions are responsible. Notwithstanding the foregoing, the awarding authority for a solicitation shall have the ultimate authority to determine whether vendors who have submitted responsive submissions are responsible. When making determinations of responsibility, the Director of Purchasing or the Evaluation Committee (as applicable) may request additional information from any vendor on matters that may affect a vendor's responsibility. The failure of a vendor to provide information requested by the County may result in a determination of non-responsibility. In addition, a vendor may submit information regarding its responsibility; provided, however, that such information shall not be considered if it contradicts or materially alters the information provided by the vendor in its original response to the solicitation.

S. Vendor Protest

Part X of the Broward County Procurement Code sets forth procedural requirements that apply if a Vendor intends to protest a solicitation or proposed award of a contract and states in part the following:

1. Any written protest concerning the specifications or requirements of a solicitation (or of any addenda thereto) must be received by the Director of Purchasing within five (5) business days after the applicable solicitation (or addenda) is posted on the Purchasing Division's website.
2. Any written protest concerning a proposed award or ranking must be received by the Director of Purchasing within five (5) business days after the proposed award or ranking is posted on the Purchasing Division's website.
3. Calculation of Days. Unless otherwise expressly stated, all references to "days" mean calendar days between the hours of 8:30 a.m. and 5:00 p.m., excluding days that are County holidays. All references to "business days" mean Monday through Friday between the hours of 8:30 a.m. and 5:00 p.m., excluding days that are County holidays. In calculating time periods, the day of the event that triggers the time period shall be excluded from the calculation (for example, objections to a ranking must be filed within three (3) business days after the ranking is posted, so an objection to a ranking posted on a Monday must be filed no later than 5:00 p.m. on Thursday). Failure to file a written protest so that it is received by the Director of Purchasing within the timeframes set forth in

Part X of the Broward County Procurement Code shall constitute a waiver of the right to protest. A protest submitted to anyone other than the Director of Purchasing shall not be a valid protest.

Except as to any protest of the specifications or requirements of a solicitation, as a condition of initiating any protest, the protestor must, concurrently with filing the protest, pay a filing fee for the purpose of defraying the costs in administering the protest in accordance with the scheduled provided below. The filing fee shall be refunded if the protestor prevails in the protest. Failure to timely pay the required filing fee shall render the protest invalid.

<u>Estimated Contract Amount</u>	<u>Filing Fee</u>
Mandatory Bid Amount up to \$250,000	\$500
\$250,000 - \$500,00	\$1,000
\$500,001 - \$5 million	\$3,000
Over \$5 million	\$5,000

The estimated contract amount shall be the total bid amount offered by the protesting vendor in its response to the solicitation, inclusive of any contract renewals or extensions. If no bid amount was submitted by the protestor, the estimated contract amount shall be the County's estimated contract price for the procurement. The County will accept a filing fee in the form of a money order, certified check, or cashier's check, payable to "Broward County," or other manner of payment approved by the Director of Purchasing.

T. RIGHT TO APPEAL

The protestor may appeal the Director of Purchasing's denial of the protest with respect to the proposed award of a solicitation in accordance with Part XII of the Broward County Procurement Code. Decisions by the Director of Purchasing with respect to the specifications or requirements of a solicitation may only be appealed to the County Administrator or their designee, who shall determine the method, timing, and process of the appeal and whose decision shall be final.

1. The appeal must be received by the Director of Purchasing within ten (10) days after the date of the determination being appealed.
2. The appeal must be accompanied by an appeal bond by a Vendor having standing to protest and must comply with all other requirements of Part XII of the Broward County Procurement Code.
3. Except as otherwise provided by law, the filing of an appeal is an administrative remedy that must be exhausted prior to the filing of any civil action against the County concerning any subject matter that, had an appeal been filed, could have been addressed as part of the appeal.

U. Rejection of Responses

The Director of Purchasing may reject all responses to a solicitation, even when only one response is received, if the Director of Purchasing determines that doing so would be in the best interest of the County; provided, however, that only the Board may reject all responses to a solicitation where the issuance of the solicitation was approved by the Board.

V. Negotiations

Once a ranking is deemed final, the County shall commence contract negotiations with the top-ranked vendor (or, if provided in the solicitation, with multiple top-ranked vendors simultaneously). If the negotiation does not result in mutually satisfactory contract terms within a reasonable time, as determined by the Director of Purchasing, then the Director of Purchasing may terminate negotiations with the applicable vendor and commence (or continue, if the solicitation provided for negotiation with multiple top-ranked vendors) negotiations with the next-ranked vendor(s) or issue a new solicitation, as the Director of Purchasing determines to be in the best interest of the County^[FA29] ^[CC30]. In accordance with Section 286.0113 of the Florida Statutes, and the direction of the Broward County Board of Commissioners, negotiations resulting from Evaluation Committee Meetings are closed. Only County staff and the selected vendor and their team will be present during negotiations.

- A. In accordance with the Broward County Business Opportunity Act of 2012, Section 1-81, Code of Ordinances, as amended (the "Business Opportunity Act"), this solicitation is reserved for County Business Enterprise (CBE) firms (CBE Reserve).
- B. CBEs and non-CBEs may respond to the solicitation.
- C. The CBE with the lowest responsive and responsible Bid, or with the highest-ranked responsive and responsible Proposal, as compared to all other CBEs (the "CBE Presumptive Awardee"), shall be awarded the contract if the CBE Presumptive Awardee meets the following requirements, as applicable:
 - (1) Monetary Differential: The total Bid or Proposal amount of the CBE Presumptive Awardee: (a)(i) does not exceed Three Million Dollars (\$3,000,000) and (ii) does not exceed the total amount of the lowest responsive and responsible Bid, or the total amount of the highest-ranked responsive and responsible Proposal, as applicable, from a non-CBE by more than ten percent (10%); or (b)(i) exceeds Three Million Dollars (\$3,000,000) and (ii) does not exceed the total amount of the lowest responsive and responsible Bid, or the total amount of the highest-ranked responsive and responsible Proposal, as applicable, from a non-CBE by more than five percent (5%); and
 - (2) Points Differential: For competitive solicitations in which the Proposals are assigned point totals, after deducting the points awarded for price from the total points awarded to each applicable Proposal, the total points assigned to the CBE Presumptive Awardee: (a) for Proposals that do not exceed Three Million Dollars (\$3,000,000), are not more than ten percent (10%) less than the total points assigned to the highest-ranked responsive and responsible non-CBE; or (b) for Proposals that exceed Three Million Dollars (\$3,000,000), are not more than five percent (5%) less than the total points assigned to the highest-ranked responsive and responsible non-CBE.

If the CBE Presumptive Awardee does not meet the above requirements, as applicable, then the CBE with the next lowest responsive and responsible Bid, or the next highest-ranked responsive and responsible Proposal, as compared to all other CBEs, will be deemed the CBE Presumptive Awardee and awarded the contract if the CBE Presumptive Awardee meets the above requirements, as applicable. If no CBE Presumptive Awardee meets the above requirements, as applicable, the award shall be made to the non-CBE that submits the lowest responsive and responsible Bid, or the highest-ranked responsive and responsible Proposal, provided the Director of Purchasing determines the total amount of the Bid or Proposal is fair and reasonable, unless (a) the Director of Office of Economic and Small Business Development (OESBD) issues a written determination that re-solicitation with modified specifications is likely to result in one or more Bids or Proposals from CBEs that would be eligible to receive the contract award; and (b) the Director of Purchasing issues a written determination that the delay occasioned by re-solicitation would not materially harm the County's interests.

- D. If a non-CBE is awarded the contract because no CBE with capacity to perform the work submits a responsive and responsible Bid or Proposal, or because no CBE meets the applicable requirements stated above, any contract awarded to a non-CBE must include at least a twenty-five percent (25%) CBE goal (unless the CBE goal is waived or otherwise modified by Board action).

An example of this calculation is stated in Section 1-81.7, Broward County Code of Ordinances.
 4. Vendor shall comply with all applicable requirements of the Business Opportunity Act in the award of this contract. Failure by Vendor to carry out any of these requirements shall constitute a material breach of the contract, which shall permit the County to terminate this contract or to exercise any other remedy provided under this contract, the Broward County Code of Ordinances, the Broward County Administrative Code, or other applicable laws, with all such remedies being cumulative.
 5. Vendor shall pay its CBE subcontractors and suppliers, within fifteen (15) days following receipt of payment from the County, for all completed subcontracted work and supplies. If Vendor withholds an amount from CBE subcontractors or suppliers as retainage, such retainage shall be released and paid within fifteen (15) days following receipt of payment of retained amounts from the County.
