PROJECT APPROACH

2a

2a) Describe the Vendor's approach to the project and how the Vendor will plan, organize, fund, staff, promote, operate, and administer a drive through holiday light display event that is expected to operate daily prior to Thanksgiving Day to after New Year's Day.

- Include the proposed traffic route in Tradewinds Park that will be used.

- Include the number of holiday displays that will be used as well as a description of each display; specify any supportive lighting that will be used along the route.

PROJECT APPROACH STEPS

Plan.

Planning is initiated with the takedown and debrief session of the latest Event where changes and improvements for the next season are discussed and documented. Topics covered include: ingress, egress, traffic control, security, safety, displays, electrical distribution, marketing, attendance, ticketing and staffing. Planning is a twelve-month process at Brandano Displays, Inc.

Organize.

Deadlines are set for display selection, electrical distribution, permitting, ticketing, pricing, promotion and security.

Fund.

Funding for the event is internal and planned early. Funding includes: storage, display preparation labor, display preparation parts, insurance, security, installation and transportation.

Permitting.

Applications for event and electrical permits are prepared for timely submission to the City of Coconut Creek.

Staff.

Communication with our seasonal staff is year-round. In 2024, we had an 89% return rate of employees with our Broward based staff.

Promote.

Promotion is year-round. We are in contact with our online friends of the event through email. Space is reserved on Broward, Dade and Palm Beach County media "Holiday Calendars". Promotional partnerships are secured with other regional family-friendly attractions and events.

Operate.

Brandano Displays, Inc.'s Margate based operation staff is prepared for the "season" and being open nightly (including Thanksgiving, Christmas Eve, Christmas Day, New Year's Eve and New Year's Day). Working as an experienced team, we have all bases covered. We both cross train team members and overstaff to ensure a smooth operation nightly.

Administration.

Administration of the Event is year-round with our Margate based management team whose responsibilities include accounts payable, government compliance, sales tax preparation, permitting, payroll, communication and equipment maintenance. An experienced local administration staff enables us to effectively administer the operation of Holiday Fantasy of Lights.

PROJECT APPROACH

2b

2b) Describe how the Vendor will maintain power and/or provide power sources to all displays along the route which includes prior to the Event, during the Event, and after the Event.

POWER SOURCES

The Holiday Fantasy of Lights program is designed to be powered by the existing permanent distribution in the Park and maintained by the County. Display locations remain the same annually, however the actual displays change, and power requirements do vary year to year. An electrical engineer validates our plan prior to submission for permitting.

Maintaining power and the lighting of the program nightly is accomplished by the following:

Displays.

Displays are tested for continuity and grounded at the time of installation.

Cords.

Cords are marked for visibility by lawn crews. Connections are mounted above ground and weatherproofed with plastic coverage.

Nightly Inspection.

After closing, the program is inspected for bulb burnouts and damage. Issues are noted and placed on a work list for the next day.

Daily Light Up.

The maintenance team performs the work designated in the closing documents from the previous night. The program is fully lit two hours prior to opening. Displays are inspected and adjusted or repaired as needed.

Malfunctioning Displays.

Malfunctioning displays which cannot be field repaired quickly, are replaced with substitutes for the evening.

Electrician.

Our company electrician is on call to make any repairs to our equipment.

PROJECT APPROACH

2c

2c) Describe any alterations that will be made to the program from year to year to ensure the event remains captivating for repeat customers.

YEAR TO YEAR ALTERATIONS

Brandano Displays, Inc. has provided and choreographed the displays for Holiday Fantasy of Lights since 1993. The display program is a combination of themed promotional displays and traditional favorites of the community.

The signature themed displays consisting of multiple giant-scaled sculptures, are changed annually to provide a different experience for visitors each year. These displays account for approximately 30% of the lights and displays in the program.

Holiday traditional displays are moved and repositioned annually to be viewed from different sightlines.

PROJECT APPROACH

2d

2d) Specify how the Vendor will maintain vehicular traffic control in the waiting line prior to entering, at the entrance, and throughout the route.

TRAFFIC CONTROL

Traffic control varies nightly depending on attendance and weather.

Staffing.

Our parking staff is experienced by working multiple seasons at HFOL. They also received extensive training as attendants at other events including Florida Renaissance Festival and Miami Dolphin football games.

Entrance.

The Coconut Creek Police department is hired to control the light at the North Entrance to Tradewinds Park and Sample Road.

Staging Line.

Inside the Park two lines are formed with cars in a close formation. Eight employees manage this area on busy nights.

Transaction Area.

Four lanes are formed to expedite entry. Traffic is greeted by the welcome staff to again expedite the traffic and prevent back up onto Sample Road. Ten employees work this area on busy nights.

Exit.

A team member is stationed at the end of the experience to answer questions, provide directions and expedite traffic.

Heavy Nights.

There is a special program for heavily attended nights including early entry and early pay opportunities.

Weather Interruptions.

Protocol is established to handle nights with heavy weather conditions.

PROJECT APPROACH

2e

2e) Specify how the Vendor will handle admission and revenue collection. Include any proposed special events, special nights, or designated stop-off points that may be part of the overall event.

ADMISSION AND REVENUE COLLECTION

DRIVE THROUGH EVENT

Revenue Collection.

Revenue collection includes cash, credit card and online ticketing. Each transaction is appealing to a segment of the nightly visitors.

Cash.

Cash payments are accepted to accommodate the long-term customers who have been paying cash for years and may be frustrated by today's technology.

Credit Card.

Credit Cards are accepted at the gate; however, it is the slowest transaction.

Online.

This payment option has the quickest transaction time; however, the processing increases the admission price for the visitors.

SPECIAL EVENTS

Special Events.

Special Events admission is purchased as an online transaction. This controls visitor arrivals at the Event.

Special Nights.

Special Nights admission is purchased as an online transaction. This controls visitor arrival at the Event.

Stop-Off Points.

HFOL is a busy experience and Tradewinds Park is a busy Park. Stop-off points slow event traffic and will eventually back up traffic. Visitors are expected to stay in their vehicles; we do not offer stop-off points other than restrooms.

**3a) Describe prime Vendor's experience on projects of similar nature, scope and duration, along with evidence of satisfactory completion, both on time and within budget, for the past five years. Provide a minimum of three projects with references.
- Specify which of the Vendor's team is involved.**

Vendor should provide references for similar work performed to demonstrate evidence of qualifications and previous experience. Refer to Vendor Reference Verification Form and submit as instructed. Only provide references for non-Broward County Board of County Commissioners contracts. For Broward County contracts, the County will review performance evaluations in its database for vendors with previous or current contracts with the County. The County considers references and performance evaluations in the evaluation of Vendor's past performance.

PREVIOUS PROJECTS + TEAM

Brandano Displays, Inc. is pleased to present the following references. Our customer base varies in scope and scale. Our business is focused on bringing Holiday Décor to public places. In addition to providing the highest quality products, we offer our customers a full slate of service options to meet their needs. Services include design, engineering, installation, maintenance, storage, and event management. We can rarely offer a package including all of our services due to the geographical location of projects. We are pleased to be able to provide a full-service program to Broward County Parks. Vendor's experience on projects of similar nature include the following:

VENDOR PROJECT 1 – Annapolis, MD

3b) Describe any experience the Vendor has operating a similar project within a construction zone, where the Vendor may be asked to quickly relocate displays from one area to another throughout the duration of the Event or maintain power to the displays when an unanticipated power outage may occur as a result of the construction.

PROJECT WITHIN A CONSTRUCTION ZONE AND/OR POWER OUTAGE

Brandano Displays, Inc. has worked on multiple Holiday Lighting projects while construction was in process. Navigating with the construction at Tradewinds Park would be best served by:

Communication at Weekly Project Meetings.

Attendance at weekly project meetings while mobilized in the Park, would allow us to plan for any display relocations or traffic changes. Brandano Displays, Inc. understands the construction business and is willing to participate in changes to meet their needs.

Program Design.

With proper notification, we can design our program with flexibility and portability as key criteria.

Location.

Our main facility is three miles from Tradewinds Park. Brandano Displays, Inc. has crews out daily servicing our projects in South Florida. We can make an emergency moves within hours.

Staff.

On-site staff includes installation technicians working in the Park each day.

Mr. John Brandano
BRANDANO DISPLAYS, INC
 1473 Banks Road
 Margate, Florida 33063

Dear Mr. Brandano:

The Broward County Office of Economic and Small Business Development (OESBD) is pleased to announce that your firm's **County Business Enterprise (CBE)** and **Small Business Enterprise (SBE)** certifications have been renewed.

Please note: your certifications are continuous but are contingent upon your firm verifying annually its eligibility in the CBE and SBE programs. Each year, on the anniversary of the date you were awarded certification, you **must submit to OESBD** a Personal Net Worth Worksheet, a copy of the previous year's Business Tax Return, copies of the current professional licenses, and County and local business tax receipts. As a courtesy, OESBD will notify you in advance of your obligation to provide the continuing eligibility documents. **However, the responsibility to ensure continued certification is yours.**

To access and respond to Broward County's solicitations, you will need to be a registered vendor with Broward County. The current web-based procurement platform is BPRO, powered by Bonfire. All vendors must complete the vendor registration process in Broward County's BPRO system. It is free to do so. Information on how to register your company can be found on the Purchasing Division's webpage: www.broward.org/Purchasing. Alternatively, you may use your camera to scan the QR code in this letter.

To review current Broward County Government bid opportunities visit: www.broward.org/Purchasing and click on "Current Solicitations and Results." Also, from this website, you can log into your firm's profile in BPRO to ensure you have added all appropriate classification codes. Bid opportunities greater than \$3,500 will be advertised to vendors via e-mail and according to classification codes, so please ensure that both the Purchasing Division and OESBD are apprised of your current e-mail address.

Your primary certification group is: **Contract Services/Commodity Suppliers**. This is also how your listing in our directory will read. You may access your firm's listing by visiting the Office of Economic and Small Business Development Directory, located on the internet at: www.broward.org/EconDev and click on "Certified Firm Directories."

PRICING

6

6) Annual Minimum Guarantee and Percentage Fee

The contract is based on an Annual Minimum Guarantee (AMG) payable to the County in two (2) installment payments, along with a Percentage Fee of Gross Receipts for each Annual Event. Award is on a 100-point scale system. Both the proposed AMG and Percentage Fee for the total potential five-year term will be used to calculate the total pricing points.

6a) The AMG pricing points will be determined by applying the following formula (in lieu of Standard Instructions formula for pricing):

(Vendor's Proposed AMG Total divided by Highest AMG Total) [for any vendor]

X (Maximum Number of Points for AMG) = Points for AMG Fee

6b) The Percentage pricing points will be determined by applying the following formula (in lieu of Standard Instructions formula for pricing):

(Vendor's Proposed Percentage Fee Total divided by Highest Percentage Fee Total) [for any vendor]

x (Maximum Number of Points for Percentage Fee) = Points for Percentage Fee

AMG AND PERCENTAGE PRICING

Brandano Displays, Inc. agrees to pay an annual concession fee of 5% of Gross Sales (Percentage Fee) or \$62,000.00 (Annual Guarantee Minimum) whichever is greater.

Payments of \$31,000.00 will be made on December 1 and December 30 annually. Brandano will pay the percentage differential, if any (percentage – minimum payment) by January 31 of the contract year.

**AGREEMENT BETWEEN BROWARD COUNTY AND [REDACTED] FOR HOLIDAY
FANTASY OF LIGHTS AT TRADEWINDS PARK (RFP #PNC2127421P1)**

This agreement (“Agreement”) is between Broward County, a political subdivision of the State of Florida (“County”), and [REDACTED], a [REDACTED] (“Concessionaire”) (each a “Party” and collectively referred to as the “Parties”).

RECITALS

A. [Insert recitals identifying the solicitation, the Park, the Licensed Premises (generally), and the type of services to be performed by Concessionaire.]

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1. DEFINITIONS

- 1.1. **Applicable Law** means all applicable laws, codes, advisory circulars, rules, regulations, and ordinances of any federal, state, county, municipal, or other governmental entity, as may be amended.
- 1.2. **Board** means the Board of County Commissioners of Broward County, Florida.
- 1.3. **Code** means the Broward County Code of Ordinances.
- 1.4. **Concession-Related Improvements** means the improvements or installation projects to be completed by Concessionaire, as specified in Exhibit F (Concession-Related Improvements Plan).
- 1.5. **Concession Services** means the provision of the goods and services defined in Exhibit A, for sale or rent, by Concessionaire to the public at the Licensed Premises.
- 1.6. **Contract Administrator** means the Director of Broward County Parks and Recreation, the Assistant Director of Broward County Parks and Recreation, or such other person designated by the Director of Broward County Parks and Recreation in writing.
- 1.7. **Contract Year** means the annual period beginning on the Effective Date (defined herein) and ending twelve (12) months later (Contract Year 1), and each succeeding twelve (12) month period thereafter during the Term (Contract Year 2, Contract Year 3, etc.).
- 1.8. **County Business Enterprise** or **CBE** means an entity certified as meeting the applicable requirements of Section 1-81 of the Code.
- 1.9. **Division** means the Broward County Parks and Recreation Division.
- 1.10. **Event** means the annual Holiday Fantasy of Lights event held at the Park.

1.11. **Event Period** means the time period beginning on the first day and ending on the last day that the Event is open to the public.

1.12. **Gross Receipts** means all monies or other consideration paid or payable to, or received by, Concessionaire and any of its Subcontractors from any source from Concession Services, including the sale of food, beverages, and merchandise, regardless of when or where the order therefor is received or the goods delivered or services rendered, whether paid or unpaid, whether on a cash or credit basis or in consideration of any other thing of value. Sales refunds, returned merchandise, credit card charge backs, and any taxes imposed by law paid by a customer and directly payable by Concessionaire to a taxing authority or to County are not included as Gross Receipts. Insurance proceeds shall not be included in Gross Receipts.

1.13. **Licensed Premises** means the specific areas designated by County within the Park, as depicted on Exhibit B (Locator Map), where Concessionaire will operate the Concession Services.

1.14. **Park** means the property located at 3600 West Sample Road, Coconut Creek, Florida 33073, commonly referred to as Tradewinds Park.

1.15. **Park Purpose** means a use of the Licensed Premises and the Park in the pursuit of outdoor leisure, athletic, or recreational activities and facilities ancillary thereto, as more fully defined in Section 8.13 of the Broward County Charter.

1.16. **Percentage Fee** means a certain portion of the Gross Receipts as further defined in Section 5.2.

1.17. **Personal Property** means Concessionaire's equipment, inventories, materials, supplies, and other personal property located within the Licensed Premises that are not Concession-Related Improvements.

1.18. **Purchasing Director** means County's Director of Purchasing.

1.19. **Services** means all work required of Concessionaire under this Agreement, including without limitation the performance of the Concession Services, the Concession-Related Improvements, and all deliverables, consulting, training, project management, and other activities specified in Exhibit A (Scope of Services).

1.20. **Small Business Enterprise** or **SBE** means an entity certified as meeting the applicable requirements of Section 1-81 of the Code.

1.21. **Subcontractor** means an entity or individual providing Services to County through Concessionaire. The term "Subcontractor" includes all subconsultants.

ARTICLE 2. EXHIBITS

Exhibit A	Scope of Services
Exhibit B	Locator Map

Exhibit C	Minimum Insurance Coverages
Exhibit D	Declaration of Criminal Background Screening
Exhibit E	Pricing of Concession Services
Exhibit F	Concession-Related Improvements Plan

ARTICLE 3. TERM AND TIME OF PERFORMANCE

3.1. Term. This Agreement begins on the date it is fully executed by the Parties (“Effective Date”) and continues through the last day of Contract Year 3. (“Initial Term”), unless otherwise terminated or extended as provided in this Agreement. The Initial Term, Extension Term(s), and any Additional Extension, as those terms are defined in this article, are collectively referred to as the “Term.”

3.2. Extensions. County may extend this Agreement for up to two (2) additional one (1) year terms (each an “Extension Term”) on the same rates, terms, and conditions stated in this Agreement by sending written notice to Concessionaire at least ~~thirty (30) days~~ **one hundred and fifty (150) days** prior to the expiration of the then-current term (“Extension Notice”). If County and Concessionaire have agreed to Concession-Related Improvements to be made during an Extension Term prior to the Extension Notice being made, the Extension Notice shall include a Concession-Related Improvements schedule for the Extension Term. The Purchasing Director is authorized to exercise any Extension Term(s), and notice of same to Concessionaire by electronic mail alone shall be effective and sufficient.

3.3. Additional Extension. If the Purchasing Director determines, in their sole discretion, that unusual or exceptional circumstances render the exercise of an Extension Term not practicable, or that no Extension Term remains available and expiration of this Agreement would, result in a gap in necessary Services, then the Purchasing Director may extend this Agreement for one or more additional periods not to exceed one (1) year in the aggregate on the same rates, terms, and conditions as existed at the end of the then-current term (each such extension is an “Additional Extension”). The Purchasing Director may exercise the Additional Extension by written notice to Concessionaire at least thirty (30) days prior to the end of the then-current term, stating the duration of the Additional Extension. The Additional Extension must be within the authority of the Purchasing Director or otherwise authorized by the Board.

3.4. Fiscal Year. The continuation of this Agreement beyond the end of any County fiscal year (October 1 through September 30) is subject to both the appropriation and the availability of funds pursuant to Chapter 129 and, if applicable, Chapter 212, Florida Statutes.

3.5. Time of the Essence. Time is of the essence for Concessionaire’s **and County’s** performance of all Services and all other duties, obligations, and responsibilities required of Concessionaire by this Agreement.

ARTICLE 4. USE OF THE LICENSED PREMISES; SCOPE OF SERVICES

4.1. Use of Licensed Premises. Subject to the terms of this Agreement, Concessionaire shall be the exclusive vendor authorized to provide the Concession Services within the Licensed Premises. Concessionaire's exclusive authorization applies only to the provision of the Concession Services, and County retains the right to use the Licensed Premises for other activities.

4.1.1. Concessionaire and its Subcontractors are prohibited from using any other portions of the Park that are not part of the Licensed Premises without the prior written consent of the Contract Administrator. Any modifications to the Concession Services or Concession-Related Improvements require execution of an amendment to this Agreement in accordance with Section 22.19, unless otherwise provided herein.

4.1.2. County hereby grants Concessionaire, and its employees, volunteers, Subcontractors, patrons, and invitees, the nonexclusive privilege of ingress and egress to the Licensed Premises to exercise the rights and license granted in this Agreement or to access the Concession Services.

4.1.3. The Services, including Concessionaire's use of office space on the Licensed Premises, must at all times serve a Park Purpose.

4.1.4. The Licensed Premises are being made available to Concessionaire in an "as is" condition. County makes no representations or warranties regarding the safety or suitability of the Licensed Premises for the performance of Services as provided in this Agreement. Concessionaire acknowledges it has inspected the Licensed Premises and determined that the locations are safe and suitable for Concessionaire's performance of the Services. Concessionaire shall notify the Contract Administrator in writing of any issues or safety concerns that it observes on the Licensed Premises and shall take all action necessary to remedy or resolve any such issues or safety concerns within a timely manner.

4.1.5. Concessionaire shall inform the Contract Administrator in writing within twenty-four (24) hours of any and all injuries to any individual(s) or damage to any real or Personal Property caused by Concessionaire or its officers, employees, agents, Subcontractors, vendors, guests, invitees, or patrons that occurs within the Licensed Premises or the Park, and Concessionaire shall be fully responsible for all such injuries or damages, subject to the provisions stated in Article 15.

4.1.6. Concessionaire, its employees, volunteers, agents, and Subcontractors shall not conduct any activity on the Licensed Premises or in the Park that is not expressly authorized under this Agreement, unless approved in writing in advance by the Contract Administrator or such other authority for County, as appropriate. Concessionaire shall take reasonable steps to prevent patrons and invitees within the Licensed Premises from engaging in any conduct prohibited under this Agreement.

4.2. Scope of Services. Concessionaire shall perform all Services required under this Agreement including, without limitation, the work specified in Exhibit A (the “Scope of Services”). The Scope of Services is a description of Concessionaire’s obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks that are such an inseparable part of the work described that exclusion would render performance by Concessionaire impractical, illogical, or unconscionable.

4.3. Prices Charged by Concessionaire. All items and services approved by County to be offered for sale or rent to the public by Concessionaire as part of the Concession Services, as well as the initial prices for same, are included in Exhibit E (Pricing of Concession Services). Concessionaire shall not change the prices or items listed in Exhibit E without the prior written approval from the Contract Administrator, which shall not be unreasonably withheld. All changes to Exhibit E so approved by County will be deemed to automatically update Exhibit E and will not require a formal amendment to this Agreement.

ARTICLE 5. ANNUAL MINIMUM GUARANTEE; FEES

5.1. Annual Minimum Guarantee. Concessionaire shall pay to County an annual guaranteed sum (“Annual Guarantee”) in accordance with this section. The Annual Guarantee shall be paid in two (2) installments (each an “Annual Guarantee Installment”), each equal to one-half (1/2) of the Annual Guarantee applicable for the Contract Year then in effect, in accordance with Section 5.3.

5.1.1. The Annual Guarantee amount for each Contract Year shall be as follows, subject to any applicable CPI-U adjustment pursuant to Section 5.1.2:

Contract Year	Annual Guarantee
Contract Year 1	\$
Contract Year 2	\$
Contract Year 3	\$
Contract Year 4	\$
Contract Year 5	\$
TOTAL:	\$

5.1.2. CPI-U Increase. The Annual Guarantee for the applicable Contract Year, for Contract Year 2 through Contract Year 5, shall be the greater of the following: (a) the amount stated in Section 5.1.1 for that Contract Year; or (b) the amount stated in Section 5.1 for the prior Contract Year increased by the Consumer Price Index for All Urban Consumers (“CPI-U”) for Miami-Fort Lauderdale-West Palm Beach. The CPI-U increase is calculated as follows: the difference of the CPI-U current period less the CPI-U previous period, divided by the CPI-U previous period, times 100. The CPI-U current period means the most recently published monthly index prior to the start of the applicable new Contract Year. The CPI-U previous period means the same month of the prior year. Any adjustment to the Annual Guarantee shall be effective on the first day of the new Contract Year, without prior notice required to Concessionaire.

5.2. Percentage Fee. The Percentage Fee shall be calculated as percent (%) of Gross Receipts for each annual Event.

5.3. Event Payments.

5.3.1. Annual Guarantee Installment. Concessionaire shall pay to County the first Annual Guarantee Installment payment ~~December 1 and December 30 no later than the first day of the Event Period during~~ of the applicable Contract Year. Concessionaire shall pay to County the second Annual Guarantee Installment payment ~~December 1 and December 30 no later than the last day of the Event Period during~~ of the applicable Contract Year.

5.3.2. Percentage Fee Differential. For each Contract Year, Concessionaire shall pay to County the amount (if any) by which the Percentage Fee for the Event exceeds the applicable Annual Guarantee. This percentage fee differential will be paid to County within thirty (30) days after the end of the Event Period.

5.3.3. Additional Fees. Any additional fees due to County as provided in this Agreement (inclusive of the Scope of Services) must be paid to County no later than ~~the fifteenth (15th) calendar day of the month after the period for which the fee is applicable,~~ fifteen (15) days after invoiced from the County (Net 15), unless otherwise stated herein.

5.3.4. Method of Payment. Each payment shall be due and payable by Concessionaire, without billing, and without setoff or deduction, except as may be expressly permitted in this Agreement, commencing on the Effective Date. All payments shall be made to County by ACH directed by Accounting Department or at the address listed in Section 22.9, with attention to the "Accounting

Department," unless otherwise directed by the Contract Administrator in writing.
5.4. Late Fees; Payment Dates Falling on a Weekend. If any Annual Guarantee Installment or Percentage Fee payment is not received by County within five (5) days after the date such payment was due, then beginning on the sixth (6th) day, a late fee in the amount of One Hundred Dollars (\$100.00) per day, up to a maximum amount equal to five percent (5%) of the late payment amount, shall accrue until the applicable payment is received by County. Concessionaire's payment of any late fees that may be due does not cure Concessionaire's breach of the Agreement for failure to timely make payment and does not prohibit County from exercising its right to terminate as set forth in Article 13 or seek any other remedies at law or in equity. Should a payment due date fall on a weekend day or national, state, or County holiday, the applicable payment is due and payable on the immediately preceding County business day.

5.5. Event Reports. Within thirty (30) days after the end of each Event Period, Concessionaire shall furnish to the Contract Administrator a report of Gross Receipts for the preceding Event. The reports shall be on a form approved in writing in advance by the Contract Administrator. Each report shall include Concessionaire's certification of the accuracy of the reported Gross Receipts, signed by an authorized representative of Concessionaire. The requirement to furnish a final Event report to County shall survive expiration or earlier termination of this Agreement.

5.6. Permits and Additional Fees. Concessionaire is required to procure and obtain, at its sole cost, all permits, licenses, and approvals required by Applicable Law for the Services. Concessionaire must, prior to the sale of food, beverages, or merchandise within the Licensed Premises, furnish to County any federal, state, or city permits, licenses, approvals, or business tax receipts required under Applicable Law. Concessionaire is not required to obtain a park permit from County for the Services, inclusive of any special events described in the Scope of Services. Should Concessionaire wish to hold an event at the Park not included in the Scope of Services, it may do so only upon issuance by County of a park permit for that event; County may issue the park permit in its sole discretion. Concessionaire is solely responsible for any permit application or additional fees incidental to the use of the Park and/or Licensed Premises for any such event, including, but not limited to, fees for use and lighting of the Park and any applicable gate admission fees, which fees shall be payable by Concessionaire to County per the then-applicable standard County requirements including as may be provided in the park permit.

5.7. Subcontractors. Concessionaire shall be solely responsible for payment of all Subcontractor fees and payments, and County shall have no liability in connection therewith.

ARTICLE 6. PAYMENT OF OBLIGATIONS AND TAXES

6.1. Concessionaire shall timely pay when due all taxes and other costs lawfully assessed against its business and legal interest in the operation of the Services. Concessionaire shall not be deemed in default of its obligations under this Agreement for failure to pay such taxes pending the outcome of any legal proceedings instituted to determine the validity or amount of such taxes or other costs.

6.2. Concessionaire shall be solely liable for the State of Florida sales tax, and any sales and use tax imposed by Section 212.031, Florida Statutes, on amounts payable to County under this Agreement, subject to any exemptions from payment of sales and use tax provided by law. The sales and use tax payments shall be remitted to County by Concessionaire in addition to, and not incorporated into, the Annual Guarantee or any other payments made to County. Concessionaire shall remit the sales and use tax payments to County contemporaneously with the applicable payment (e.g., Annual Guarantee Installment or Percentage Fee payment) required in Section 5.3. Sales and use tax shall be payable to County, and County will then remit to the appropriate taxing agencies. If a taxing agency determines and assesses the amount of any additional sales and use tax, penalty, or interest due for any sales and use tax payments during the Term, Concessionaire shall promptly make such payment to County and County will remit same to the taxing agency. If Concessionaire fails to remit to County any sales and use tax, penalty, or interest when due, County has the right, but not the obligation, to timely pay the amounts due to the appropriate tax agencies, in which event Concessionaire must reimburse County such amounts in full, together with interest accruing thereon at the maximum interest rate allowed by Applicable Law.

6.3. Performance and Payment Bonds. Not less than fifteen (15) calendar days before commencement of each of the Concession-Related Improvements, Concessionaire, or its licensed Subcontractor hired to perform the applicable Concession-Related Improvements, shall furnish

performance and payment bonds as financial security, in the form approved by the Contract Administrator, and Broward County shall be named as a dual obligee on the performance and payment bonds. Acceptable forms may include, but are not limited to, AIA forms or other industry standard forms.

6.3.1. Each bond shall be in the amount of one hundred percent (100%) of the cost of the Concession-Related Improvements being performed, guaranteeing the completion and performance of such improvements, as well as full payment of all suppliers, laborers, or Subcontractors performing the Concession-Related Improvements.

6.3.2. Each bond required by Section 6.3.1 shall continue in effect for one (1) year after a certificate of occupancy is obtained or completion of the applicable Concession-Related Improvements; if the bond expires upon completion of the Concession-Related Improvements, an additional bond shall be provided guaranteeing that Concessionaire, or its licensed Subcontractor hired to perform such Concession-Related Improvements, as applicable, will correct any defective or faulty work or materials that appear within one (1) year after final completion and County's acceptance of the applicable Concession-Related Improvements.

6.3.3. The payment and performance bonds must be from a surety company that: (i) has at least twice the minimum surplus and capital required by the Florida Insurance Code at the time of construction of the Concession-Related Improvements; (ii) is otherwise in compliance with the provisions of the Florida Insurance Code; and (iii) holds a currently valid certificate of authority issued by the United States Department of the Treasury under Sections 9304 through 9308 of Title 31 of the United States Code. Concessionaire shall provide an affidavit certifying compliance with these requirements in a form approved by the Contract Administrator.

6.4. Alternate Form of Security. In lieu of providing performance and payment bonds, Concessionaire may furnish County with an alternate form of security, which may be in the form of cash, money order, certified check, cashier's check, or unconditional letter of credit in the amount equal to one hundred percent (100%) of the cost of the applicable Concession-Related Improvements. Such alternate form of security shall be subject to the approval of the Contract Administrator and the applicable conditions set forth in Section 6.3, and shall be held by County for up to one (1) year after final completion and County's acceptance of the applicable Concession-Related Improvements.

ARTICLE 7. REVENUE HANDLING AND REPORTING; RECORDS

7.1. Revenue Handling and Reporting. Concessionaire shall be responsible for handling the revenue received from the Services and accounting for such revenue in accordance with the policies and procedures prescribed by the Contract Administrator. The Contract Administrator shall provide Concessionaire with access to a revenue reporting form or program to utilize to ensure accountability of the funds. The Contract Administrator may also provide forms or instructions relating to accounting, recordation, and receipts.

7.2. Records. Throughout the Term, Concessionaire shall maintain all books of account, reports, and records customarily used in Concessionaire's type of operation, and all such records that are necessary to document Concessionaire's activities pursuant to this Agreement, including all monies collected as part of the Concession Services including, but not limited to, Gross Receipts. The form, format, and program of all such records, cash registers, tapes, books, ledgers, journals, sales slips, and invoices installed or used for recording the operations of Concessionaire under this Agreement shall be subject to the approval of the Contract Administrator prior to commencement of and during operations of the Services. The Contract Administrator may reasonably modify the reports and records requirements under this Agreement in their sole discretion. The recordkeeping period and requirements under this Agreement will comply with the then-current Internal Revenue Service guidelines.

7.3. Concessionaire shall, at its own expense, provide County with an annual examination report of the Concession Services revenue and Percentage Fee. This report shall be prepared accompanied by an accountant's report containing an opinion of an independent Certified Public Accountant ("CPA"), licensed by the State of Florida, in accordance with attestation standards established by the American Institute of Certified Public Accountants (AICPA). The report shall be submitted to the Contract Administrator within ninety (90) days after the end of each Contract Year, and shall include the following:

7.3.1. Schedule of all revenues by category;

7.3.2. Schedule of all revenues by category upon which the Percentage Fee is computed and a list of the payments to County for the Contract Year; and

7.3.3. A calculation to determine that the Percentage Fee differential has been paid in accordance with this Agreement.

A final report shall be provided by Concessionaire to County within ninety (90) days after the termination or expiration of this Agreement, and shall include the same information as required for the annual reports for the time period between the period covered by the last annual report and the date of termination or expiration of this Agreement. The requirement to file a final report with County shall survive expiration or earlier termination of this Agreement.

7.4. Concessionaire shall allow the Contract Administrator or the Office of the County Auditor to inspect all or any part of the processes and procedures utilized by Concessionaire to prepare the Event reports required under Section 5.5. Any inspections as provided under this section shall be reasonable and are at the sole discretion of the Contract Administrator. Records shall always be available Monday through Friday between the hours of 9:00 a.m. and 5:00 p.m. at a location within Broward County.

7.5. Concessionaire shall furnish all reports required under the terms of this Agreement to the Contract Administrator at the address provided in the "Notices" section of this Agreement.

ARTICLE 8. CRIMINAL BACKGROUND SCREENING

8.1. Concessionaire shall perform criminal background screening on its officers, employees, agents, Subcontractors, and volunteers who will be performing Concession Services on the Licensed Premises. Notwithstanding the above, Concessionaire shall not be required to comply with the provisions for criminal background screening under this article for independent contractors or Subcontractors whose activities are limited to coming into the Park to make deliveries of goods or services for, or relating to, the Concession Services.

8.2. Concessionaire shall not employ nor permit any person to provide any Concession Services in the Park who: (i) is listed as a sexual predator or sexual offender on the Florida Department of Law Enforcement Sexual Offenders and Predators Search Website or the United States Department of Justice Dru Sjodin National Sex Offender Public Website; or (ii) who has been convicted of or is pending adjudication of any of the following charges: sexual misconduct; adult abuse, neglect, or exploitation of aged persons or disabled adults or failure to report such abuse; criminal offenses that constitute domestic violence, whether committed in Florida or another jurisdiction; murder; manslaughter, aggravated manslaughter of an elderly person or disabled adult, or aggravated manslaughter of a child; vehicular homicide; killing an unborn child by injury to the mother; assault, battery, and culpable negligence, if the offense was a felony; assault of a minor; battery of a minor; kidnapping; false imprisonment; luring or enticing a child; taking, enticing, or removing a child beyond state limits with criminal intent pending a custody proceeding; carrying a child beyond the state lines with criminal intent to avoid producing a child at a custody hearing or delivering the child to a designated person; exhibiting firearms or weapons within 1,000 feet of a school; possessing an electric weapon or device, destructive device, or other weapon on school property; sexual battery; prohibited acts of persons in familial or custodial authority; unlawful sexual activity with a minor; prostitution; lewd and lascivious behavior; lewdness or indecent exposure; arson; burglary; felony voyeurism; felony theft or robbery; felony fraudulent sale of controlled substances; abuse, aggravated abuse, or neglect of an elderly person or disabled adult; lewd or lascivious offenses committed upon or in the presence of an elderly person or disabled adult; felony exploitation of disabled adults or elderly persons; incest; child abuse, aggravated child abuse, or neglect of a child; contributing to the delinquency or dependency of a child; negligent treatment of children; sexual performance by a child; resisting arrest with violence; depriving a law enforcement, correctional, or correctional probation officer's means of protection or communication; aiding in an escape; aiding in the escape of juvenile inmates in a correctional institution; any offense related to obscene literature; encouraging or recruiting another to join a criminal gang; felony sale, manufacturing, delivery, or possession with intent to sell, manufacture, or deliver, of a controlled substance to a minor; inflicting cruel or inhuman treatment on an inmate resulting in great bodily harm; harboring, concealing, or aiding an escaped prisoner; introduction of contraband into a correctional facility; sexual misconduct in juvenile justice programs; contraband introduced into detention facilities; a crime under Section 944.35, Florida Statutes; or any attempt, solicitation, or conspiracy to commit any of the crimes included in this section. Each of the foregoing crimes are referred to as a "disqualifying offense."

8.3. Concessionaire shall maintain copies of the results of all criminal background screenings required by this article throughout the Term and promptly forward copies of same to County upon request from the Contract Administrator.

8.4. Concessionaire shall be required to furnish to the Contract Administrator, on an annual basis and simultaneously with the first Annual Guarantee Instalment described in Section 5.3, a Declaration of Criminal Background Screening, in the form attached as Exhibit D, listing the required information. The Contract Administrator may, in their discretion, permit Concessionaire to furnish the annual declaration in an electronic format.

8.5. If Concessionaire obtains, or is provided, supplemental criminal background information, including police reports and arrest information, showing that a person previously deemed eligible by Concessionaire to provide Concession Services has been arrested on or convicted of a disqualifying offense, Concessionaire shall take immediate action to review the matter; however, during such review time and until a determination of eligibility is made by Concessionaire based on the requirements of this article, Concessionaire shall immediately cease allowing the person to perform Concession Services. Additionally, Concessionaire shall require any person background screened pursuant to this article to notify Concessionaire within twenty-four (24) hours after any arrest related to a disqualifying offense that has occurred after the person was deemed eligible to work on the Licensed Premises.

8.6. Concessionaire shall, by written contract, require its Subcontractors who perform Concession Services to be subject to the requirements and obligations of this article.

8.7. The County Administrator may terminate this Agreement immediately for cause, and without an opportunity to cure, by written notice provided to Concessionaire, for any violation related to Concessionaire's failure to comply with this article. Concessionaire will not be subject to immediate termination if the County Administrator determines, in their sole discretion, that a violation of this article was outside the reasonable control of Concessionaire, and Concessionaire has demonstrated to the County Administrator subsequent compliance with the requirements of this article.

ARTICLE 9. HOURS OF OPERATION

9.1. Standard Hours of Operation. Concessionaire shall operate the Concession Services during the hours of operation set forth in the Scope of Services, weather permitting, or such other hours of operation that are requested in writing by Concessionaire and approved in writing in advance by the Contract Administrator.

9.2. Change of Hours of Operations Due to Public Health, Safety, or Welfare Risk. If the Contract Administrator determines, in their sole discretion, that it is necessary to protect the health, safety, or welfare of the public, or if County is required by any governing authority, to undertake a mandatory closure of the Park, or any portion thereof, or to cancel activities based upon the occurrence of acts of nature or other circumstances in the interest of public safety and welfare, including without limitation any public health emergency, pandemic, or epidemic, the

Contract Administrator may adjust the Concession Services' hours of operation, in whole or in part, accordingly. If the Park or the Concession Services are closed by County for more than ~~five (5)~~ **two (2)** consecutive calendar days, Concessionaire shall be entitled to a reduction in the Annual Guarantee Installment(s) due to County for the closure period, starting on the sixth (6th) consecutive day after the Park is closed, and prorated and credited on a day-by-day basis for each additional consecutive day of closure against the next-due payment following the closure period. The Contract Administrator shall provide Concessionaire with verbal notice of the closure, which shall be promptly confirmed by e-mail to the individual listed for Concessionaire under the "Notices" section of this Agreement. Concessionaire agrees to waive any and all claims against County for any lost revenues or business activities resulting from the adjusted hours of operations at the Park.

ARTICLE 10. REPRESENTATIONS AND WARRANTIES

10.1. Representation of Authority. Concessionaire represents and warrants that this Agreement constitutes the legal, valid, binding, and enforceable obligation of Concessionaire, and that neither the execution nor performance of this Agreement constitutes a breach of any agreement that Concessionaire has with any third party or violates Applicable Law. Concessionaire further represents and warrants that execution of this Agreement is within Concessionaire's legal powers, and each individual executing this Agreement on behalf of Concessionaire is duly authorized by all necessary and appropriate action to do so on behalf of Concessionaire and does so with full legal authority.

10.2. Solicitation Representations. Concessionaire represents and warrants that all statements and representations made in Concessionaire's proposal, bid, or other supporting documents submitted to County in connection with the solicitation, negotiation, or award of this Agreement, including during the procurement or evaluation process, were true and correct when made and are true and correct as of the date Concessionaire executes this Agreement, unless otherwise expressly disclosed in writing by Concessionaire.

10.3. Contingency Fee. Concessionaire represents and warrants that it has not employed or retained any person or entity, other than a bona fide employee working solely for Concessionaire, to solicit or secure this Agreement, and that it has not paid or agreed to pay any person or entity, other than a bona fide employee working solely for Concessionaire, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

10.4. Public Entity Crime Act. Concessionaire represents that it is familiar with the requirements and prohibitions under the Public Entity Crime Act, Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that statute. Concessionaire further represents that there has been no determination that it committed a "public entity crime" as defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether Concessionaire has been placed on the convicted vendor list.

10.5. Discriminatory Vendor and Scrutinized Companies Lists; Countries of Concern. Concessionaire represents that it has not been placed on the “discriminatory vendor list” as provided in Section 287.134, Florida Statutes, and that it is not a “scrutinized company” pursuant to Sections 215.473 or 215.4725, Florida Statutes. Concessionaire represents and certifies that it is not, and for the duration of the Term will not be, ineligible to contract with County on any of the grounds stated in Section 287.135, Florida Statutes. Concessionaire represents that it is, and for the duration of the Term will remain, in compliance with Section 286.101, Florida Statutes.

10.6. Claims Against Concessionaire. Concessionaire represents and warrants that there is no action or proceeding, at law or in equity, before any court, mediator, arbitrator, governmental or other board or official, pending or, to the knowledge of Concessionaire, threatened against or affecting Concessionaire, the outcome of which may (a) affect the validity or enforceability of this Agreement, (b) materially and adversely affect the authority or ability of Concessionaire to perform its obligations under this Agreement, or (c) have a material and adverse effect on the consolidated financial condition or results of operations of Concessionaire or on the ability of Concessionaire to conduct its business as presently conducted or as proposed or contemplated to be conducted.

10.7. Verification of Employment Eligibility. Concessionaire represents that Concessionaire and each Subcontractor have registered with and use the E-Verify system maintained by the United States Department of Homeland Security to verify the work authorization status of all newly hired employees in compliance with the requirements of Section 448.095, Florida Statutes, and that entry into this Agreement will not violate that statute. If Concessionaire violates this section, County may immediately terminate this Agreement for cause and Concessionaire shall be liable for all costs incurred by County due to the termination.

10.8. Warranty of Performance. Concessionaire represents and warrants that it possesses the knowledge, skill, experience, and financial capability required to perform and provide all Services and that each person and entity that will provide Services is duly qualified to perform such Services by all appropriate governmental authorities, where required, and is sufficiently experienced and skilled in the area(s) for which such person or entity will render Services. Concessionaire represents and warrants that the Services shall be performed in a skillful and respectful manner, and that the quality of all Services shall equal or exceed prevailing industry standards for the provision of such Services.

10.9. Prohibited Telecommunications. Concessionaire represents and certifies that Concessionaire and all Subcontractors do not use, and for the Term will not provide or use, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, as such terms are used in 48 C.F.R. §§ 52.204-24 through 52.204-26.

10.10. Criminal History Screening Practices. If this Agreement is subject to the requirements of Section 26-125(d) of the Code, Concessionaire represents and certifies that Concessionaire will comply with Section 26-125(d) of the Code for the duration of the Term.

10.11. Domestic Partnership Requirement. Unless this Agreement is exempt from the provisions of the “Broward County Domestic Partnership Act,” Section 16½-157 of the Code (“Act”), Concessionaire certifies and represents that it shall at all times comply with the provisions of the Act. The contract language referenced in the Act is deemed incorporated in this Agreement as though fully set forth in this section.

10.12. Breach of Representations. Concessionaire acknowledges that County is materially relying on the representations, warranties, and certifications of Concessionaire stated in this article, and County shall be entitled to exercise any or all of the following remedies if any such representation, warranty, or certification is untrue: (a) recovery of damages incurred; (b) termination of this Agreement without any further liability to Concessionaire; and (c) debarment of Concessionaire.

ARTICLE 11. INDEMNIFICATION

Concessionaire shall indemnify, hold harmless, and defend County and all of County’s current, past, and future officers, agents, and employees (collectively, “Indemnified Party”) from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys’ fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Agreement, and caused or alleged to be caused, in whole or in part, by any breach of this Agreement by Concessionaire, or any intentional, reckless, or negligent act or omission of Concessionaire, its officers, employees, or agents, arising from, relating to, or in connection with this Agreement (collectively, a “Claim”). If any Claim is brought against an Indemnified Party, Concessionaire shall, upon written notice from County, defend each Indemnified Party with counsel satisfactory to County or, at County’s option, pay for an attorney selected by the County Attorney to defend the Indemnified Party. The obligations of this section shall survive the expiration or earlier termination of this Agreement.

ARTICLE 12. INSURANCE

12.1. Throughout the Term, Concessionaire shall, at its sole expense, maintain the minimum insurance coverages stated in Exhibit C in accordance with the terms and conditions of this article. Concessionaire shall maintain insurance coverage against claims relating to any act or omission by Concessionaire, its agents, representatives, employees, or Subcontractors in connection with this Agreement. County reserves the right at any time to review and adjust the limits and types of coverage required under this article.

12.2. Concessionaire shall ensure that “Broward County” is listed and endorsed as an additional insured as stated in Exhibit C on all policies required under this article.

12.3. On or before the Effective Date or at least fifteen (15) days prior to commencement of Services, as may be requested by County, Concessionaire shall provide County with a copy of all Certificates of Insurance or other documentation sufficient to demonstrate the insurance coverage required in this article. If and to the extent requested by County, Concessionaire shall

provide complete, certified copies of all required insurance policies and all required endorsements within thirty (30) days after County's request.

12.4. Concessionaire shall ensure that all insurance coverages required by this article remain in full force and effect without any lapse in coverage throughout the Term and until all performance required of Concessionaire has been completed, as determined by Contract Administrator. Concessionaire or its insurer shall provide notice to County of any cancellation or modification of any required policy at least thirty (30) days prior to the effective date of cancellation or modification, and at least ten (10) days prior to the effective date of any cancellation due to nonpayment, and shall concurrently provide County with a copy of its updated Certificates of Insurance evidencing continuation of the required coverage(s).

12.5. All required insurance policies must be placed with insurers or surplus line carriers authorized to conduct business in the State of Florida with an A.M. Best rating of A- or better and a financial size category class VII or greater, unless otherwise approved by County's Risk Management Division in writing.

12.6. If Concessionaire maintains broader coverage or higher limits than the insurance requirements stated in Exhibit C, County shall be entitled to all such broader coverages and higher limits. All required insurance coverages shall provide primary coverage and not require contribution from any County insurance, self-insurance, or otherwise, which shall be in excess of and shall not contribute to the required insurance provided by Concessionaire.

12.7. Concessionaire shall declare in writing any self-insured retentions or deductibles over the limit(s) prescribed in Exhibit C and submit to County for approval at least fifteen (15) days prior to the Effective Date or commencement of Services. Concessionaire shall be solely responsible for and shall pay any deductible or self-insured retention applicable to any claim against County. County may, at any time, require Concessionaire to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. Any deductible or self-insured retention may be satisfied by either the named insured or County, if so elected by County, and Concessionaire shall obtain same in endorsements to the required policies.

12.8. Unless prohibited by the applicable policy, Concessionaire waives any right to subrogation that any of Concessionaire's insurers may acquire against County, and shall obtain same in an endorsement of Concessionaire's insurance policies.

12.9. Concessionaire shall require that each Subcontractor maintains insurance coverage that adequately covers the Services provided by that Subcontractor on substantially the same insurance terms and conditions required of Concessionaire under this article. Concessionaire shall ensure that all such Subcontractors comply with these requirements and that "Broward County" is named as an additional insured under the Subcontractors' applicable insurance policies. Concessionaire shall not permit any Subcontractor to provide Services unless and until all applicable requirements of this article are satisfied.

12.10. If Concessionaire or any Subcontractor fails to maintain the insurance required by this Agreement, County may pay any costs of premiums necessary to maintain the required coverage and deduct such costs from any payment otherwise due to Concessionaire. If requested by County, Concessionaire shall provide, within one (1) business day, evidence of each Subcontractor's compliance with this article.

12.11. If any of the policies required under this article provide claims-made coverage: (1) any retroactive date must be prior to the Effective Date; (2) the required coverage must be maintained after termination or expiration of the Agreement for at least the duration stated in Exhibit C; and (3) if coverage is canceled or nonrenewed and is not replaced with another claims-made policy form with a retroactive date prior to the Effective Date, Concessionaire must obtain and maintain "extended reporting" coverage that applies after termination or expiration of the Agreement for at least the duration stated in Exhibit C.

ARTICLE 13. TERMINATION

13.1. This Agreement may be terminated for cause by the aggrieved Party if the Party in breach has not corrected the breach within ten (10) days after receipt of written notice from the aggrieved Party identifying the breach. Unless otherwise stated in this Agreement, if this Agreement was approved by Board action, termination for cause by County must be by action of the Board or the County Administrator; in any other instance, termination for cause may be by the County Administrator, the County representative expressly authorized under this Agreement, or the County representative (including any successor) who executed the Agreement on behalf of County. If County erroneously, improperly, or unjustifiably terminates this Agreement for cause, such termination shall be deemed a termination for convenience pursuant to Section 13.5 effective thirty (30) days after such notice was provided.

13.2. This Agreement may be terminated for cause by County for reasons including, but not limited to, any of the following "Events of Default":

13.2.1. Concessionaire's failure to comply with any term or condition in this Agreement;

13.2.2. Concessionaire's failure to pay the Annual Guarantee, any Annual Guarantee Installment, any Percentage Fee due, sales and use tax, any accrued late fees, or any other sum due to County under this Agreement;

13.2.3. Concessionaire's failure to provide the annual declaration, in the form attached as Exhibit D, to County as required under Article 8;

13.2.4. Concessionaire voluntarily abandons, deserts, or vacates the Licensed Premises or ceases to operate and manages the Concession Services as provided herein for a period of thirty (30) consecutive days;

13.2.5. Concessionaire's failure to complete any of the Concession-related Improvements within the required time periods;

13.2.6. If any lien, claim, or other encumbrance is filed against the Licensed Premises that is not permitted by this Agreement;

13.2.7. Concessionaire's failure to obtain and maintain payment and performance bonds or such other form of security approved by County for any of the Concession-related Improvements;

13.2.8. Concessionaire's repeated (whether negligent or intentional) submission of false or incorrect reports;

13.2.9. Concessionaire's failure to operate the Services in a manner that serves a Park Purpose;

13.2.10. Concessionaire's suspension or debarment by a state or federal governmental entity or by a local governmental entity with a population in excess of one million people;

13.2.11. Concessionaire's becoming of a debtor in, or the subject of, a voluntary or involuntary bankruptcy, receivership, or assignment for the benefit of creditors; or

13.2.12. Any of Concessionaire's officers or executives being indicted for a felony, charged with acts of moral turpitude, or engaging in dishonesty, fraud, misconduct, or disreputable conduct that adversely and materially impairs or impacts public access to the Park or the reputation, goodwill, or position of County or the Park.

13.3. Upon the occurrence of an Event of Default, or at any time thereafter during the continuance of an Event of Default, County may, at its sole option, exercise one or more of the following rights:

13.3.1. Terminate this Agreement in accordance with Section 13.1, upon which termination Concessionaire shall have no further rights under this Agreement and County shall be released and relieved of all liability under this Agreement;

13.3.2. Sue Concessionaire for all damages, costs, and expenses arising from, or which are a proximate cause of, Concessionaire's Event of Default, and to recover all such damages, costs, and expenses, at both trial and appellate levels;

13.3.3. Restrain, by injunction, the commission or attempted commission of an Event of Default and to obtain a decree specifically compelling performance of any such term or provision of this Agreement. Concessionaire acknowledges that County would not have an adequate remedy at law for an Event of Default and that injunctive relief or specific performance is required to protect the public from irreparable harm; and

13.3.4. Exercise any and all other remedies available to County under this Agreement or at law or in equity.

13.4. If this Agreement is terminated by County, County may, at its option, and in addition to all other remedies available to it at law or in equity, accelerate and declare immediately due and payable all unpaid amounts due and other sums required to be paid under this Agreement.

13.5. **Termination for Convenience; Other Termination.** This Agreement may be terminated for convenience by the Board with at least ~~thirty (30)~~ **one hundred and twenty (120)** days advance written notice to Concessionaire. Concessionaire acknowledges that it has received good, valuable, and sufficient consideration for County's right to terminate this Agreement for convenience including in the form of County's obligation to provide advance notice to Concessionaire of such termination in accordance with this section. This Agreement may also be terminated by the County Administrator upon such notice as the County Administrator deems appropriate under the circumstances if the County Administrator determines that termination is necessary to protect the public health, safety, or welfare.

13.6. Notice of termination shall be provided in accordance with the "Notices" section of this Agreement except that notice of termination by the County Administrator to protect the public health, safety, or welfare may be oral notice that shall be promptly confirmed in writing.

ARTICLE 14. EQUAL EMPLOYMENT OPPORTUNITY AND CBE COMPLIANCE

14.1. Concessionaire and Subcontractors shall not discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement. Concessionaire shall include the foregoing or similar language in its contracts with any Subcontractors, except that any project assisted by U.S. Department of Transportation funds shall comply with the nondiscrimination requirements in 49 C.F.R. Parts 23 and 26.

14.2. Although no CBE goal has been set for this Agreement under County's CBE Program as established by Broward County Business Opportunity Act of 2012, County encourages Concessionaire to give full consideration to the use of CBE firms to perform the Services, including the construction of Concession-Related Improvements.

ARTICLE 15. DAMAGES; LIABILITY FOR DAMAGE OR INJURY

15.1. Concessionaire shall repair in a prompt and timely manner any and all damage to the Licensed Premises, the Park, the Concession-Related Improvements, and Concessionaire's Personal Property caused by Concessionaire, its employees, agents, Subcontractors, patrons, or invitees. However, the Contract Administrator, in their sole discretion, may elect to repair any such damage to the Licensed Premises or the Park and invoice Concessionaire for all of County's costs incurred in repairing such damage. If County elects to make repairs pursuant to this section, Concessionaire shall pay County within thirty (30) calendar days after delivery of such invoice. County shall be responsible for the repair of the Licensed Premises, Concession-Related Improvements, and Concessionaire's Personal Property, caused solely by County, its officers, employees, contractors, or agents, other than Concessionaire, during the Term.

15.2. County shall not be liable for any damage or injury that may be sustained by any person(s) resulting from the Services. Concessionaire shall not be liable for any damage or injury that may be sustained by any person(s) outside of the Licensed Premises but within the Park that results solely from County's operations at the Park.

ARTICLE 16. EMERGENCY PREPAREDNESS PLAN

Concessionaire, in consultation with the Contract Administrator, shall develop an Emergency Preparedness Plan ("Plan") consistent with the Division's emergency preparedness and operations plans for the Park, which shall include County's and Concessionaire's planning and response roles. The Plan shall include detailed procedures of actions that Concessionaire must take to protect or remove Concessionaire's Personal Property if a weather-related event warning is issued that may impact the Licensed Premises or the Park, and such Plan must be provided to the Contract Administrator by May 1 of each calendar year during the Term. In addition, the Plan must include emergency plans and procedures for handling any injuries received by patrons or invitees while on the Licensed Premises. The Contract Administrator and Concessionaire shall review and update the Plan annually. In the event of any emergency identified in the Plan, Concessionaire will take all actions required of Concessionaire by the Plan.

ARTICLE 17. INSPECTION BY COUNTY

County has the authority to enter the Licensed Premises at any time and for any reason, with or without notice. County may make periodic reasonable inspections of the Licensed Premises and Concessionaire's equipment and operations to determine if the Licensed Premises, equipment, and operations are being maintained in a neat and orderly condition, and to determine whether Concessionaire is operating in compliance with the terms of this Agreement. All inspections will be conducted in a manner so as to cause minimal interference with the normal operations of the Concession Services, as determined by the Contract Administrator.

ARTICLE 18. EMERGENCY REPAIRS

If County determines, in its sole and unfettered discretion, that there is an imminent risk of personal injury or harm to Park patrons, County property, or personal property of third parties because of a condition within the Licensed Premises or the Park ("Emergency Condition"), County has the right to make repairs or modifications to any of the Park's or Concessionaire's facilities or the Licensed Premises to address the Emergency Condition, free from any and all liability to Concessionaire for loss of business or damages of any nature whatsoever during the making of such repairs, except for damage caused by the sole negligence or intentional misconduct of County and where not otherwise indemnified by Concessionaire. The Contract Administrator or the Contract Administrator's designee will make reasonable efforts to provide Concessionaire with advance notice of any repairs or modifications by County to address an Emergency Condition. If County is required to make repairs or modifications to the Licensed Premises or Concessionaire's facilities in accordance with this article, Concessionaire shall pay County for all such work within thirty (30) days after delivery of an invoice from County for same.

**ARTICLE 19. REMOVAL OF PROPERTY FOLLOWING EXPIRATION OR EARLIER
TERMINATION OF AGREEMENT**

On or prior to the expiration or earlier termination of this Agreement, Concessionaire shall remove all of its Personal Property from the Licensed Premises. If Concessionaire does not remove its Personal Property within fourteen (14) calendar days after said expiration or earlier termination, such Personal Property shall be deemed abandoned by Concessionaire and County may exercise all or some of the following: (a) County may elect to take title to the abandoned property, and ownership of same shall vest in County, at no cost to County; (b) County may remove such Personal Property to a public warehouse for deposit, with the costs of transportation and storage to be at Concessionaire's sole cost and expense; (c) County may retain the abandoned Personal Property and sell same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage, and sale of the Personal Property, and second to any sums owed by Concessionaire to County; or (d) County may dispose of such abandoned property in any manner permitted by law. If the expenses of such removal, storage, and sale exceed the proceeds of sale, Concessionaire shall pay such excess costs to County within ten (10) calendar days after demand. Concessionaire hereby releases County from any and all liability for removal and disposal of the abandoned Personal Property described in this article. Concessionaire must maintain the insurance required under Article 12 during such period of time necessary for Concessionaire to remove its Personal Property as provided in this section. Additionally, Concessionaire's indemnification requirements under this Agreement shall survive expiration or earlier termination of this Agreement in connection with all matters described in this article.

ARTICLE 20. CONCESSION-RELATED IMPROVEMENTS

20.1. Concessionaire will complete all Concession-related Improvements described in Exhibit F (Concession-related Improvements Plan), in accordance with the schedule set forth therein.

20.2. Construction of all Concession-related Improvements by Concessionaire shall be performed in such a manner to ensure that each such improvement is structurally sound, safe for human occupancy, and free from any hazards; provides sufficient clearance for any deliveries and use of equipment, or otherwise so as to not interfere with the Park's operations and arriving and departing vehicles; is of high quality, safe, fire resistant, and subject to approval by County under Section 20.4 below; is completed in an environmentally conscientious manner to the extent possible and commercially practicable; and complies with the terms of this Agreement.

20.3. Concessionaire represents and warrants that all Concession-Related Improvements shall at all times be free and clear of all liens, claims, and encumbrances. If any lien or notice of lien is filed against any of the Concession-Related Improvements, Concessionaire shall, within thirty (30) calendar days after notice of the filing of any lien, cause the same to be discharged of record by payment, deposit, bond, or order of a court of competent jurisdiction. The provisions hereof shall not apply to any purchase money security interest in any movable trade fixtures installed at or within the Licensed Premises.

20.4. Concessionaire shall not commence any construction or installation at the Park for the Concession-Related Improvements until the applicable architectural design plans and specifications (“Plans and Specifications”) have been reviewed and approved in writing by the Contract Administrator and all applicable permits have been obtained. The Contract Administrator shall review and comment on the Plans and Specifications submitted by Concessionaire within thirty (30) business days after submittal. If the Contract Administrator does not approve the Plans and Specifications and responds with comments or a rejection, Concessionaire shall respond to the Contract Administrator’s comments within thirty (30) business days after receipt and resubmit the Plans and Specifications to the Contract Administrator. The Contract Administrator shall review and comment on any resubmitted Plans and Specifications within fifteen (15) business days after receipt. If the Contract Administrator does not approve in writing the resubmitted Plans and Specifications, the process set forth above, whereby Concessionaire will respond to the Contract Administrator’s comments within thirty (30) business days and the Contract Administrator will review the resubmitted Plans and Specifications within fifteen (15) business days, shall continue until the Plans and Specifications are approved. The final Plans and Specifications approved by the Contract Administrator for the applicable Concession-related Improvements are collectively referred to hereinafter as the “Approved Plans.” This approval process will not modify the completion deadline for any Concession-related Improvement. However, the Contract Administrator may approve changes to the completion deadlines in Exhibit F in writing without formal amendment.

20.5. If required by any governmental entity, Concessionaire shall have the applicable Plans and Specifications certified by an architect or engineer licensed to practice in the State of Florida at its sole cost and expense. For work that does not require permits from any governmental entity, the Contract Administrator may, in the Contract Administrator’s sole discretion, accept sketches instead of Plans and Specifications.

20.6. Concessionaire shall obtain and deliver to County performance and payment bonds or such other alternate form of security for the applicable Concession-Related Improvements in accordance with Article 6 of this Agreement.

20.7. All construction or installation work under this Agreement shall be in accordance with the Approved Plans. No material changes shall be made to any Approved Plans without the prior written approval of the Contract Administrator. Any change that requires the issuance of a building permit or modifies an existing building permit shall be considered a material change. If any construction or installation work is performed that includes a material change to the Approved Plans without the Contract Administrator’s approval, Concessionaire shall, at its sole cost, and at the direction of the Contract Administrator, remove any work that is started or completed contrary to the Approved Plans and restore the Licensed Premises to the prior condition, within a reasonable time period as determined by the Contract Administrator.

20.8. All improvements, installation, equipment, and interior design and decor for the Concession-Related Improvements, including the Plans and Specifications relating to same, shall conform to Applicable Law. The approval by County of any Plans and Specifications or designs

shall not constitute a representation or warranty as to such conformity, and the responsibility for compliance shall at all times remain that of Concessionaire. The Plans and Specifications for all Concession-related Improvements shall consist of: (a) working drawings; (b) technical specifications; (c) bid documents, if applicable; (d) schedule for accomplishing improvements; (e) schedule of finishes and graphics; (f) list of furnishings, fixtures, and equipment; and (g) certified estimate of the design, development, and construction costs.

20.9. In addition to the Contract Administrator's approval, Concessionaire shall obtain all necessary governmental approvals for the Approved Plans. Any work impacting any portions of the Park, other than the Licensed Premises, shall be performed within schedules approved by the Contract Administrator to minimize interruptions to the Park's operations or maintenance. Concessionaire and the Contract Administrator shall cooperate in planning and scheduling construction-related activities in the Park. Concessionaire shall ensure that during any temporary closure of the restrooms on the Licensed Premises due to construction activities, ADA-compliant portable restrooms will be provided.

20.10. Concessionaire and all of its Subcontractors providing any of the Concession-Related Improvements at the Park shall meet with the Contract Administrator in periodically scheduled meetings to assess the current status of completion of the applicable improvements.

20.11. All structures, permanently affixed fixtures, and other improvements existing on the Effective Date, as well as any Concession-Related Improvements following construction or installation and approval by County, respectively, shall be County's property. Additionally, any items including, but not limited to, fixtures or other improvements that are nailed, bolted, stapled, or otherwise affixed to the Licensed Premises and that are not readily removable shall be considered permanent fixtures and the property of County, and shall remain on the Licensed Premises after the date of expiration or earlier termination of the Agreement. If any Personal Property of Concessionaire including, without limitation, furnishings, trade fixtures, or equipment is removed by Concessionaire or its agents, Concessionaire shall restore any damage to the Licensed Premises within a reasonable time period, as determined by the Contract Administrator in their sole discretion. If required, all utilities conduits and meters from the stub (if existing) shall be installed by Concessionaire or its agents at Concessionaire's expense including, without limitation, cable, water, electric, and telecommunications. Such conduits and meters shall be deemed improvements and shall, upon the date of expiration or earlier termination of the Agreement, become County property.

20.12. Substantial Completion of Concession-related Improvements. "Substantial Completion" of a Concession-Related Improvement means the date, as certified in writing by Concessionaire and as finally determined by the Contract Administrator in their sole discretion, that the Concession-Related Improvement, or any applicable portion thereof, is at a level of completion in substantial compliance with the "Approved Plans" under the Agreement; all conditions of the permits and regulatory agencies have been satisfied; the Concession-Related Improvement can be used or operated in all respects for its intended purpose; and proof of same has been provided to the Contract Administrator. A Certificate of Occupancy ("CO"), Temporary Certificate of

Occupancy ("TCO"), or such other alternate municipal/county authorization for limited or conditional occupancy acceptable to the Contract Administrator must be issued for Substantial Completion to be achieved; however, the issuance of a CO or the date thereof is not determinative of the achievement or date of Substantial Completion.

If a CO or other permitting approval is not required for a Concession-Related Improvement, Substantial Completion shall mean the date, as certified in writing by Concessionaire and as finally determined by the Contract Administrator in the Contract Administrator's sole discretion, that the applicable Concession-Related Improvement, or any portion thereof, is at a level of completion in substantial compliance with the Approved Plans, such that the improvement can be used or operated in all respects for their intended purpose, and proof of same has been provided to the Contract Administrator.

20.13. Final Completion of Concession-related Improvements. "Final Completion" of a Concession-Related Improvement means the date certified by Concessionaire for the applicable Concession-Related Improvement that all conditions and requirements of any permits and regulatory agencies have been satisfied, if required; punch list items have been completed; any documents required by the Approved Plans or the Agreement have been received by County; and, to the best of Concessionaire's knowledge, information, and belief, the improvements have been fully completed in accordance with the Approved Plans. The certified statements shall confirm Concessionaire's expenditures for the applicable Concession-Related Improvements, and any in-kind materials and labor.

20.14. Construction Claims. County property is not subject to mechanics or construction liens; however, if a lien is filed against any portion of the Licensed Premises that relates to the construction of any of the Concession-Related Improvements, Concessionaire shall cause same to be discharged of record prior to execution on the Licensed Premises or immediately upon entry of any judgment against County, either by payment, deposit, or filing a bond in accordance with Applicable Law. County shall promptly provide to Concessionaire copies of all such liens received by County. Concessionaire shall pay, when due, or shall promptly resolve all claims for labor or materials furnished with respect to any Concession-related Improvements. If the Concessionaire shall, in good faith, contest the validity of any such lien, claim, or demand, then, to the extent permitted by law, Concessionaire shall, at its expense, defend itself and County against the same and shall pay and satisfy any such adverse judgment that may be rendered thereon before the enforcement thereof against County.

20.15. Upon Final Completion and approval by the Contract Administrator of any Concession-Related Improvement, no major modification to any portion of the Concession-Related Improvement shall be permitted without prior written approval of the Contract Administrator. "Major" is defined as any alteration, improvement, or removal of any equipment requiring issuance of a building permit.

ARTICLE 21. REQUIREMENTS FOR SUBCONTRACTORS

21.1. Indemnification. If Concessionaire contracts with a Subcontractor to perform any of the Concession-related Improvements under this Agreement, any contract with such Subcontractor shall include the following provision, in substantially the form provided below:

Indemnification: (name of Subcontractor) shall at all times hereafter indemnify and hold harmless Broward County and all of Broward County's current, past, and future officers, and employees (collectively, "Indemnified Party") from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees (collectively a "Claim"), to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of (name of Subcontractor), or persons employed or utilized by (name of Subcontractor) in the performance of this agreement, including but not limited to, (name of Subcontractor)'s subcontractors, sub-subcontractors, materialmen, or agents of any tier, or any of their respective employees. The obligations of this section shall survive the expiration or earlier termination of this agreement.

21.2. Insurance Requirements. Concessionaire shall require each Subcontractor to maintain insurance coverage that adequately covers the work provided by that Subcontractor on substantially the same insurance terms and conditions required of Concessionaire under this Agreement. Concessionaire shall ensure that all such Subcontractors comply with these requirements and that "Broward County" is named as an additional insured under the Subcontractors' applicable insurance policies. Concessionaire shall not permit any Subcontractor to provide Services under this Agreement unless and until the requirements of this section are satisfied. If requested by County, Concessionaire shall provide, within one (1) business day, evidence of each Subcontractor's compliance with this section.

ARTICLE 22. MISCELLANEOUS

22.1. Contract Administrator Authority. The Contract Administrator is authorized to coordinate and communicate with Concessionaire to manage and supervise the performance of this Agreement. Concessionaire acknowledges that the Contract Administrator has no authority to make changes that would increase, decrease, or otherwise materially modify the Scope of Services except as expressly set forth in this Agreement or, to the extent applicable, in the Broward County Procurement Code. Unless expressly stated otherwise in this Agreement or otherwise set forth in the Code or the Broward County Administrative Code, the Contract Administrator may exercise ministerial authority in connection with the day-to-day management of this Agreement. The Contract Administrator may also approve in writing modifications to Exhibits A, B, E, and F that do not decrease the cost or value due to County without formal amendment.

22.2. Rights in Documents and Work. Any and all reports, photographs, surveys, documents, materials, data, or other work created by Concessionaire in connection with performing Services, whether finished or unfinished ("Documents and Work"), shall be owned by County, and Concessionaire hereby transfers to County all right, title, and interest, including any copyright or other intellectual property rights, in or to the Documents and Work **with the exception of photographs of lights and displays in existence at the day of agreement signing**. Upon expiration or

termination of this Agreement, the Documents and Work shall become the property of County and shall be delivered by Concessionaire to the Contract Administrator within seven (7) days after expiration or termination. Any compensation due to Concessionaire may be withheld until all Documents and Work are received as provided in this Agreement. Concessionaire shall ensure that the requirements of this section are included in all agreements with all Subcontractor(s).

22.3. Public Records. Notwithstanding any other provision in this Agreement, any action taken by County in compliance with, or in a good faith attempt to comply with, the requirements of Chapter 119, Florida Statutes, shall not constitute a breach of this Agreement. If Concessionaire is acting on behalf of County as stated in Section 119.0701, Florida Statutes, Concessionaire shall:

22.3.1. Keep and maintain public records required by County to perform the Services;

22.3.2. Upon request from County, provide County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time and at a cost that does not exceed that provided in Chapter 119, Florida Statutes, or as otherwise provided by Applicable Law;

22.3.3. Ensure that public records that are exempt or confidential and exempt from public record requirements are not disclosed except as authorized by Applicable Law for the duration of this Agreement and after completion or termination of this Agreement if the records are not transferred to County; and

22.3.4. Upon expiration or termination of this Agreement, transfer to County, at no cost, all public records in possession of Concessionaire or keep and maintain public records required by County to perform the Services. If Concessionaire transfers the records to County, Concessionaire shall destroy any duplicate public records that are exempt or confidential and exempt. If Concessionaire keeps and maintains the public records, Concessionaire shall meet all requirements of Applicable Law for retaining public records. All records stored electronically must be provided to County upon request in a format that is compatible with the information technology systems of County.

If Concessionaire receives a request for public records regarding this Agreement or the Services, Concessionaire must immediately notify the Contract Administrator in writing and provide all requested records to County to enable County to timely respond to the public records request. County will respond to all such public records requests.

Concessionaire must separately submit and conspicuously label as “RESTRICTED MATERIAL – DO NOT PRODUCE” any material (a) that Concessionaire contends constitutes or contains its trade secrets under Chapter 688, Florida Statutes, or (b) for which Concessionaire asserts a right to withhold from public disclosure as confidential or otherwise exempt from production under Florida public records laws (including Chapter 119, Florida Statutes) (collectively, “Restricted Material”). In addition, Concessionaire must, simultaneous with the submission of any Restricted Material, provide a sworn declaration or affidavit in a form acceptable to County from a person with personal knowledge attesting that the Restricted Material constitutes trade secrets or is

otherwise exempt or confidential under Florida public records laws, including citing the applicable Florida statute and specifying the factual basis for each such claim. Upon request by County, Concessionaire must promptly identify the specific applicable statutory section that protects any particular document. If a third party submits a request to County for records designated by Concessionaire as Restricted Material, County shall refrain from disclosing such material unless otherwise ordered by a court of competent jurisdiction, authorized in writing by Concessionaire, or the claimed exemption is waived. Any failure by Concessionaire to strictly comply with the requirements of this section shall constitute Concessionaire's waiver of County's obligation to treat the records as Restricted Material. Concessionaire must indemnify and defend County and its employees and agents from any and all claims, causes of action, losses, fines, penalties, damages, judgments, and liabilities of any kind, including attorneys' fees, litigation expenses, and court costs, relating to nondisclosure of Restricted Material in response to a third-party request.

IF CONCESSIONAIRE HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONCESSIONAIRE'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (954) 357-8100, PARKSDIRECTOR@BROWARD.ORG, 950 NW 38th STREET, OAKLAND PARK, FLORIDA 33309.

22.4. Audit Rights and Retention of Records. County shall have the right to audit the books, records, and accounts of Concessionaire and all Subcontractors, including, but not limited to, balance sheets, income statements, and other similar documents that are related to this Agreement. Concessionaire and all Subcontractors shall keep such books, records, and accounts as may be necessary to record complete and correct entries related to this Agreement and performance under this Agreement. All such books, records, and accounts shall be kept in written form, or in a form capable of conversion into written form within a reasonable time, and upon request to do so, Concessionaire and all Subcontractors shall make same available in written form at no cost to County. Concessionaire shall provide County with reasonable access to Concessionaire's facilities, and County shall be allowed to interview all current or former employees to discuss matters pertinent to the performance of this Agreement.

Concessionaire and all Subcontractors shall preserve and make available, at reasonable times within Broward County, Florida, for examination and audit, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for at least three (3) years after expiration or termination of this Agreement or until resolution of any audit findings, whichever is longer. This article shall survive any dispute or litigation between the Parties, and Concessionaire expressly acknowledges and agrees to be bound by this article throughout the course of any dispute or litigation with County. Any audit or inspection pursuant to this section may be performed by any County representative (including any outside representative engaged by County). Concessionaire hereby grants County the right to conduct such audit or review at Concessionaire's place of business, if deemed appropriate by County, with seventy-two (72) hours' advance notice. Concessionaire shall make all such records and

documents available electronically in common file formats or via remote access if, and to the extent, requested by County.

Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for County's recovery of any owed amounts upon such entry. If an audit or inspection reveals under-reporting or underpayment to County of any nature by Concessionaire in excess of five percent (5%) of the total contract reporting reviewed by County, Concessionaire shall make adjustments for the underpayment and pay the reasonable cost of County's audit. Any adjustments or payments due as a result of such audit or inspection shall be made within thirty (30) days after presentation of County's findings to Concessionaire.

Concessionaire shall ensure that the requirements of this section are included in all agreements with all Subcontractor(s).

22.5. Independent Contractor. Concessionaire is an independent contractor of County, and nothing in this Agreement shall constitute or create a partnership, joint venture, or any other relationship between the Parties. In providing Services, neither Concessionaire nor its agents shall act as officers, employees, or agents of County. Concessionaire shall not have the right to bind County to any obligation not expressly undertaken by County under this Agreement.

22.6. Regulatory Capacity. Notwithstanding the fact that County is a political subdivision with certain regulatory authority, County's performance under this Agreement is as a Party to this Agreement and not in its regulatory capacity. If County exercises its regulatory authority, the exercise of such authority and the enforcement of Applicable Law shall have occurred pursuant to County's regulatory authority as a governmental body separate and apart from this Agreement, and shall not be attributable in any manner to County as a Party to this Agreement.

22.7. Sovereign Immunity. Except to the extent sovereign immunity may be deemed waived by entering into this Agreement, nothing herein is intended to serve as a waiver of sovereign immunity by County nor shall anything included herein be construed as consent by County to be sued by third parties in any matter arising out of this Agreement.

22.8. Third-Party Beneficiaries. Neither Concessionaire nor County intends to primarily or directly benefit a third party by this Agreement. Therefore, the Parties acknowledge that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against either of them based upon this Agreement.

22.9. Notices. Unless otherwise stated herein, for notice to a Party to be effective under this Agreement, notice must be sent via U.S. first-class mail, hand delivery, or commercial overnight delivery, each with a contemporaneous copy via email, to the addresses listed below and shall be effective upon mailing or hand delivery (provided the contemporaneous email is also sent). Addresses may be changed by the applicable Party giving notice of such change in accordance with this section.

22.10. Assignment. All Subcontractors must be expressly identified in this Agreement or otherwise approved in advance and in writing by the Contract Administrator. Except for approved subcontracting, neither this Agreement nor any right or interest in it may be assigned, transferred, subcontracted, or encumbered by Concessionaire without the prior written consent of County. Any assignment, transfer, encumbrance, or subcontract in violation of this section shall be void and ineffective, constitute a breach of this Agreement, and permit County to immediately terminate this Agreement, in addition to any other remedies available to County at law or in equity. County reserves the right to condition its approval of any assignment, transfer, encumbrance, or subcontract upon further due diligence and an additional fee paid to County to reasonably compensate it for the performance of any such due diligence.

22.11. Conflicts. Neither Concessionaire nor its employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with Concessionaire's loyal and conscientious exercise of judgment and care related to its performance under this Agreement. During the Term, none of Concessionaire's officers or employees shall serve as an expert witness against County in any legal or administrative proceeding in which they or Concessionaire is not a party, unless compelled by legal process. Further, such persons shall not give sworn testimony or issue a report or writing as an expression of such person's expert opinion that is adverse or prejudicial to the interests of County in connection with any such pending or threatened legal or administrative proceeding unless compelled by legal process. The limitations of this section shall not preclude Concessionaire or any persons in any way from representing themselves, including giving expert testimony in support of such representation, in any action or in any administrative or legal proceeding. If Concessionaire is permitted pursuant to this Agreement to utilize Subcontractors, Concessionaire shall require such Subcontractors, by written contract, to comply with the provisions of this section to the same extent as Concessionaire.

22.12. Materiality and Waiver of Breach. Each requirement, duty, and obligation set forth in this Agreement was bargained for at arm's-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth in this Agreement is substantial and important to the formation of this Agreement, and each is, therefore, a material term. County's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this

Agreement. A waiver of any breach shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of this Agreement. To be effective, any waiver must be in writing signed by an authorized signatory of the Party granting the waiver.

22.13. Compliance with Laws. Concessionaire and the Services must comply with all Applicable Law, including, without limitation, the Americans with Disabilities Act, 42 U.S.C. § 12101, Section 504 of the Rehabilitation Act of 1973, and the requirements of any applicable grant agreements.

22.14. Severability. If any part of this Agreement is found to be unenforceable by any court of competent jurisdiction, that part shall be deemed severed from this Agreement and the balance of this Agreement shall remain in full force and effect.

22.15. Joint Preparation. This Agreement has been jointly prepared by the Parties, and shall not be construed more strictly against either Party.

22.16. Interpretation. The titles and headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement. All personal pronouns used in this Agreement shall include any other gender, and the singular shall include the plural, and vice versa, unless the context otherwise requires. Terms such as “herein” refer to this Agreement as a whole and not to any particular sentence, paragraph, or section where they appear, unless the context otherwise requires. Whenever reference is made to a section or article of this Agreement, such reference is to the section or article as a whole, including all subsections thereof, unless the reference is made to a particular subsection or subparagraph of such section or article. Any reference to “days” means calendar days, unless otherwise expressly stated. Any reference to approval by County shall require approval in writing, unless otherwise expressly stated.

22.17. Priority of Provisions. If there is a conflict or inconsistency between any term, statement, requirement, or provision of any document or exhibit attached to, referenced by, or incorporated in this Agreement and any provision within an article or section of this Agreement, the article or section shall prevail and be given effect.

22.18. Law, Jurisdiction, Venue, Waiver of Jury Trial. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. The exclusive venue for any lawsuit arising from, related to, or in connection with this Agreement shall be in the state courts of the Seventeenth Judicial Circuit in and for Broward County, Florida. If any claim arising from, related to, or in connection with this Agreement must be litigated in federal court, the exclusive venue for any such lawsuit shall be in the United States District Court or United States Bankruptcy Court for the Southern District of Florida. **EACH PARTY HEREBY EXPRESSLY WAIVES ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THIS AGREEMENT.**

22.19. Amendments. Unless expressly authorized herein, no modification, amendment, or alteration of any portion of this Agreement is effective unless contained in a written document

executed with the same or similar formality as this Agreement and by duly authorized representatives of County and Concessionaire.

22.20. Prior Agreements. This Agreement represents the final and complete understanding of the Parties regarding the subject matter of this Agreement and supersedes all prior and contemporaneous negotiations and discussions regarding same. All commitments, agreements, and understandings of the Parties concerning the subject matter of this Agreement are contained herein.

22.21. Payable Interest

22.21.1. Payment of Interest. Unless prohibited by Applicable Law, County shall not be liable for interest to Concessionaire for any reason, whether as prejudgment interest or for any other purpose, and Concessionaire waives, rejects, disclaims, and surrenders any and all entitlement to interest in connection with a dispute or claim arising from, related to, or in connection with this Agreement.

22.21.2. Rate of Interest. If the preceding subsection is inapplicable or is determined to be invalid or unenforceable by a court of competent jurisdiction, the annual rate of interest payable by County under this Agreement, whether as prejudgment interest or for any other purpose, shall be, to the full extent permissible under Applicable Law, one quarter of one percent (0.25%) simple interest (uncompounded).

22.22. Incorporation by Reference. Any and all Recital clauses stated above are true and correct and are incorporated in this Agreement by reference. The attached Exhibits are incorporated into and made a part of this Agreement.

22.23. Multiple Originals and Counterparts. This Agreement may be executed in multiple originals or in counterparts, whether signed physically or electronically; each of which shall be deemed to be an original, and all of which, taken together, shall constitute one and the same agreement.

22.24. Use of County Name or Logo. Concessionaire shall not use County's name or logo in marketing or publicity materials without prior written consent from the Contract Administrator.

22.25. Drug-Free Workplace. If required under Section 21.23(f), Broward County Administrative Code, or Section 287.087, Florida Statutes, Concessionaire certifies that it has and will maintain a drug-free workplace program throughout the Term.

22.26. Living Wage Requirement. If Concessionaire is a "covered employer" within the meaning of the "Broward County Living Wage Ordinance," Sections 26-100 through 26-105 of the Code, Concessionaire shall fully comply with the requirements of such ordinance and shall pay to all of its employees providing "covered services," as defined in the ordinance, a living wage as defined therein. Concessionaire shall ensure all Subcontractors that qualify as "covered employers" fully comply with the requirements of such ordinance.

22.27. Polystyrene Food Service Articles. Concessionaire shall not sell or provide for use on County property expanded polystyrene products or food service articles (e.g., Styrofoam), unencapsulated expanded polystyrene products, or single-use plastic straws or stirrers, as set forth in more detail in Section 27.173, Broward County Administrative Code.

22.28. Prevailing Wage Requirement. If construction work in excess of \$250,000.00 is required of, or undertaken by, Concessionaire as a result of this Agreement, then Section 26-5 of the Code shall apply to such construction work, the provisions of Section 26-5(a) of the Code shall be deemed incorporated as if expressly set forth herein, and Concessionaire must submit, with each Annual Guarantee Installment, a completed Statement of Compliance in the form available at <https://www.broward.org/Purchasing/Pages/StandardTerms.aspx>.

22.29. Anti-Human Trafficking. By execution of this Agreement by the undersigned authorized representative of Concessionaire, Concessionaire hereby attests under penalty of perjury that Concessionaire does not use coercion for labor or services, as such terms are defined in Section 787.06, Florida Statutes; under penalties of perjury, the undersigned authorized representative of Concessionaire declares that they have read the foregoing statement and that the facts stated in it are true.

EXHIBIT A
Scope of Services

Concessionaire shall provide the following Services:

Section 1. Services Description

Concessionaire shall utilize the Licensed Premises to operate the following Concession Services:

[INSERT CONCESSION SERVICES DESCRIPTION]

Concessionaire will be responsible for the finance, design, construction (if otherwise required by this Agreement), operation, maintenance, and management of the Concession Services. Concessionaire shall provide a safe, high quality, and customer-oriented recreational experience to Park patrons, with well-maintained equipment and experienced staff. Concessionaire will not unreasonably interfere with the public's use of other areas of the Park or infringe upon the normal method of operations of County to conduct business in or near the Licensed Premises. Concessionaire will be solely responsible to collect money from patrons for its Concession Services.

Section 2. Operations Manager

Concessionaire shall assign a full-time, qualified, and experienced operations and business manager ("Operations Manager") at the Park for operation of the Concession Services. Concessionaire shall designate an individual as Concessionaire's authorized agent who shall be responsible for the day-to-day operations of the Concession Services at the Park in the absence of the Operations Manager ("Deputy Operations Manager"). The Operations Manager and the Deputy Operations Manager must each be at least eighteen (18) years of age and at least one of which shall be physically available during Concessionaire's approved hours of operation. The qualifications of the Operations Manager and the Deputy Operations Manager shall be submitted to the Contract Administrator upon request. The Contract Administrator shall be advised in writing of the name, address, and birth date of the Operations Manager and the Deputy Operations Manager. Concessionaire shall hire persons of good moral character and shall perform criminal background checks as provided in Article 8.

Section 3. Quality of Services

A. Concessionaire shall ensure that its employees, agents, representatives, Subcontractors, volunteers, or others involved in the maintenance or operation of the Concession Services perform their respective duties in an efficient and courteous manner. Upon notice from County, Concessionaire shall promptly remove from the performance of Services, or take other curative action acceptable to the Contract Administrator, any person or Subcontractor who fails to perform Concessionaire's obligations under this Agreement in an efficient or

courteous manner, and Concessionaire's failure to do so shall be grounds for termination of this Agreement for cause by County pursuant to Article 13.

B. Concessionaire shall provide sufficient staffing necessary for operation of the Concession Services during its hours of operations.

C. Concessionaire shall furnish good, prompt, and efficient service adequate to meet all reasonable demands for such service. The Contract Administrator may periodically evaluate Concessionaire's performance under this Agreement and recommend that Concessionaire modify its operations in order to furnish good, prompt, and efficient service. The implementation by Concessionaire of any recommendations of the Contract Administrator shall not be unreasonably withheld or delayed.

D. Concessionaire's employees shall be appropriately attired in a neat and professional manner that distinguishes Concessionaire's employees from the Park's employees.

E. Concessionaire shall ensure that all sounds, noise, or music emanating from Concessionaire's operations or the Licensed Premises, be kept to reasonable levels as determined by the Contract Administrator, in the Contract Administrator's sole discretion, so as not to present a nuisance to the residents in adjacent properties or to any Park patrons. Such sounds or noise must be eliminated, or levels reduced, at the request of the Contract Administrator. Concessionaire shall cause the immediate cessation of any noise, music, or other sounds emanating from within the Licensed Premises that are deemed offensive, distracting, or disturbing by the Contract Administrator, in the Contract Administrator's sole determination.

F. The Contract Administrator has the discretion to require changes in Concessionaire's scheduling of any trash hauling, construction-related activities for the Concession-related Improvements, repair work, deliveries, and parking, if deemed necessary, to enable other concessionaires at the Park to also have quiet enjoyment of their respective concession premises.

Section 4. Hours of Operation

The Concession Services shall be operated from _____. These operating hours may be modified with written approval from the Contract Administrator.

Section 5. Payment for Utilities Usage

In addition to all other amounts provided for in this Agreement, Concessionaire shall pay for its utilities usage including, but not limited to, electric, sewer, and water (collectively "Utilities") within the Licensed Premises. If required by the Contract Administrator, Concessionaire shall be responsible for the connection of all Utilities to its operations within the Park from the existing utilities stubs and shall separately meter electric, sewer, and water use. If County does not require Concessionaire to separately meter for electric, sewer, and water use, Concessionaire shall reimburse County for any of Concessionaire's Utilities usage within the Licensed Premises

within thirty (30) calendar days after receipt of an invoice for same. Concessionaire shall be liable for any sales and use tax payments on all Utilities usage amounts payable to County. Concessionaire shall be solely responsible for establishing its own telephone, computer, high speed wireless internet access, and other electronic connections and usage.

Section 6. Trash Removal Services

A. Concessionaire shall, in a timely manner, provide for the adequate sanitary handling and removal of all trash, garbage, or other refuse within the Licensed Premises or created by Concessionaire's operations. Concessionaire shall be responsible for transferring all trash generated by the Services within the Licensed Premises into the trash dumpsters designated by the Park's manager. If the amount of trash generated by Concessionaire from any special event results in excessive trash, as determined by the Contract Administrator, and increased trash removal fees for County, Concessionaire shall, with written approval from the Contract Administrator, either (a) arrange for trash removal directly with a company approved by the Contract Administrator, or (b) reimburse County for any additional trash removal fees incurred by County. Concessionaire shall make any required reimbursement to County for the additional trash removal fees within thirty (30) days after receipt of an invoice from County.

B. Concessionaire shall ensure that all food-related garbage is handled and stored in accordance with all applicable health and safety regulations and all Applicable Law. Piling of boxes, cartons, barrels, or similar items shall not be permitted in any area open to the public.

Section 7. Maintenance and Repairs

A. Concessionaire shall maintain the Licensed Premises and any improvements, fixtures, and equipment utilized in its operation of the Concession Services, in good working order and repair, including any improvements, fixtures, and equipment that existed on the Licensed Premises upon the commencement of operations by Concessionaire, reasonable wear and tear and any ongoing Concession-related Improvements projects excepted.

C. Concessionaire shall be responsible for the maintenance of all of Concessionaire's equipment, Personal Property, supplies, and storage areas, and any of County's equipment utilized by Concessionaire.

D. The Contract Administrator shall determine, in their sole discretion, the quality standards for such maintenance required to be performed by Concessionaire.

E. If Concessionaire refuses or neglects to undertake any of its maintenance or repair responsibilities under the Agreement or that are otherwise necessitated due to any negligent acts or omissions of Contactor or any Subcontractor, County shall have the right to perform such maintenance or to make such repairs on behalf of and for Concessionaire in accordance with Article 15. If County is required to perform maintenance for Concessionaire in accordance with this section, Concessionaire shall pay County for all such maintenance work within thirty (30) days after delivery of an invoice from County for same.

Section 8. Facilities and Services Provided by County

[...]

Section 9. Liability Waivers for Concession Services

If any of the Concession Services involve activities that may result in an injury to a Park patron participating in the activity (e.g., boat rides, cycling, horseback rides, sports activities, etc.), as determined by the Contract Administrator in their sole discretion, Concessionaire must obtain from the participant (or the participant's parent or guardian, if the participant is a minor) a form that releases and holds the County harmless from liability for any such injury to the participant, and including indemnification for the County for claims relating to any injuries or damage to third parties caused by the participant's involvement in the activity. Concessionaire shall provide a proposed form document to the Contract Administrator for approval by the County, or County may provide Concessionaire a form for its use. Concessionaire may only use a County-approved or provided release form in connection with the Concession Services described in this section.

Section 10. Marketing

Concessionaire must obtain, in advance, written approval from the Contract Administrator or their written designee, for all advertisements, marketing, and publicity materials including, but not limited to, social media (e.g., Facebook, Twitter, Blogs, Instagram) of Concessionaire, that include the Park, Division, or County's name or logo, or otherwise refers to this Agreement. The Contract Administrator may also require Concessionaire to identify or tag the name of the Park or the Division in certain advertising, marketing, publicity, or social media materials in the Contract Administrator's sole discretion. Concessionaire shall not own or otherwise have the legal right to the trademark of any name that includes the name of the Park, Division, County, or any of their names or logos. All names, logos, trademarks, or copyrights developed during or pursuant to this Agreement that in any way associate with, identify, or implicate an affiliation with County, or any agency thereunder, shall be subject to the prior written approval of the Contract Administrator, and, upon termination of this Agreement, shall be exclusively owned by County if County elects to take ownership. Any banner or signage placed within the Park or adjacent to the Park must be professionally made and approved by the Contract Administrator prior to installation. Concessionaire, the Contract Administrator, and the Division's Public Communications and Outreach Group Manager, or their written designees, shall cooperate on all marketing efforts.

**HOLIDAY FANTASY OF LIGHTS EVENT AT TRADEWINDS PARK
SCOPE OF SERVICES**

1. General Description

The Holiday Fantasy of Lights (HFOL) event (each an annual “Event”) started in 1993 and is an annual drive-through holiday light show that Broward County Parks and Recreation (the “County”) hosts at Tradewinds Park each year. The event brings in more than 125,000 visitors annually who are able to drive their vehicles through the approximately two-mile course from 6:00 p.m. to 10:00 p.m. each night during the holiday season from mid-November to early January.

2. Property and Project Description

Tradewinds Park and Stables (the “Park”) is located at 3600 W. Sample Road, Coconut Creek, Florida, off Sample Road and Florida’s Turnpike (Exit 69), with high vehicular traffic in and around this location. The Park’s amenities include horseback riding, an education farm, model steam train rides, picnic shelters, fishing, athletic fields, Equine-Assisted Therapies of South Florida, and the world-famous Butterfly World. At approximately 625 acres, Tradewinds Park and Stables is one of Broward County’s largest and most diverse parks.

The County is interested in obtaining proposals for the development and operation of the HFOL show. The selected vendor (the “Contractor”) is expected to provide, produce, design, and manage a large-scale drive-through show with anticipated vehicle attendance of 650+ vehicles per night. The Event shall be held at that portion or portions of the Park illustrated in Attachment A. The route for the Event may be modified as mutually acceptable to the County and the Contractor.

The County’s goal is to encourage creativity with innovations of a high-quality drive-through holiday display show for each Event. The County will afford flexibility in attaining this objective by encouraging those who submit proposals to offer ideas to be incorporated into the HFOL show.

The Contractor must fund the ongoing maintenance and operations costs for the HFOL show during the term of the Agreement. Proposers should consider this when proposing the Annual Guarantee and percentage of gross revenue rates.

The County recommends an Annual Minimum Guarantee of at least \$60,000 per contract year/holiday season and a percentage of gross revenues of at least 5%. A more detailed description of how these rates are applied can be found in Article 5 of the draft agreement included in this solicitation.

Following the first contract year/holiday season, the Annual Minimum Guarantee will increase to the greater of the following: (a) the agreed amount for the prior contract year or (b) the percentage increase of the Consumer Price Index for All Urban Consumers (“CPI-U”) for Miami-

Fort Lauderdale-West Palm Beach. A more detailed description of how the CPI-U is calculated and applied can be found in Section 5.1.2 of the draft agreement included in this solicitation.

3. Services Description

A. The Contractor shall be responsible for planning, organizing, funding, operating, and administering the HFOL show, and will provide its own display fixtures, cables, installation, and tear-down equipment, point of sales equipment, materials, supplies and personnel for the operation of each Event at the Contractor's sole cost and expense.

B. The route to be used for the Event and the displays and supportive lighting for the Event is set forth in Attachment A to this Scope of Services. At the start of any agreement entered into as a result of this solicitation, the Contractor must submit an accessibility site plan that includes, at a minimum, traffic direction, parking, toilets, and directional signs.

C. The County may host special events at the site during an Event, so long as the County determines that such special events are not direct competition against, or interfere with, the Event. The Contractor must submit a rate sheet for the County's use of the Event site in its response to this solicitation. The County will reimburse the Contractor for any additional direct costs associated with the operation of the lights and displays for the County's events in accordance with the Contractor's rate sheet. **The County will be responsible for obtaining the necessary permits for the Event and will provide acceptable liability insurance for the Event.** The Contractor may also host special events during an Event, subject to the availability of space and resources at the Park and subject to the prior written approval of the County, as further described in Section 7 of this Scope of Services. The Contractor will be responsible for managing its pre-approved special events that coincide with an Event.

We (Brandano Displays, Inc.) are permitted by the City of Coconut Creek and insured to host a drive through Event with visitors enjoying the lights from their cars.

D. The Contractor shall keep any music or other sounds used as part of an Event at a level acceptable to the County, as the HFOL location is in proximity to residential communities and pastures with live animals. The Contractor shall review City of Coconut Creek Code of Ordinance regarding "Noise" at the following link: [ARTICLE II. – NOISE | Code of Ordinances | Coconut Creek, FL | Municode Library.](#)

E. Unless otherwise agreed to by the County and the Contractor, the published Event hours shall be between 6 p.m. and 10 p.m. The Contractor and the Contractor's HFOL staff will be allowed in the Park before and after Event hours each day to prepare for the day's Event operations and to close down the Event each night. Supervision of the Contractor's Event staff is the Contractor's sole responsibility. Each Event is expected to run for at least thirty-seven (37) and up to forty-five (45) days, but the Contractor may request additional days of operation which may be approved by the County.

F. The Contractor shall be reasonably environmentally conscientious in the products used and the disposal of items at the Event, and shall at all times operate utilizing the County's best practices for recycling and minimizing waste. More details can be found at ([Recycling County Parks Recycling \(broward.org\)](#)). The Contractor shall be responsible for the cleanliness of its operations, garbage disposal, etc.

Edit changes in Yellow. Edited Wording in Red.
Comments in Red bold italic.

G. The Contractor must return the Event site to its pre-Event condition within thirty (30) calendar days after the conclusion of each annual Event. This may include providing for the repair or cost of repairs for excessive damage to the site, including, but not limited to, turf and vegetation, facilities, irrigation, electrical, and water utility. Any other special events relating to the Event must be cleaned up and the site returned to the condition it was prior to the special event date within twenty-four (24) hours after the end of the special event. If the Event site is not returned to the condition it was in prior to the event, the County may elect to repair any damage to the site or the Park and invoice the Contractor for all of the County's costs incurred in repairing such damage, to be paid within thirty (30) calendar days after delivery of the invoice. Any invoices submitted to the Contractor shall be relevant third-party invoices or labor invoices if County staff is used to return the location to its pre-event condition.

H. The Contractor must notify the County of any incidents or accidents resulting from or arising out of the Event or any other special events, within twenty-four (24) hours after the occurrence of the incident or accident.

I. After the close of the light show each year, the Contractor will meet with relevant Park staff members to evaluate success and identify any areas of improvement for the following year. This process may consist of written reports, such as an "Event After-Action" report.

J. No later than October 1 of each year during the contract term, the Contractor shall provide the Contract Administrator with a list of vendors that the Contractor is requesting to use for the provision of any products, food, or beverages to be sold or provided during the Event and a list of any entertainment acts or professional programs that the Contractor is willing to use during the Event. The Contract Administrator will have the sole discretion to approve or disapprove the Contractor's requested vendors.

K. The **Contractor** **County** must provide traffic barricades and traffic cones, as needed, for crowd control within the Park and must coordinate with the City of Coconut Creek to determine if there are any Maintenance of Traffic (MOT) or crowd control requirements. The Contractor will be responsible for adhering to any identified MOT and crowd control requirements at the Contractor's sole expense.

Change Contractor to County. Brandano Justification: Simplicity. If County cones are used there is little confusion to both the County and Brandano employees.

L. The Contractor shall maintain the lights and displays every night during operation of each Event. Damaged or burned lights shall be replaced promptly, prior to opening for the next night of the Event.

M. The Contractor shall provide all staff to work the drive-through show each night of the Event, including taking payment and managing traffic within the Park.

N. The Contractor shall work with the City of Coconut Creek Police Department and their Public Safety requirements and/or recommendations for traffic management. The Contractor shall be responsible for paying off-duty or on-duty officers as recommended by the City of Coconut Creek Police Department.

O. The Contractor will be responsible for ensuring informing patrons to remain in vehicles by posting multiple signs at the entrance, transaction areas and throughout the route, except when using restrooms, unless they are at a stationary stop-off point such as a “holiday village,” or special event staged by the Contractor or the County during an Event.

Brandano Justification: It is impossible to ensure.

P. Within thirty (30) days before each Event, the Contractor shall provide to the County a written Emergency Medical Services Plan, approved by the City of Coconut Creek Fire Rescue and Police Department. The Contractor shall be responsible for obtaining Police and Fire Rescue services or any permits as required by the City of Coconut Creek.

Q. The County’s electricians will provide the Contractor with information for all electrical stations and any and all information related to the Event which includes, but not limited to, internal electrical components such as gauge wire, amperage, relays, capacitors, resistors, etc. The Contractor will coordinate all requests for electrical information or assistance through the County.

R. The Contractor will reimburse the County for all electrical power costs associated with powering all displays used for the Event.

S. The Contractor may place a storage trailer or container on site for the duration of the HFOL contract in a location approved by the County.

4. Displays and Decorations

A. The Contractor shall be responsible for manufacturing or otherwise obtaining, delivering to the Event site, and installing or otherwise readying all displays. Displays should include seasonal, manufactured items of the Contractor’s inventory supplied by and chosen by the Contractor and approved by the County, for use in the Event(s). The design elements of typical holiday lighting themes which also supplement the displays such as, but not limited to, light stringing on trees or fences, snowflakes, candy canes, spotlights, deer, or musical notes are not considered to be displays. The Event route and locator map illustrating the general area for the Event is illustrated in Attachment A (subject to future County-approved modifications).

B. The Contractor shall provide or obtain the Items for all displays which includes but not limited to installation hardware, light bulbs, cables, and necessary wiring required to install and make ready the displays for the Event and have those Items delivered to the site at the Contractor's sole cost.

C. The Contractor shall test and prepare all lights prior to installation to ensure proper orientation. The Contractor shall provide a test-run of the light show and music (if any) prior to official opening date if requested by the Park’s manager or their designee.

D. With the County’s approval, the Contractor may be allowed to store certain items at the Park during the time between annual Events. These items will remain at the Park at the Contractor's sole expense, responsibility, and liability. However, the displays, supportive

lighting, and equipment **must** be removed by the Contractor at its sole expense by **February 1st each year**. ~~forty-five (45) days after closing.~~

Brandano Justification: This is a large program with removal and takedown of displays, lights and electrical distribution.

5. Equipment, Furnishings, and Signage

A. All equipment, furnishings, signage, and advertising installed, removed, or replaced by or for the Contractor shall be in keeping with the appropriate standards of decor at the Park. The County reserves the right to approve any such equipment, signage, or advertising prior to such installation.

B. The Contractor will ensure that all equipment, furnishings, and improvements provided by the Contractor meet the requirements of all applicable building, fire, pollution, and other related codes.

C. The Contractor shall not alter or modify any portion of the Event areas without first obtaining written approval from the County, excluding minor repairs and/or maintenance (e.g., replacing bulbs).

D. The County will ~~make a reasonable attempt to~~ ensure that all power centers are in working condition prior to the annual start of the Event set up by the Contractor.

Brandano Justification: The County has this responsibility to provide an adequate power supply (either temporary or permanent) prior to opening night.

E. The equipment and displays for the Event shall be installed and dismantled by the Contractor's staff. The Event is expected to include numerous displays with lighting covering approximately a two and one-tenth (2 1/10) mile area of the Park, as described in Attachment A. The specific layout and design of the displays shall be determined by the Contractor with input by, and subject to the approval of, the County. The Contractor agrees to work closely with the County's staff or contractors regarding any technical issues, such as locating utility areas and lines.

F. The Contractor shall be responsible for installation of the lights and display, including connections to the County's electrical connections at the Contractor's sole cost and expense. The Contractor's installation plan shall be conveyed to the County before commencement of any activity. The installation plan is subject to the County's review and approval prior to any implementation of same by the Contractor.

G. The Contractor shall be responsible for obtaining all requisite permits and other government approvals required for each Event, and the Contractor's special events approved by the County in order to operate same effectively and safely.

6. Marketing

A. The Contractor shall be responsible for making reasonable efforts to market, advertise, and promote the Event as open to the public. The marketing materials must not result in adverse publicity for the County, be inconsistent with any County policy regarding advertising or marketing, and must not suggest an affiliation with any religion or religious organization.

B. The Contractor and the County shall cooperate on marketing efforts, including cross-marketing. The County shall include the Event(s) in the Parks and Recreation Division's relevant promotional or informational materials.

7. Special Event Fees and Utilization

A. The Contractor may utilize, at no additional cost, various Park equipment, special event areas, and labor at the County's standard rate, up to a value of Six Thousand Dollars (\$6,000.00) per contract year. The source of the equipment and labor available, and the pricing are the same as Broward County Parks System Fee Schedule (Park Admission Fee excluded), available at [Fees Home \(broward.org\)](https://www.broward.org/fees). The Contractor shall give the County fifteen (15) days advance notice of the Contractor's request to utilize items from the Broward County Parks System Fee Schedule. Items shall be available on a first-come first-serve basis, and County does not guarantee availability. Should the Contractor utilize the items on the Broward County Parks System Fee Schedule in an amount greater than the Six Thousand Dollars (\$6,000.00) annual limit, the Contractor shall pay the County all additional amounts in the time period and manner stated in the Broward County Parks System Fee Schedule.

B. The Contractor shall be responsible for hosting a special ~~nights~~ night for County-selected groups on a designated day~~(s)~~ of the Event mutually agreed upon by the Contractor and the County with a discounted admission fee to the Event. ~~The County will sell tickets online prior to the Event and provide Contractor with names and receipts 24 hours prior to the Event.~~ The ~~Contractor~~ County shall donate one hundred percent (100%) of all proceeds collected by the ~~Contractor~~ County for selected nights to the Parks Foundation or local not-for-profit charity selected by the County. The Contractor shall be responsible for all operations and expenses related to the special nights with a limit of up to ~~three (3) nights~~ one (1) night a year. The ~~Contractor~~ County shall ensure portable toilets are placed in areas approved by Park Management during Contractor's-designated Events.

Brandano's Justification: Simplicity of ticketing and transaction. Three nights is 8% of Brandano's nights. This is unreasonable.

C. If either the County or the Contractor has an approved special event relating to the Event, each shall be responsible for hiring and paying for security for its special event. The special event shall not take place if not adequately staffed.

8. Managerial Approach

A. It is required that the Contractor's staff is experienced in the operation of this Scope of Services as it relates to hospitality, admissions, traffic control, and maintenance.

B. The Contractor, at its sole expense, shall assign a full-time, qualified, experienced manager for Event operations (the "Operations Manager"). The Operations Manager, their authorized agent, must be at least eighteen (18) years of age and shall be physically available onsite during Event operating hours. The qualifications of the Operations Manager shall be submitted to the County upon request. During the hours when the Operations Manager is not on duty or available, the Operations Manager or the Contractor shall designate a qualified authorized agent who shall be on duty in the Operations Manager's absence. The Operations Manager and their qualified authorized agent shall be authorized representatives of the

Contractor and be entitled to responsibly act in all matters relating to the day-to-day operations of the HFOL services and operations hereunder.

9. Facilities and Services Provided by the County

The County shall provide the following, as existing on the effective date of the agreement entered between the County and the Contractor:

- A. Electrical connection power centers.
- B. Water connections.
- C. Sewage collection facilities.
- D. Non-exclusive parking. The County and the Contractor will cooperate regarding any special parking needs.
- E. Map denoting the location of all electrical power centers required for the Event that the Contractor may also use to obtain an electrical permit.
- F. Use of two (2) gatehouses with electrical power.
- G. Use of park restrooms that will be assigned and approved by the Park's manager or designee.
- H. Lightning prediction system. The Contractor must cease outside operations when the lightning prediction system alerts there is possible lightning in the area. This applies to anything where anyone working for the Contractor or being served by the Contractor, is outside when the system sounds until the "all clear" signal sounds.

Current Construction

Currently, certain sections of the route depicted on Attachment A are undergoing a multi-year construction project that began in 2021. Taking this into consideration, at the start of the HFOL, the Contractor must submit an accessibility site plan that includes, at a minimum, traffic direction, parking, toilets, and directional signs to allow operations of the Event.

Attachment A

DOMESTIC PARTNERSHIP ACT CERTIFICATION

REQUEST FOR PROPOSAL, REQUEST FOR QUALIFICATION, OR REQUEST FOR LETTER OF INTEREST

Refer to applicable section below. Failure to submit this form by stated timeframes may deem the Vendor nonresponsive to the solicitation or ineligible for the Domestic Partnership tiebreaker, as applicable.

Domestic Partnership Responsiveness Requirement (Refer to Instructions to Vendors, if applicable)

This completed and signed form should be returned with the Vendor's submittal. If not provided with the submittal, the Vendor must submit this form within three business days after County's request. A Vendor shall be deemed non-responsive for failure to fully comply within stated timeframes.

Domestic Partnership Tiebreaker (Refer to Instructions to Vendors, if applicable)

To be eligible for the Domestic Partnership tiebreaker, **the Vendor must currently offer the Domestic Partnership benefit and the completed form must be returned at the time of solicitation submittal.** Vendors who fail to comply with this submittal deadline will not be eligible for the Domestic Partnership tiebreaker.

The [Domestic Partnership Act, Sections 16½- 150 through 16½-165](#), Broward County Code of Ordinances (the "Act") requires any Vendor contracting to provide goods or services to the County in an amount over \$100,000 to provide benefits to registered domestic partners of its employees on the same basis as the Vendor provides benefits to its employees' spouses, with certain exceptions as provided by the Act.

For all submittals over \$100,000, the Vendor, by virtue of the signature below, certifies that it is aware of the requirements of Broward County's Domestic Partnership Act, Section 16½-157, Broward County Code of Ordinances, and certifies the following: (check only one below)

- The Vendor currently complies with the requirements of the County's Domestic Partnership Act and provides benefits to Domestic Partners of its employees on the same basis as it provides benefits to employees' spouses.
- The Vendor will comply with the requirements of the County's Domestic Partnership Act at time of contract award and provide benefits to Domestic Partners of its employees on the same basis as it provides benefits to employees' spouses.
- The Vendor will not comply with the requirements of the County's Domestic Partnership Act at time of award.
- The Vendor does not need to comply with the requirements of the County's Domestic Partnership Act at time of award because the following exception(s) applies: (check only one below).
 - The Vendor employs less than five (5) employees.
 - The Vendor does not provide benefits to employees' spouses.
 - The Vendor is a governmental entity, not-for-profit corporation, or charitable organization.
 - The Vendor is a religious organization, association, society, or non-profit charitable or educational institution.

DOMESTIC PARTNERSHIP ACT CERTIFICATION

REQUEST FOR PROPOSAL, REQUEST FOR QUALIFICATION, OR REQUEST FOR LETTER OF INTEREST

- The Vendor provides an employee the cash equivalent of benefits. (Attach a notarized affidavit in compliance with the Act stating the efforts taken to provide such benefits and the amount of the cash equivalent).

- The Vendor cannot comply with the provisions of the Domestic Partnership Act because it would violate the laws, rules or regulations of federal or state law or would violate or be inconsistent with the terms or conditions of a grant or contract with the United States or the State of Florida. (State the law, statute or regulation and attach explanation of its applicability).

LOCATION CERTIFICATION
REQUEST FOR PROPOSAL, REQUEST FOR QUALIFICATION, OR REQUEST FOR LETTER OF INTEREST

To Be Eligible for Local Preference: (refer to Instructions to Vendors if applicable to the solicitation)

The Vendor should submit this fully completed form and all Required Supporting Documentation (as indicated below) by solicitation end date. If not provided with submittal, the Vendor must submit within three business days after County's written request. Failure to submit required forms or information by stated timeframes may deem the Vendor ineligible for local preference or points for location.

To be eligible for the 'Location' tiebreaker: (refer to Instructions to Vendors if applicable to the solicitation)

The Vendor must submit this fully completed form *and* a copy of its Broward County local business tax receipt by solicitation end date. Vendors who fail to comply with this submittal deadline *will not* be eligible for the location tiebreaker.

Broward County [Code of Ordinances, Section 1-74](#), et seq., provides certain preferences to Local Businesses, Locally Based Businesses, and Locally Based Subsidiaries, and the [Broward County Procurement Code](#) provides location as the first tiebreaker criteria. The undersigned Vendor hereby certifies that (check the box for only one option below):

Option 1: The Vendor is a **Local Business**, but does not qualify as a Locally Based Business or a Locally Based Subsidiary, as each term is defined by Section 1-74, Broward County Code of Ordinances. The Vendor further certifies that:

- A. It has continuously maintained, for at least the one (1) year period immediately preceding the bid posting date (i.e., the date on which the solicitation was advertised),
 - i. a physical business address located within the limits of Broward County, listed on the Vendor's valid business tax receipt issued by Broward County (unless exempt from business tax receipt requirements),
 - ii. in an area zoned for the conduct of such business,
 - iii. that the Vendor owns or has the legal right to use, and
 - iv. from which the Vendor operates and performs on a day-to-day basis business that is a substantial component of the goods or services being offered to Broward County in connection with the applicable competitive solicitation (as so defined, the "Local Business Location").

If Option 1 selected, indicate **Local Business Location:**

CRIMINAL HISTORY SCREENING PRACTICES CERTIFICATION

The completed form should be returned with the Vendor's submittal. If not provided with the submittal, Vendor must submit the form within three business days after County's request. Vendor may be deemed nonresponsive for failure to fully comply within the stated timeframe.

[Section 26-125\(d\)](#) of the Broward County Code of Ordinances ("Criminal History Screening Practices") requires that a Vendor seeking a contract in the amount of \$100,000 or more with Broward County shall certify:

- A. Vendor has implemented, or will implement upon award of the contract, policies, practices, and procedures regarding inquiry into the criminal history of an applicant for employment, including a criminal history background check of any such person, that preclude inquiry into an applicant's criminal history until the applicant is selected as a finalist and interviewed for the position.
- B. This requirement shall apply only to positions located within the United States that will foreseeably perform work under a contract with Broward County.
- C. The failure of Vendor to comply with Section 26-125(d) at any time during the contract term shall constitute a material breach of the contract, entitling Broward County to pursue any remedy permitted under the contract and any other remedy provided under applicable law.
- D. If Vendor fails to comply with Section 26-125(d) at any time during the contract term, Broward County may, in addition to all other available remedies, terminate the contract and Vendor may be subject to debarment or suspension proceedings consistent with the procedures in Chapter 21 of the Broward County Administrative Code.

By signing below, Vendor certifies that it is aware of the requirements of Section 26-125(d) of the Broward County Code of Ordinances and certifies the following: (check only one box below).

- Vendor certifies that, for positions located within the United States that will foreseeably perform work under a contract with Broward County, it has implemented, or will implement upon award of the contract, policies, practices, and procedures regarding inquiry into the criminal history of an applicant for employment, including a criminal history background check of any such person, that preclude inquiry into an applicant's criminal history until the applicant is selected as a finalist and interviewed for the position.
- Vendor is exempt from the requirements of Section 26-125(d) of the Broward County Code of Ordinances because Vendor is required by applicable federal, state, or local law to conduct a criminal history background check in connection with potential employment at a time or in a manner that would otherwise be prohibited by this section, or because Vendor is a governmental agency.

LOBBYIST REGISTRATION REQUIREMENT CERTIFICATION

The completed form should be submitted with the solicitation response but must be submitted within three business days after County’s request. The Vendor may be deemed nonresponsive for failure to fully comply within stated timeframes.

The Vendor certifies that it understands if it has retained a lobbyist(s) to lobby in connection with a competitive solicitation, it shall be deemed nonresponsive unless the firm, in responding to the competitive solicitation, certifies that each lobbyist retained has timely filed the registration or amended registration required under the [Broward County Lobbyist Registration Act, Sections 1-260 through 1-262](#), Broward County Code of Ordinances; and it understands that if, after awarding a contract in connection with the solicitation, the County learns that the certification was erroneous, and upon investigation determines that the error was willful or intentional on the part of the Vendor, the County may, on that basis, exercise any contractual right to terminate the contract for convenience.

The Vendor hereby certifies that: (select one)

- It has not retained a lobbyist(s) to lobby in connection with this competitive solicitation; however, if retained after the solicitation, the County will be promptly notified.

- It has retained a lobbyist(s) to lobby in connection with this competitive solicitation and certifies that each lobbyist retained has timely filed the registration or amended registration required under Broward County Lobbyist Registration Act, Sections 1-260 through 1-262, Broward County Code of Ordinances.

The completed form should be submitted with the solicitation response. If not submitted with the solicitation response, it must be submitted within three business days after of County's request. Failure to timely submit may result in Vendor being deemed non-responsive.

- a. All Vendors are required to disclose the names and addresses of Affiliated Entities (defined below) of the Vendor's principal(s) over the last five years (from the solicitation opening deadline) that have acted as a prime vendor with the County.
- b. The County will review all Affiliated Entities of the Vendor's principal(s) for contract performance evaluations and the compliance history with the County's Small Business Development Program, including County Business Enterprise (CBE), Disadvantaged Business Enterprise (DBE) and Small Business Enterprise (SBE) goal attainment requirements. "Affiliated Entities" of the principal(s) are those entities related to the Vendor by the sharing of stock or other means of control, including but not limited to a subsidiary, parent, or sibling entity.
- c. The County will consider the contract performance evaluations and the compliance history of the Affiliated Entities of the Vendor's principals in its review and determination of responsibility.

The Vendor hereby certifies that: (select one)

- No principal of the proposing Vendor has prior affiliations that meet the criteria defined as Affiliated Entities.

VENDOR QUESTIONNAIRE AND STANDARD CERTIFICATIONS
REQUEST FOR PROPOSAL, REQUEST FOR QUALIFICATION, OR REQUEST FOR LETTER OF INTEREST

Standard Certifications:

Drug-Free Workplace Certification

In accordance with Section 287.087, Florida Statutes, whenever two or more submittals are tied, a submittal received from a Vendor that certifies it has implemented a drug-free workplace program shall be given preference in the award process.

The Vendor hereby certifies that: (only if Vendor is certifying it currently complies, check box)

- The Vendor hereby certifies that it has established a drug-free workplace program in accordance with the requirements of Section 287.087, Florida Statutes, ("Preference to businesses with drug-free workplace programs.")

Non-Collusion Certification

Vendor shall disclose, to their best knowledge, any Broward County officer or employee, or any relative of any such officer or employee as defined in Section 112.3135 (1) (c), Florida Statutes, who is an officer or director of, or has a material interest in, the Vendor's business, who is in a position to influence this procurement. Any Broward County officer or employee who has any input into the writing of specifications or requirements, solicitation of offers, decision to award, evaluation of offers, or any other activity pertinent to this procurement is presumed, for purposes hereof, to be in a position to influence this procurement. Failure of a Vendor to disclose any relationship described herein shall be reason for debarment in accordance with the provisions of the Broward County Procurement Code.

The Vendor hereby certifies that: (select one)

- The Vendor certifies that this offer is made independently and free from collusion; or
- The Vendor is disclosing names of officers or employees who have a material interest in this procurement and is in a position to influence this procurement. Vendor must include a list of name(s), and relationship(s) with its submittal.

Public Entities Crimes Certification

In accordance with Public Entity Crimes, Section 287.133, Florida Statutes, a person or affiliate placed on the convicted vendor list following a conviction for a public entity crime may not submit on a contract: to provide any goods or services; for construction or repair of a public building or public work; for leases of real property to a public entity; and may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017 for Category Two for a period of 36 months following the date of being placed on the convicted vendor list.

The Vendor hereby certifies that: (check box)

- The Vendor certifies that no person or affiliates of the Vendor are currently on the convicted vendor list and/or has not been found to commit a public entity crime, as described in the statutes.

VENDOR QUESTIONNAIRE AND STANDARD CERTIFICATIONS
REQUEST FOR PROPOSAL, REQUEST FOR QUALIFICATION, OR REQUEST FOR LETTER OF INTEREST

Scrutinized Companies List Certification

Pursuant to Section 287.135, Florida Statutes, any company or other entity on the **Scrutinized Companies with Activities in Sudan List**, the **Scrutinized Companies with Activities in Iran Terrorism Sectors List**, or the **Scrutinized Companies or Other Entities that Boycott Israel List**, are prohibited from bidding on, submitting a proposal for, or entering into or renewing a contract with an agency or local governmental entity for goods or services of (a) \$100,000 or more if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the company or other entity is on the Scrutinized Companies or Other Entities that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel; or (b) \$1,000,000 or more if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the company or other entity is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in Iran Terrorism Sectors List, created pursuant to Section 215.473, Florida Statutes; or is engaged in business operations in Cuba or Syria.

The Vendor hereby certifies that: (check each box)

- The company or other entity is aware of the above cited requirements of Sections 287.135, 215.473, and 215.4725, Florida Statutes, regarding the above cited lists; and
- The company or other entity is eligible to participate in this solicitation and are not listed on the cited lists above; and
- If awarded the Contract, the company or other entity will immediately notify the County in writing if it is placed on the above cited lists.

* I certify that I am authorized to sign this solicitation response on behalf of the Vendor as indicated in Certificate as to Corporate Principal, designation letter by Director/Corporate Officer, or other business authorization to bind on behalf of the Vendor. As the Vendor's authorized representative, I attest that any and all statements, oral, written or otherwise, made in support of the Vendor's response, are accurate, true and correct. I also acknowledge that inaccurate, untruthful, or incorrect statements made in support of the Vendor's response may be used by the County as a basis for rejection, rescission of the award, or termination of the contract and may also serve as the basis for debarment of Vendor pursuant to PART XI of the Broward County Procurement Code. I certify that the Vendor's response is made without prior understanding, agreement, or connection with any corporation, firm or person submitting a response for the same items/services, and is in all respects fair and without collusion or fraud. I also certify that the Vendor agrees to abide by all terms and conditions of this solicitation, acknowledge and accept all of the solicitation pages as well as any special instructions sheet(s).

**VENDOR QUESTIONNAIRE AND STANDARD CERTIFICATIONS
REQUEST FOR PROPOSAL, REQUEST FOR QUALIFICATION, OR REQUEST FOR LETTER OF INTEREST**

13. Is Vendor or any of its principals or officers currently a principal or officer of another organization?

YES.

John D. Brandano, President of Brandano Displays, Inc. is President of Thousand Island Park Corporation.

Thousand Island Park Corporation is a for-profit corporation which owns and manages a private resort property of 335 summer homesites on the St. Lawrence River in Upstate New York. The position is an unpaid volunteer position. The Thousand Island Park Corporation is managed by a volunteer Board of Directors elected by fifty-eight shareholders who are all residents of the community and elect the officers, including President. The Board of Directors directs employees managed by a General Manager. The Corporation maintains the property and public buildings and bills the leaseholders for the cost of services and taxes. John Brandano will term out on his position as President and Board Member in August of 2026.

LITIGATION HISTORY

- A. Vendor is required to disclose to the County all “material” cases during the last three (3) years prior to the solicitation response end date, whether such cases were brought by or against the Vendor, any parent or subsidiary of the Vendor, or any predecessor organization.
- B. Additionally, the Vendor is required to disclose to the County all “material” cases against any principal of Vendor, regardless of whether the principal was associated with Vendor at the time of the “material” cases against the principal, during the last three (3) years prior to the solicitation response.
- C. A “case” means any filed, pending, or resolved litigation, arbitration, or administrative proceeding.
- D. A case is considered “material” if it relates, in whole or in part, to any of the following:
 - 1. A similar type of work that the Vendor is seeking to perform for the County under the current solicitation;
 - 2. An allegation of fraud, negligence, error or omissions, or malpractice against the Vendor or any of its principals or agents who would be performing work under the current solicitation;
 - 3. A vendor’s default, termination, suspension, failure to perform, or improper performance in connection with any contract;
 - 4. The financial condition of the Vendor, including any bankruptcy petition (voluntary and involuntary) or receivership; or
 - 5. A criminal proceeding or hearing concerning business-related offenses in which the Vendor or its principals (including officers) were/are defendants.
- E. For each material case, the Vendor is required to provide all information identified in the **Litigation History Form**. Additionally, the Vendor shall provide a copy of any judgment or settlement of any material case during the last three (3) years prior to the solicitation response. Redactions of any confidential portions of the settlement agreement are only permitted upon a certification by the Vendor that all redactions are required under the express terms of a pre-existing confidentiality agreement or provision.
- F. The County will consider the Vendor’s litigation history information in its review and determination of responsibility.
- G. If the Vendor is a joint venture, the information provided must encompass the joint venture and each of the entities forming the joint venture.
- H. Vendor is required to disclose to the County any and all cases(s) that exist between the County and any of the Vendor’s subcontractors/subconsultants proposed to work on this project during the last five (5) years prior to the solicitation response.
- I. Failure to disclose any material case, including all requested information in connection with each such case, as well as failure to disclose the Vendor’s subcontractors/subconsultants litigation history against the County, may result in the Vendor being deemed nonresponsive.

LITIGATION HISTORY FORM

The completed form(s) should be returned with the Vendor's submittal. If not provided with submittal, the Vendor must submit within three business days of County's request. Vendor may be deemed non-responsive for failure to fully comply within stated timeframes.

SUBCONTRACTORS/SUBCONSULTANTS/SUPPLIERS REQUIREMENT

The completed and signed form(s) should be returned with the Vendor's submittal. If not provided with submittal, the Vendor must submit within three business days after County's request. Vendor may be deemed nonresponsive for failure to fully comply within the stated timeframes.

- A. The Vendor must submit a listing of all subcontractors, subconsultants, and major material suppliers (firms), if any, and the portion of the contract they will perform. A major material supplier is considered any firm that provides construction material for construction contracts, or commodities for service contracts, in excess of \$50,000, to the Vendor.
- B. If participation goals apply to the contract, only non-certified firms shall be identified on the form. A non-certified firm is a firm that is not listed as a firm for attainment of participation goals (e.g., County Business Enterprise or Disadvantaged Business Enterprise), if applicable to the solicitation.
- C. This list shall be kept up-to-date for the duration of the contract. If subcontractors, subconsultants, or suppliers are stated, this does not relieve the Vendor from the prime responsibility of full and complete satisfactory performance under any awarded contract.
- D. After completion of the contract/final payment, the Vendor shall certify the final list of non-certified subcontractors, subconsultants, and suppliers that performed or provided services to the County for the referenced contract.
- E. The Vendor has confirmed that none of the listed subcontractors, subconsultants, or suppliers' principal(s), officer(s), affiliate(s), or any other related companies, have been debarred from doing business with Broward County or any other governmental agency.

If none, state "none" on this form. Use additional sheets as needed. Vendor should scan and upload any additional form(s) in electric bidding system.
