Navigating Your Bill

Match the numbers below with the numbers on the front.

1. **County Services Information** - This is the contact information for questions about your utility bill or services.
2. **Customer Name** - This is your name.
3. **Customer Number** - This is your account number.
4. **Service Address** - This is the address where your county services are provided. This address may be different than your billing address.
5. **Meter Number** - This is the serial identification of your water meter.
6. **Statement Date** - This is the date the billing system generated your bill.
7. **Due Date** - This is the date your bill is due. Payments made after this date are considered late.
8. **Service Period** - This is the time frame for this month's service charges.
9. **Statement Number** - This is the statement number for this billing period.
10. **Last Read** - This shows the previous month's meter read in thousands of gallons used.
11. **Current Read** - This shows the current month's meter read in thousands of gallons used.
12. **Usage** - This shows the amount of water used since the last meter read in thousands of gallons.
13. **Usage Last Year** - This shows the amount of water used during the same period of last year in thousands of gallons.
14. **Balance Last Bill** - This shows the total charge for the previous month's bill.
15. **Payments / Credits** - This shows any payments that were received or credits applied to your account during this billing cycle.
16. **Past Due/Credit** - This shows any amount that was not paid or any credit balance on your account by the time the billing cycle closed.
17. **Current Charges Amount** - This shows all new fees related to the new service period.
18. **Pay This Amount** - This is the total amount of your current charges, plus any past due charges.
19. **QR Code** - This QR code allows you to access account using a phone or tablet.
20. **News and Notes** - This section displays important information for our customers, such as hydrant flushing, and other water updates.
21. **Monthly Usage Graph** - The consumption graph shows water usage over a 6-month period to assist customers with water conservation efforts.
22. **Amount Enclosed** - This is the box to write in your payment amount.
23. **Check Box 1** - This box should be checked if you are requesting changes to your mailing address.
24. **N/A**
25. **Customer Address** - This is your information including name on the account and mailing address. Please always keep your mailing address updated.
26. **WWS Address** - This is the address where utility payments should be sent. Utility bills may also be paid online. In addition, customers may also sign up for paperless e-billing. For more information, visit www.broward.org/water-services or contact a Customer Service Representative at 954-831-3250.
27. **Payment Coupon/Stub** - Please return this portion of the bill with your payment and keep the top portion for your records.
