Broward County Commissioner Robert McKinzie will attend this meeting

This notice features project information brought to you by the Penny for Transportation Mobility Advancement Program, known as MAP Broward and Broward Metropolitan Organization (MPO). The Broward County Highway Construction and Engineering Division will conduct a **PUBLIC INFORMATION MEETING** for the proposed Median Modification and Sidewalk Improvements from East of NW 31 Avenue to Powerline Road, Broward County, Florida.

The primary purpose of this project is to install median where feasible and improve sidewalk with ADA ramps. The construction activities will include install new median, milling, resurfacing, signage and pavement markings.

This **PUBLIC INFORMATION MEETING** is being held to present the proposed improvements and provide opportunities for public input. County representatives will be available to answer questions during the meeting. The public is encouraged to attend this meeting to review the proposed transportation improvements.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact the Broward County Highway Construction and Engineering Division at 954-577-4555 or hcedinfo@broward.org at least seven days prior to this meeting.
