

Late Shift Connect Program Rider's Guide

A Transportation Option for Late Shift Workers in Broward County

Late Shift Connect is a Broward County Transit (BCT) program subsidizing on-demand and direct transportation taxi trips within Broward County for late shift workers when regular transit service is generally not available. Late Shift Connect customers can request trips **7 times per week** within Broward County from the authorized transportation providers **to or from their places of employment** if their work shift begins or ends **between 9:00pm-7:00am Monday - Friday or 8:00pm-7:00am Saturday-Sunday**.

How does Late Shift Connect payment and trips work?

The Late Shift Connect payment card is issued in the name you submitted on the Late Shift Connect enrollment form. You choose the transportation company from the authorized list you want to travel with. Your Late Shift Connect online account **must have at least \$2 for each trip for the payment card to work**. At the completion of the trip swipe your Late Shift Connect payment card to pay the fare. Your online account balance will be deducted for the first \$2 of the fare and any remaining balance after the **maximum \$30 subsidy** is applied. **If your account balance is below \$2 the transaction will be declined and you will be responsible for paying the entire fare**. You may add funds to your Late Shift Account while you are in the taxi and it will show on your account immediately. The **\$2 payment per trip must be made with your Late Shift Connect payment card and cannot be made** in cash or credit/debit in the taxi.

Example #1 Customer cost is only **\$2**

Total cost of work trip is \$32.

First \$2 (customer Late Shift Connect account) + \$30 (Late Shift Connect subsidy) = \$32.

Total customer cost is **\$2**.

Example #2: Cost to customer is **more than \$2**

Total cost of work trip is \$35.

First \$2 (customer Late Shift Connect account) + \$30 (Late Shift Connect maximum) + \$3 (customer fare above \$32) = \$35.

Total cost to the customer is **\$5**.

How much of the fare is paid by Late Shift Connect?

AFTER the first \$2 for each trip is deducted from your Late Shift Connect online account balance, Late Shift Connect **pays the remaining metered balance up to a maximum of \$30 per trip. Any remaining balance is your responsibility.**

When is Late Shift Connect available?
