**EMPLOYEE ACKNOWLEDGEMENT**

I have read the rules pertaining to coverage for Over Age Dependents. I understand that the portion of the premium attributable to my Over Age Dependent cannot be deducted pre-tax and that I will pay imputed income tax on the portion of the subsidy attributable to the Over Age Dependent’s coverage. Over Age Dependents are not eligible to receive reimbursement from a Health Savings Account (HSA) or Health Reimbursement Account (HRA) unless claimed as a dependent on your income taxes. Employees will not receive the portion of the HRA attributable to coverage of an Over-Age Dependent. Eligible medical expenses incurred may be reimbursable from the Health Savings Account (HSA), subject to IRS guidelines.

I acknowledge that I have provided true and official documentation; and that the dependent listed above meets the eligibility criteria, as specified by Broward County. If a post audit of the enrolled dependent shows that he/she does not meet the eligibility requirements of the plan, I understand that I will be held legally and financially responsible for the repayment of all benefit claims incurred by my ineligible dependent. Florida Statute 817.234 clearly states that any person who knowingly and with the intent to injure, defraud or deceive any insurer, files a statement of claim or an application containing any false, incomplete, or misleading information is guilty of a felony of the third degree. Any person committing such fraud will be subject to appropriate action by Broward County and/or the insurance carrier.
