EMS Grant – Alison Zerbe

Alison Zerbe reported that the Florida Department of Health announced the County EMS Grants for FY2020/2021. Broward was allocated \$94,010. The information packet and application was sent out on Friday, August 7. Any organization can apply as long as it is to expand and improve EMS in Broward County. Countywide or multi-agency projects are given priority. Deadline for applications is Tuesday, September 15 at 2 p.m. Any application submitted after deadline will not be considered.

Along with EMS Council's previous Grant Committee members, Mr. Marrinson has appointed several others to the Grant Committee: Candace Pineda and Chief Julie Downey. Dr. Antonio Gandia has been appointed the new chair of the committee. The Grant Committee will need to meet in October to rank the projects and A. Zerbe will be in contact with the Grant Committee after this meeting.

Chief Joel Gordon reported public information has been very active with COVID-19. A couple of months ago they had a chat with PIO throughout the county about COVID. There is a statewide conference call for the PIO deployment team every Monday. They have PIO's deployed at all the testing sites.

EMI is modifying how they are doing training on PIOs. They are bringing it virtual and combining the 290 and 291 classes. They are allowing the states to continue to do the programs they were doing. Through the Florida Association of PIOs they are continuing to do their hybrid 290 and 291 classes. The next one is tentatively scheduled for Fire Rescues in January. Their symposium is scheduled for Friday, January 22.

EMS Conference – Chief Bruce Caruso

Alison Zerbe reported for Chief Caruso (who had an accident riding his bike and couldn't be here). The First There First Care conference committee has been meeting virtually to plan the conference for 2021. They haven't decided if the conference will be

They put out a simple survey of the needs of county regarding ambulance providers and some surveys have been returned.
