

BUILDING PERMITTING E-PERMIT PRESENTATION

Resilient Environment Department

Broward County Building Code Division (BCD)

Please be advised that Broward County ePermits Online System currently support Microsoft Edge browser.

BACKGROUND

- Broward County Building Code Division's Building Permitting office has permitting jurisdiction for properties in Unincorporated Broward County.
- **Currently, ePermits is not available for Owner-Builder permits, Elevator Permits, permits that require Fire Plan Review, water meter permits, and permit applications for Fort Lauderdale Airport. See page 3 for eligible ePermits. ePermits revisions cannot be submitted if the initial permit application was physical documents.**
- Development and Environmental Review approval or exemption is required, for applicable permits, prior to submitting the permit application and plans to our office (BCS Master Permit). Please contact DERPlans@Broward.org for questions.
- **If our ePermits service software is unable to digitally verify drawings that require sign and seal signatures, an electronic signature affidavit is required. The permit application will be REJECTED if the digital signature cannot be verified, or an electronic affidavit is not uploaded for each uploaded drawing (signed and sealed).**
- **Please note that Plan Review may request that the scope of work be submitted as a physical permit package.**
- For job values equal to or greater than \$5,000.00 or \$15,000.00 for air conditioner repair or replacement upon issuance of the permit, a current **certified copy** of a recorded Notice of Commencement must be obtained. One copy must be submitted to our office prior to scheduling the first inspection. Please contact records@broward.org

BEFORE YOU GET STARTED...

- Uploaded plans must be Signed and Sealed on each page of the plans. **Our office must be able to verify the digital signature; otherwise, the plans will be rejected. Digital signatures that cannot be verified require an electronic signature affidavit. The permit application will not be accepted if the digital signature cannot be verified, or affidavit is not provided (See slide 17)**
- To the left are Signed & Sealed Options that must be on all pages of the Architectural/Professional Engineer plans.
- Physical submissions will convert the ePermit application to a physical application.
- At the direction of the Building Official or Trade Chief, physical plans may be required.

BEFORE YOU GET STARTED

IMPORTANT: Broward County Building Code Division's Building Permitting office has permitting jurisdiction for properties in Unincorporated Broward County. Please confirm permitting jurisdiction with the [Broward County Property Appraiser's Office](#) before starting this ePermit application.

If there is an "Unsubmitted" BCS Master Permit application, please click on the "Unsubmitted" application to proceed with the submittal. Please make applicable changes or complete the application

The current completed "Broward County Uniform Permit Application" must be uploaded with supporting documents.

Planning and Development Management review is required. Approval and/or Exemption certificates must be uploaded with signed and sealed plans.

Please contact DERPlans@broward.org for questions or concerns related to their review.

DO NOT upload Password Protected or Secured documents [example: Product Approvals, UL, product schedules, and Notices of Acceptance (NOA)]

Broward County ePermits Electronic Signature Document

This document is signed and sealed to secure the data in this plan review application and any attached files that were electronically submitted as described in the applicable professional regulation(s) for signing and sealing electronically transmitted plans.

Reference Number: 0000084054

Applicant Name: TVANEYK

Project Name: Broward County NRWTP Temporary Construction Trailer

Signature Report Document Created: 12/19/2018 10:55:31

The following files are attached and sealed:

File Name / Description	Document Types	Authentication Code (SHA-1)	Authentication Date
BC NRWTP Temporary Constructio	Civil Drawings 69-61	15483EFD45EDCEBEDBE26A463CA18E2FDC48267A	12/19/2018 10:52:32

Signature: 

Date: 12/19/18

Seal:

NOTE: Effective December 10, 2015, the signed and sealed report may be submitted either by hardcopy or scanned and sent electronically. The hardcopy signed and sealed report shall be retained by the licensee in accordance with Rule 61G15-30.009, F.A.C. for Professional Engineers only. All others require the original documents(s) be submitted in original form:

Planning and Development Management

Attn: Development and Environmental Review

If you have any questions, please contact us at:

SIGN AND SEAL OPTION (SHA-1)

- Uploaded plans that the digital signature cannot be verified will not be accepted without corresponding SHA-1. **IMPORTANT: THE SHA-1 CAN ONLY BE GENERATED BY THE ARCHITECT/ENGINEER FOR THE PAGES THAT ARE SIGNED AND SEALED. (see Slide 17.)**
- **IF THE DIGITAL SIGNATURE CANNOT BE VERIFIED AND THE CORRESPONDING SHA-1 AFFIDAVIT IS NOT PROVIDED, THE PERMIT APPLICATION AND PLANS WILL NOT BE ACCEPTED.**

PLANS MUST BE SIGNED & SEALED: THREE OPTIONS

1. e-Sign software (Global Sign or VeriSign)

2. Upload plans with signature and seal that are clearly visible on all pages of the Architect/Professional Engineer plans. Please upload as one complete file.
3. If the digital signature cannot be verified by our office, the Architect/Professional Engineer must generate a SHA-1 Affidavit. **IMPORTANT: THE SHA-1 AFFIDAVIT CAN ONLY BE GENERATED BY THE ARCHITECT/ENGINEER FOR THE PAGES THAT ARE SIGNED AND SEALED. (See Slide 17.)**

IMPORTANT: If the SHA-1 Affidavit is not provided or cannot be verified, the permit application will not be accepted.

FOLLOW THESE STEPS . . .

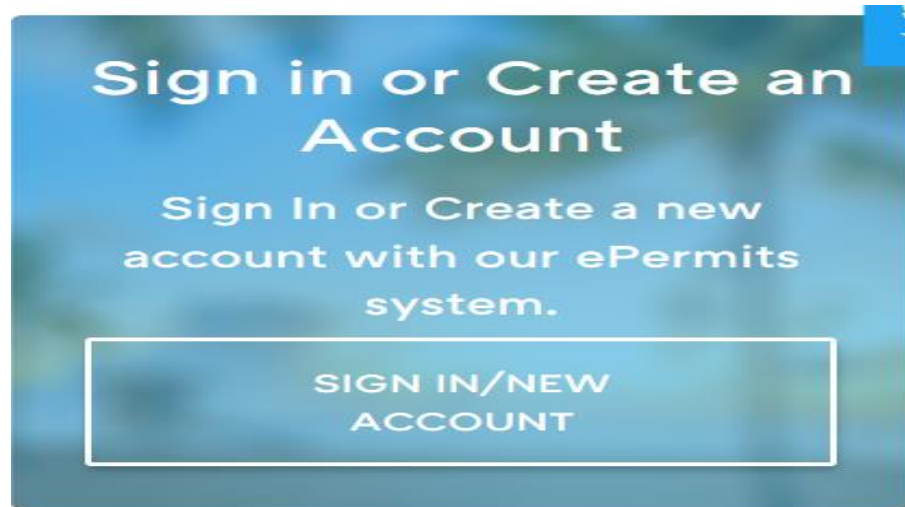

1. Go to <http://www.broward.org/epermits/Pages/Default.aspx>
2. [Create User ID and Password](#) (Please limit email address to 20 characters or less).
3. Log into website. Please turnoff pop-up blockers
4. Fill out ePermits “BCS Master Permit application”. When entering the name of the Qualifier, enter the Last Name, only and select the “Tab” key. Select the name of the Qualifier/Contractor that pops up.
5. Upload completed current version of the “Broward County Uniform Permit Application”, plans, supplementary documents (i.e., Development and Environment Review approval/exemption certificates, current certified copy of recorded Notice of Commencement, NOAs, etc.) which include applicable completed, signed, and notarized Uniform Building Permit application(s). Please **DO NOT** upload Password Protected or Secured documents [example: Product Approvals, UL, product schedules, and Notices of Acceptance (NOA)]
6. Submit permit application & receive confirmation email. Check your email and contact our office at building@broward.org, if needed.
7. [Paying Fees.](#)
8. Respond if necessary or log into your online ePermit account and pay fees (if applicable)
9. Print permit card and approved plans(if applicable)
10. If hard copy revisions, supporting documents are submitted, the ePermit application will be changed to a physical permit application.

FOLLOW THESE STEPS...

Step 1

- Go to <https://dpepp.broward.org/EPermitsAPP/>

Step 2

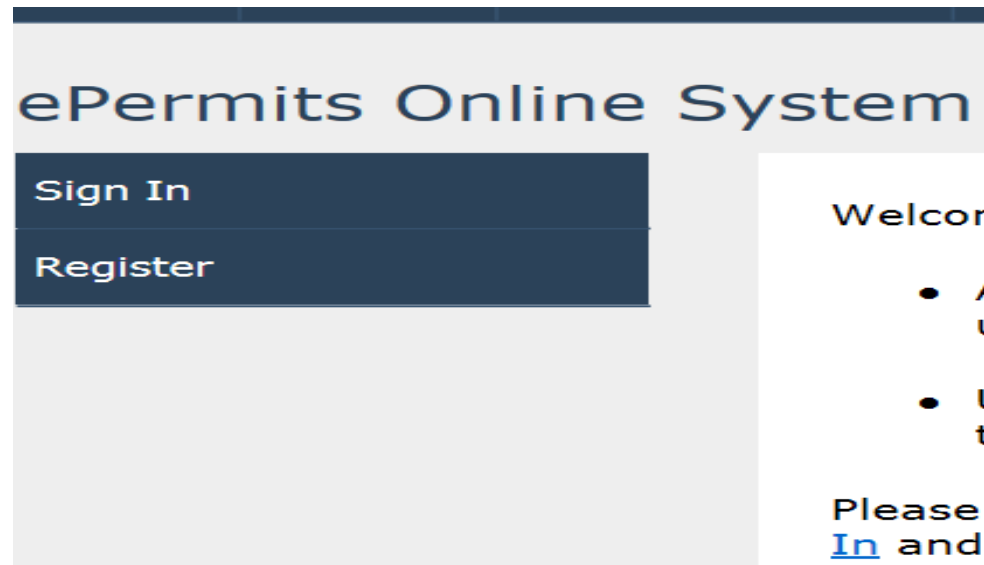

- Create a User Account (Register) or Sign into your ePermit account. This service is available to only licensed Contractors. If the Contractor is not registered with us, contact building@broward.org for a registration form.

FOLLOW THESE STEPS TO CREATE A NEW ACCOUNT

Step 1. Select Register

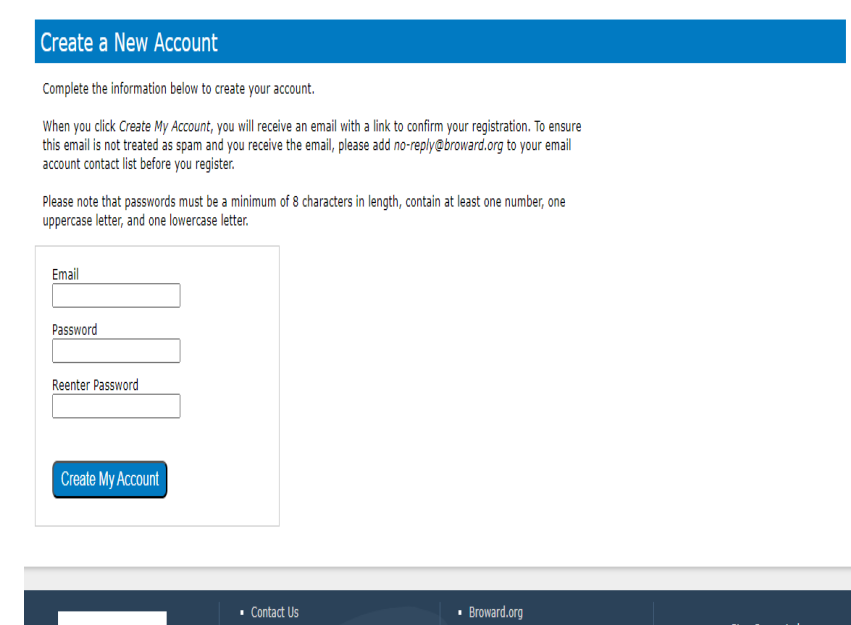

- <https://dpepp.broward.org/EPermitsAPP/>

Step 2. Create a New Account

- [Create a New Account](#)

(Please use an email address that is less than 20 characters in length)

10. Select the trade Plan Type in the drop-down and describe the plans that were uploaded
11. Enter the number of pages that were uploaded (only one copy should be uploaded for ePermits)

WHAT YOU NEED TO KNOW

- For job values, that are equal to or more than \$5,000.00, or \$15,000.00 for air conditioner repair or replacement upon issuance of the permit, a Notice of Commencement (NOC) must be recorded prior to the first inspection. The current **certified copy** of the recorded Notice of Commencement must be submitted to our office prior to scheduling the first inspection. It is recommended that the certified copy of the recorded Notice of Commencement is uploaded with supporting documents and construction plans.
- Prior to submitting the ePermit application to our office (BCS Master Permits), Development and Environment review approval or exemption may be required. Please contact DERPlans@Broward.org.
- If there is an "UNSUBMITTED" ePermit application, another ePermit application cannot be submitted. Please select the "UNSUBMITTED" application to complete.
- DO NOT upload Password Protected or Secured documents [example: Product Approvals, UL, product schedules, and Notices of Acceptance (NOA)]
- Please check your emails for important messages regarding the status of your ePermit application.
- When you are ready to [schedule inspections](#), the physical approved plans and permit card must be on the job site. The approved plans and permit card are uploaded to the ePermit User account.
- For applicable permits, the building permit will not be issued prior to proof of payment for impact fees and copy of the final Development and Environmental Review approval has been submitted to our office.
- During inspections, please inform the Inspector that this was an ePermits submission

Per Florida statute 107.3.5.1:

Plans and/or specifications completely defining the work for each discipline (Electrical, Mechanical, Plumbing, Roofing, and Structural) shall be submitted. Plans shall be electronically or mechanically reproduced prints on substantial paper showing completely all foundation, wall sections, floor plans, roof plans and elevations at a scale no less than 3/16-inch equals one foot, and the main details at a scale not less than 3/4-inch equals one foot or equivalent metric scale. Electrical plans shall be drawn at a minimum scale of one-quarter inch (1/4") equals one foot for all buildings of less than 5,000 square feet or equivalent metric scale, except that an isometric or riser diagram need not be to scale. Designated Electrical Equipment Rooms and Meter Rooms shall be drawn at a minimum scale of one-half inch (1/2") equals one foot or equivalent metric scale
