

THE BORA QUARTERLY

THE OFFICIAL NEWSLETTER FOR THE
BROWARD COUNTY BOARD OF RULES AND APPEALS

WELCOME TO OUR NEWSLETTER

Hello,

The Broward County Board of Rules and Appeals works to ensure that the building and fire codes are uniformly applied throughout Broward County.

We can aid the human resources departments and city/county building departments in the certification process for building and fire personnel. Assistance provided by the BORA staff is available. Please call us to set up a meeting.

Contact us. We're here to help you!

SOUTH FLORIDA AIR CONDITIONING CONTRACTORS ASSOCIATION MEETING

In August, Rolando Soto, Chief Mechanical Code Compliance Officer made an appearance at the South Florida Air Conditioning Contractors Association meeting as a part of the Inspector Panel for the SFACA Inspector's Night.

During this event, inspectors answer questions from contractors and manufacturer's representatives about the Florida Building Code and the permitting process in Broward County.

For information about the SFACA Inspector's Night, visit the SFACA [website](#).

BROWARD BORA RATE DECREASE PASSED BY COUNTY COMMISSION

PLANTATION, Fla. – On May 10, the Broward County Board of Rules and Appeals proposed a rate decrease of the municipality construction fees as well as the elimination of the current \$50 application fee for building and fire code appeals.

The Broward County Board of Rules and Appeals staff proposed to reduce the municipal fee charged to all government jurisdictions in Broward County from the present \$0.68 per \$1,000 of construction valuation to \$0.65 per \$1,000. This change will result in a 4.4% rate decrease. The current fee has been in place since October 2012.

The final decision was made by the Broward County Commission on August 14, 2018. The new policies will be in effect starting October 1, 2018.

Our office has notified all Broward County building departments to give an adequate amount of time for municipalities to update their systems.

For more information on the Broward County Board of Rules and Appeals' current policies visit broward.org/CodeAppeals.

SUBSTANTIAL FUNDING FOR FY 2018 EDUCATIONAL SEMINARS

In FY 2018, the Broward County Board of Rules and Appeals invested in excess of **\$171,614.00** in Certified and Non-Certified courses for over **275** students at no cost to building and fire departments throughout Broward County.

The Board of Rules and Appeals made the recommendation for funds to be taken from reserves and the Broward County Commission approved the recommendation with a unanimous vote.

CERTIFIED COURSES

- Certified Fire Inspector I ([CFI-I](#))
- Certified Fire Plans Examiner ([CFPE](#))

NON-CERTIFIED COURSES

- NFPA 30: Flammable and Combustible Liquids Code
- NFPA 54: National Fuel Gas Code
- NFPA 58: Liquefied Petroleum Gas Code
- NFPA (NEC) 70E: Standard for Electrical Safety in the Workplace
- NFPA 72: National Alarm and Signaling Code
- Medical Gas Training Course
- Broward BORA Accessibility Training Course
- Fire Chemistry (FFP 2111)
- Fire Protection Systems II (FFP 2541)
- PV Systems and the 2014/2017 National Electric Code
- Investigation: Origin & Cause (FFP 2610)

BROWARD BORA CERTIFICATIONS

This year Broward County Board of Rules and Appeals awarded **148** certifications throughout Broward County in 2018 to date.

BUILDING

16 Building Officials and Assistant Building Officials from Broward County, Deerfield Beach, Hillsboro Beach, Hallandale, Hollywood, Lauderdale-by-the-Sea, Lauderdale Lakes, Miramar, North Lauderdale, Pembroke Park and Pembroke Pines.

51 Inspectors, Plans Examiners and Chiefs from Countywide, Dania Beach, Davie, Deerfield Beach, Fort Lauderdale, Hallandale, Hillsboro Beach, Lauderdale-by-the-Sea, Lazy Lake, Lighthouse Point, North Lauderdale, Pembroke Park, Plantation, Sunrise, Tamarac and West Park.

BORA GETS INVOLVED IN THE FIRE COMMUNITY

PLANTATION, Fla. – The Broward County Board of Rules and Appeals staff is involved in education, code development and seeking a uniform application of the fire codes by being a participating member of several fire related committees.

Members of the Broward BORA staff attend monthly meetings, provide guidance, update (as it relates to the fire codes at the Broward Fire Chief, Fire Prevention Sub-committee) and participate in joint Fire Marshal meetings between Miami-Dade and Broward counties to achieve a uniform approach between counties as it relates to the application of the Florida Fire Prevention Code and on new fire code issues.

Bryan Parks, Chief Fire Code Compliance Officer, sits as a voting member on the Board of the Fire Inspectors Association of Broward County (FIABC) which was established to serve Broward County by providing leadership for superior life safety strategies through inspection, investigation, public education, and code management. Visit the FIABC **website** to join.

40 YEAR (AND OLDER) BUILDING SAFETY INSPECTION PROGRAM

The 40 Year (and Older) Building Safety Inspection Program has been in effect throughout Broward County since January 2006. This program is modeled after a system that has been in existence in Miami-Dade County since the mid-1970s. This program requires structural and electrical safety inspections for buildings 40 years old (or older) and every ten years thereafter. By having such a program in effect, the possibilities of future building failure are minimized and structures will be better prepared for hurricane force winds. **Notifications were sent to all Broward County municipality building departments in June 2018.**

WHAT IS THE TIMELINE?

<p>JUNE</p> <p>The Board of Rules and Appeals obtains building data from the Broward County Property Appraiser's Office and forwards it to each municipality in Broward County.</p>	<p>JUNE - AUGUST</p> <p>Building Officials notify property owners whose buildings are subject to the 40 Year (and Older) Building Safety Inspection Program for the specified calendar year.</p>	<p>SEPTEMBER- NOVEMBER</p> <p>90 day period when property owners return the Florida design professional's report to the city's building department where the building is located.</p>	<p>DECEMBER- MAY</p> <p>180 day period property owners have to complete the necessary electrical and structural repairs.</p>
--	---	--	---

For information about exemptions, inspection guidelines and accessing inspection records, read our 40 Year (and Older) Building Safety Inspection Program brochure and FAQs:

Broward BORA Provides HVHZ Exam Sponsorship

To improve and facilitate the Building Code professionals recruiting process, we sponsor the **High Velocity Hurricane Zone Exam (HVHZ)** for qualified individuals applying for the positions of Building Officials, Structural Inspectors, Chief Structural Inspectors and/or Structural Plans Examiners on the first attempt. Professionals who have not worked in either, Miami Dade or Broward counties can meet the required HVHZ experience by passing the HVHZ exam. To have the first HVHZ exam paid for, a Building Official representing the jurisdiction should submit a request to the Broward County Board of Rules and Appeals office.
